Stella's Barn Stanley Joseph Bieda, 2011 Trouble woke me up early. Only two years old, my first memory: startled from sleep, I follow my mother to the road where she covers with old burlap a dead dog, just run over. My world was frightening and tough, from the beginning. Polish Catholic, my harsh paternal grandmother ruled our house. The men were there to eat and sleep. Alcohol, incest the norm in our neighborhood. With just the clothes on our back, one night Ma spirited us all away to her mother's small subsistence farm in the country where I woke up to imagine I had died and found myself in the Garden of Eden. Plants, animals, fishing in the old muddy river across the railroad tracks: here I could dream! All short-lived when we moved again into our barn-like house of stark poverty and deprivation. I learned from my mother how to ride the rapids, how to grab onto the sides of life's often flimsy, careening boat. Catastrophe visited us, but you will see how our story, my hope, survived.

Perfumery and Essential Oil Record Archibald C. Merrin, 1926

Sundae Best Anne Cooper Funderburg, 2002 This book is the first comprehensive, documented history of this popular institution, which millions of Americans fondly remember. For 150 years, the soda fountain was a community social center. In big cities, the neighborhood fountain had a clubby atmosphere because it drew its clientele from nearby businesses and apartment buildings. In small towns, soda fountains were very democratic because they attracted all ages and all classes of people. In both cities and small towns, soda fountains were part of the social infrastructure that held the neighborhood together. The evolution of the soda fountain reflected momentous developments in American history: urbanization, the temperance movement and Prohibition, the Great Depression, technological progress, the decline of Main Street and Center City, the Car Culture, and the growth of suburbia. The fountain's evolution was also closely tied to trends in retailing, food service, lifestyles, and the decorative arts.

Soda Pop Before the Store Rachel Lynette, 2012 There are all kinds of soda pop! Root beer, cola, and ginger ale are just a few. How many can you name? Soda pop is sold all over the world. It comes in bottles and cans. It also comes from a soda fountain at a restaurant or store...--Text, Chpt. 1.

The Soda Pop Gang Eddie S. Howell, 2005-08-26 This is a insect story told by Miss Lady Bug (a reporter). She introduces the Soda Pop Gang, which is led by a potato bug named Soda Pop, a worm named Tool-Box, a centipede named Lightning, and a snail named PC. Two humans accidentally enter this insect world when they build a mansion deep in the woods. They are unaware that this mansion is within a black widow's territory. The story unfolds as the black widow spider overtakes the mansion by subduing the humans. Fearing the evil spider, one of the Soda Pop Gang prays for help and an angel appears. A fierce battle of good versus evil takes place.
