**You Can't Catch Me!** Alison Hawes, 2003

**A\_m4\_s2** Prosper Education, 2022-02

**Claimant Or Client?** Olive Stevenson, 2023-11-05 Originally published in 1973, the aim of this book was to consider the relationship of a vital element in our social security system, the Supplementary Benefits Commission, to the personal social services, in particular to social work. Notions of 'entitlement' and 'rights' in means-tested benefit schemes are examined in relation to those claimants, including unsupported mothers and the so-called 'voluntary unemployed', who present particular difficulties to those administering the scheme. For many who claim supplementary benefit their only need is prompt, efficient financial service. For a few, their financial need is inextricably bound up with complex social and psychological difficulties. For such cases, the civil servants who administer the British Supplementary Benefits scheme need skill beyond that normally expected of such persons and their relationship with the social workers who are, or should be, in touch with such claimants becomes crucial. The book considers some of the underlying ethical issues, in particular the tension between equitable and individualised justice, involved in the exercise of discretion. It describes the structure and organisation of the Supplementary Benefits scheme and analyses the roles of officials that bear on welfare. It also examines the current situation with regard to the selection and training of officials and

discusses the attitudes of social workers to officials. This work, drawing on the unique experience of the author as the first Social Work Adviser to the Supplementary Benefits Commission, was the first study of its kind to be published in this country and would be of great value to all students and teachers of social work at the time as well as to a wide readership of social scientists.

**San Diego Noir** Maryelizabeth Hart, 2011-05-17 Southern California is not all sun, sand, and surf in this gripping collection of noir tales from T. Jefferson Parker, Don Winslow, Maria Lima, and others. San Diego is home to miles of beaches, Balboa Park, a world-famous zoo, and some of the country's most expensive home and resort real estate. Yet the city also houses a few items that aren't actively promoted by the visitor's bureau: a number of the country's most corrupt politicians, border-related crimes, terrorists, and the occasional earthquakes. A noir feast! In the fifty-plus years since Raymond Chandler set *Playback* in Esmeralda, his name for La Jolla, the population has grown by more than a million, and crime has proliferated as well. San Diego of the past and the present offers the book's contributors a rich selection of settings, from the cross on Mount Soledad to the piers of Ocean Beach, and perpetrators and victims from the residents of its wealthiest enclaves to the inhabitants of its segregated barrios. *San Diego Noir* includes stories by T. Jefferson Parker, Jeffrey J. Mariotte, Martha C. Lawrence, Diane Clark & Astrid Bear, Debra Ginsberg, Morgan Hunt, Ken

Kuhlken, Taffy Cannon, Don Winslow, Cameron Pierce Hughes, Lisa Brackmann, Gabriel R. Barillas, Gar Anthony Haywood, Luis Alberto Urrea, and Maria Lima. "When it's done right, noir is a darkly delicious thrill: smart, sharp-tongued, surprising. The knife goes in at the end with a twist. San Diego Noir, a new 15-story collection by some of the region's best writers, has all that going for it, and the steady supply of hometown references makes it even more fun." –The San Diego Union-Tribune

**Differentiation and the Australian Curriculum** Michael Pohl, 2014

**Fired Up about Reproductive Rights** Jane Kirby, 2018-02-26 Part of series intended for young adults (16-25). Decades after abortion was legalized and decriminalized in Canada, the U.S. and the U.K., why are we still fighting for reproductive rights? Shattering the myth that the battle for reproductive rights was won in the sixties, seventies, and eighties, *Fired Up about Reproductive Rights* shows us the many ways our reproductive lives remain subject to state control. From the fight for safe, legal and accessible abortion services to the fight against coercive sterilization, eugenics, and population control, threats to our reproductive control remain alive and well in our communities. Far from just debates over morality or religion, the regulation of sexuality, fertility and reproduction has been a major way that societies have ensured the domination of men over women, rich people over poor people, and white people over people of colour. Engaging with the reproductive justice framework advanced by women of colour, the book presents

the fight for reproductive rights as continuous with other social justice issues, and forces us to grapple with the weaknesses of the feminist and reproductive rights movement as it exists. Accessible and engaging, this book gives readers the tools to understand--and fight against--contemporary threats to our reproductive rights.--

*48 Hours* Gabrielle Lord, 2017-01-09 One kidnapping. One cold case. Two amateur investigators. Only 48 hours to solve the crime . . . Jazz's best friend Anika has been kidnapped! She can't call the cops, so Jazz forges a shaky truce with her brilliant nemesis, Phoenix, to help her investigate. Together, they uncover clues and crime scene evidence. Sneaking into a forensic lab, they test DNA, fingerprints and more, to piece the clues together. The results are shocking. Could it really lead to a twenty-year-old murder case? In a race against time, Jazz and Phoenix only have 48 HOURS to collect the evidence, profile the kidnapper and find their schoolmate's location, or Anika will die. The clock is ticking . . .

Storm-Wake Lucy Christopher, 2018-07-31 A tour de force retelling of *The Tempest* from a romantic, emotional, and inspiring voice, perfect for passionate readers of all ages. Moss has grown up on the strangest and most magical of islands. Her father has a plan to control the tempestuous weather that wracks the shores. But the island seems to have a plan of its own once Callan -- a wild boy her age -- appears on its beaches. Her complex feelings for Callan shift with every tide, while her love for the island, and her

father, are thrown into doubt...And when one fateful day, a young man from the outside world washes up on the beach, speaking of the Old World, nothing will ever be the same. A dark reflection of Shakespeare's *The Tempest*, *Storm-wake* is one girl's voyage of discovery -- a mesmerizing tale of magic, faith, and love.
