Fargo Scott Nankivel,2013-01-09 "BUY IT. READ IT. PISS YOURSELF." - Anson Mount (Star of AMC's Hell on Wheels) FARGO - where a day seems like a week, a week like a year and a bullet to the brain like a blessing. A place where people hope their weeknight bowling leagues will improve a little each year, enjoy living in the midst of rainbow sherbet and the chance at a "Bingo" every weekend. Unbelievable as it sounds, at age twenty-three, Fargo native Scott Nankivel decides he wants more. As the dreamer packs up his Dodge Dart and heads down Main Street for Los Angeles, he reflects on the youth he spent in small-town America. He shares stories about his gaseous, bingo-obsessed mother, who tried to cure his latent bedwetting with electric shock; the local prostitute, whose services could be secured with a shiny quarter; and the Lutheran minister's son who decided to become a woman. Nankivel offers an amusing and heartfelt glimpse into the zany characters who shaped him into the "man" he is today. He revels in the memories of Fargo and its people and ultimately realizes they've permeated his heart forever. If the Coen brothers put the town on the map, he plans to take it back off.

Rest Area Alan Scott,2012-01-19 A great deal has been written, discussed, and talk-showed about children being molested/raped by others. But what about the person who has been falsely accused? What does he and his family go through? What does an apathetic town go through? How does a corrupt Administration and Board of Education do to hide when discovered? These and other questions are answered in REST AREA. Ed Hope is a dedicated and popular black teacher in a High School in Florida. He is also in a relationship with a male homicide detective. They are both bringing up Ed's two young children. One day Ed goes to school to find out he no longer has a job. When he questions his Principal and Supt. Of Schools, he is told that he has molested a white student. No formal charges. No hearings. Nothing. There is a Board of Education meeting where Ed is formally charged and before he can give his side, the public in the audience cause a riot, causing Ed and his lover to hastily leave. When they get home, there are two policemen there to arrest ED. REST AREA contains the ordeal Ed Hope and his family go through and how a small group of students and adults (including one Board) to his aid. It also brings to light the nonsense and corruption of a small school district and their plight to keep everything hidden.

What Good Men Do Scott Laliberte,2006 What good men do is a commingling of three stories of men who ran away; driven by hard times, convoluted self-pity, greed, narcissism, and good old fashioned malcontent, these three men strike out to chase their ideal lives with comic and tragic results.--Publisher's description.

More Rob Scott,2019-06-21 Entrepreneurs defined America by finding latent capacity and capitalizing upon it. Plastics, invented in America, compromised the world's ability to survive. Plastics caused every living thing in the world to absorb and to pump micro particles through itself, plants, animals, everything accumulated plastics at the molecular level. Not even my trailer park was immune from plastics. Americans became the wealthiest beings on the planet and the most hated. When they went bankrupt, the civil unrest within America briefly caused anarchy until China invaded America and collected on its debts. The least, the last and the lost battle the Chinese.

Polar Perfection Scott Kellett,2018-05-08 This story, Polar Perfection, starts with me, Scott Kellett. This is about how a young boy could progress to becoming a responsible adult. I wanted to write this story so that you can understand where and how any child can have a chance at a better life if you believe and work.

Range of Light Scott Neuffer,2020-10-22 A journey of finding oneself in an increasingly material world... An escape from censorship toward hoped-for redemption... A path to forgiveness and restoration.... One bright morning in the summer of 2011, three strangers fortuitously meet at the start of Yosemite's famed Mist Trail—a disillusioned investment banker with two million dollars in cash in his tent, a Chinese dissident artist escaping political persecution but not his own demons, and a middle-aged single woman trying to rebuild her life after a terrible divorce. Each hiker is seeking something as they explore the Mist Trail, but by the end of the climb, two of them will be dead. Containing elements of satire, neo-noir, and geopolitical thriller, Range of Light at heart is a literary work of fiction that captures and reveals the complex, unraveling lives of three strangers in one of America's most iconic natural settings. Beneath the thundering falls of Yosemite, these disparate lives crash together in a dramatic climax, revealing both the worst and the best aspects of the human heart.

A Treasured Threat Tim K. Scott,2009-03-22

Specials Scott Westerfeld,2013-12-06 Hele klodens fremtid står på spill og Tally blir satt på ekstreme prøver i Specials – siste bok i den populære science fiction-serien Ugliers. Skremmende vakker. Farlig sterk. Ekstremt rask. Tally er nå blitt en av vokterne, en supersterk kampmaskin konstruert for å kontrollere de stygge og de pene. Den nye styrken, hurtigheten og den isende klarheten føles bedre enn noe annet.

The Alpha to Omega Scott Langston,2007-12-01 a voyage of self-discovery thinly disguised as a light-hearted, journal-based novel, or a light-hearted, journal-based novel, thinly disguised as a voyage of self-discovery...

Midwest Refractions Jay Scott Diers,2006-02-21 Boys from Iowa and the Midwest grow tall, burly, and handsome in a way only Midwest boys can. Jay uses models (some professional, some amateur) to transport the viewer to the Midwest of innocence, purity, and the wholesomeness for which Middle America is known. It is the artist's desire to portray the Midwest as a unique place where one can find men doing farm chores during the day and going to a rave at night. A place that, with the Midwest stamp on it, gives you the boy next door who scores the touchdown, dates the prom queen (though is secretly in love with the tight end) and has a heart bigger than the whole state.

Impasse Royce Scott Buckingham,2015-03-03 Given a one-week adventure vacation in the Alaskan wilderness after losing his prestigious job, former prosecuting attorney Stu Stark is abandoned to die and must struggle to survive in order to exact revenge on those who betrayed him. By the author of Demonkeeper.

years ago when he was a teenager.

Between the White Lines Scott Fisher,2016-07-11 Jeff Anderson finds himself back in his hometown, coaching his old high school football team. After a lifetime of trying to forget his past, he comes face-to-face with everything he had been running away from. This is a story about addiction and fear, love and hate, black and white, both inside and outside of the white lines.

Foster Scott Amstadt,2015-06-21 A wedding that wasn't, a winter, and a lot of free time. Chris is a broken romantic in the wake of an engagement that ends 30 days before the wedding. Exiling himself to a one bedroom apartment in Chicago, he looks for purpose. Hours searching for inspiration from his favorite television, music, and films leads to a series of brutally honest revelations. Finding himself can't be accomplished by breakdancing in his kitchen or bartering for attention of the opposite sex. Chris embarks on a self deprecating journey as many things he's not, hoping to find something of what he is.

It Takes a Village Idiot Scott Patterson,2008-07 What happens when the Governor of Tennessee is replaced by an alien with presidential aspirations? It's the 2016 election, and there are some folks in town with high ambitions, and low budgets. Join a backwoods good old boy, and his new off-world girlfriend as they crisscross time and space only to find themselves back where they began, if only to know it for the first time. Spend a few hours visiting intergalactic tractor-pulls, traveling in PortaPotty space vehicles, and learning about multi-level marketing schemes done on a grand and tawdry scale. It's a ridiculous book filled with silly characters, and a barrel of laughs.
