**Qoheleth** Madison Scott-Clary,2020-08 All artists search. I search for stories, in this post-self age. What happens when you can no longer call yourself an individual, when you have split your sense of self among several instances? How do you react? Do you withdraw into yourself, become a hermit? Do you expand until you lose all sense of identity? Do you fragment? Do you go about it deliberately, or do you let nature and chance take their course? With immersive technology at its peak, it's all too easy to get lost. When RJ loses emself in that virtual world, not only must ey find eir way out, but find all the answers ey can along the way. And, nearly a century on, society still struggles the the ramifications of those answers.

**Tailing Trouble** Laura Scott,2022-01-11 Wisconsin veterinarian Ally Winter must solve a well-heeled young woman's a-paw-ling murder in USA Today bestselling author Laura Scott's second Furry Friends mystery. Thirty-something veterinarian Ally Winter has found a new leash on life since she moved back to her hometown of Willow Bluff, Wisconsin. But when she takes Domino, the black standard poodle she's boarding for the weekend, for a sunny September stroll along the shore of Lake Michigan, the diminutive dog dashes off, only to return with a single, polka-dotted, high-heeled shoe. Retracing Domino's paw prints back to a weeping willow tree, they find the other shoe. It's still on the foot of 20-year-old Pricilla Green--lying dead beneath the willow, with a silk scarf knotted tightly around her neck. Willow Bluff's finest--and handsomest--detective, Noah Jorgenson, is soon on the tail of the killer. But he has another worry on his mind when Ally's grandfather, a lifelong true-crime buff, starts to suspect that the recent burglary of a local big-box store may have some connection to Pricilla's murder. Noah cautions Ally to keep Gramps well away from the homicide investigation, but the old dog is drawn to danger like a puppy is to a squeaky ball. The fur flies as Ally, Noah, Gramps, and Domino race the clock to fetch the felon. It will take all of their canine canniness to comb out the twists and curls in this wild and woolly case. And if they fail, they won't live to go walkies again.

**Furry Weather and a Storm of Feathers** Scott Schafer,2014-12-15 A friendly beaver seeks wood to build a strong dam. A grouchy bird resting soundly in his home is awakened by the gnawing of two large 'fangs'. What happens when two mammals in the deep woods cross paths and cannot find the means to get along? - A lesson in sharing, making a friend and helping one another when things go all wrong. Furry Weather and a Storm of Feathers teaches children about friendship, the consequences of bullying, and the importance of being kind to those you meet.

**A Wildness of the Heart** Madison Scott-Clary,2021-11 To call what I am feeling a 'crush' feels inexact. It is not puppy love. It is not new relationship energy. It is not lust. It is an uncontrollable romantic desire.It is not grounded in our friendship or my attraction to her. It is more of an obsession. A desperate need for her to feel the same way about me. A craving. A pang. A wildness of the heart that is as frightening as it is pleasant.It is an unmoored, unmooring thing, drawing me ever upwards in lazy, undirected arcs almost - almost - against my will, ever closer to the sun. Six tales of love. Six tales of need, of desire, of how to live with the ones you cannot live without. Sawtooth may be a nothing town in a flyover state, but those that live there are no less real for it. They bear all the same emotions as anyone else, have all the same needs.

**Rum and Coke** Madison Scott-Clary,2019-07-08 Much ink has been spent following the exploits of our furry characters, but sometimes, the real interest lies in the act of us as humans being furies. Follow the stories of three individuals as they navigate the world of relationships and furry conventions. What I Expected - Meeting for the first time is stressful enough, but all the more so when things don't match up with what you expected. How Many? - Navigating poly is an ongoing process demarcated. Chief among them: first meetings. Again - Exes and transition make for a lot of change all at once.

**Dogged by Death** Laura Scott,2021-07-13 In Laura Scott's Furry Friends series debut, veterinarian Ally Winter must collar the killer of a shifty lawyer. Does the dead man's dog know who committed the arf-ul crime? Ally Winter is going through a ruff patch. The thirty-something veterinarian lost her fiancé, her clinic, and her savings in rapid succession. So when Ally's grandfather undergoes hip replacement surgery, she moves back to Willow Bluff, Wisconsin, to care for him. She arrives home, tail between her legs, only to find sleazy lawyer Marty Shawlin murdered in his home office. And the only witness was Marty's faithful boxer, Roxy. Quick as a greyhound, Noah Jorgensen is on the case. The good news is, he's the best detective around. The bad news, at least the way Ally sees it, is that Noah is still just as fetching as he was back in high school. He also just happens to have witnessed every embarrassing incident that befell accident-prone Ally--including the fire-ant attack that set tongues wagging and won her the unshakable nickname Hot Pants. Meanwhile, true-crime aficionado Gramps fancies himself a sleuth, and he is doggedly determined to sniff out the culprit himself...with Ally's reluctant help, of course. Ally has no choice but to team up with Noah--and the irrepressible Roxy--to solve the case while keeping Gramps on a short leash. Ally had better learn some new tricks, lickety-split. Because if she can't bring the killer to heel, she won't just be playing dead.

**Furry Fandom Conventions, 1989-2015** Fred Patten,2017-01-03 Furry fandom--an adult social group interested in anthropomorphic animals in art,

literature and culture--has grown since the 1980s to include an estimated 50,000 furies. Their largest annual convention drew more than 6,000 attendees in 2015, including 1,000 dressed in fur suits or mascot-type animal costumes. Conventions typically include awards, organizations, art, literature and movies, encompassing a wide range of creative pursuits beyond animal costuming. This study of the furry subculture presents a history of the oft-misunderstood group and lists all conventions around the world from 1989 through 2015, including organizers, guests of honor and donations to charity.

*PETS* Scott Tilley,2021-12-10 It doesn't matter if you are a cat person or a dog person - if you like pets, then you know how important they are in our lives. Not every cat is Garfield, scarfing down lasagna whenever possible. Not every dog is Lassie, able to rescue children who have fallen down a well. But every pet is special: purebreds, mutts and mixes, and everything in-between. Who can say no to a friendly smile?PETS is a collection of tales (tails?) about our furry friends. Service dogs. Rescues. Family companions. Childhood friends. Strays. Saviors. These are some of the roles pets play in our lives. PETS captures these stories for everyone to enjoy.

*Restless Town* Madison Scott-Clary,2019-10 A collection of ten furry short stories set in the fictional town of Sawtooth, Idaho.

Furry Nation Joe Strike,2017-10-03 Winner of the 2017 Ursa Major Award for Best Non-Fiction Work! Furry fandom is a recent phenomenon, but anthropomorphism is an instinct hard-wired into the human mind: the desire to see animals on a more equal footing with people. It's existed since the beginning of time in prehistoric cave paintings, ancient gods and tribal rituals. It lives on today—not just in the sports mascots and cartoon characters we see everywhere, but in stage plays, art galleries, serious literature, performance art—and among furry fans who bring their make-believe characters to life digitally, on paper, or in the carefully crafted fursuits they wear to become the animals of their imagination. In *Furry Nation*, author Joe Strike shares the very human story of the people who created furry fandom, the many forms it takes—from the joyfully public to the deeply personal— and how Furry transformed his own life.

**My Life as a Furry Red Monster** Kevin Clash,2006-09-05 Hello, Everybody! The furry red monster known as Elmo has charmed his way into hearts

and homes throughout the world with his unmistakable laugh, over-the-top enthusiasm, and boundless love. Elmo’s appeal is nothing short of magical. Kids adore him, and parents find him irresistible. What is it about this little monster? Meet Kevin Clash, the man behind the Muppet and the unassuming heart and soul of Elmo. At last, the puppeteer who has performed Elmo for nearly twenty years comes out from behind the stage to share his story. Weaving together his memories of growing up with the life lessons gained from his furry red alter ego, Kevin reveals himself to be as caring, and as eager to grow and learn and love, as the very special character he brings to life. You will discover how young Kevin honed his talent entertaining the kids in his mother’s home day care with puppets he made from slippers and coat liners; how, as a struggling young artist, he realized his dream to meet and then work for his idol, Muppet creator Jim Henson; and how each and every day of performing Elmo reinforces for him what is most important in life. As Kevin has been inspired by Elmo, now we can all learn from his furry red ways. Kevin’s (and Elmo’s) thoughts on love, creativity, friendship, and optimism remind us of life’s simple truths and ultimately encourage us all to be a little bit more like Elmo—to live with joy, to love more easily, and to laugh more often.

But then Witch-Hazel begins seeing visions of her long-lost, beloved otter friend, Fish-Breath, guiding her on a journey toward the All-Being's castle in the sky. To complete their quests, the honeybee and squirrel must seek favors from a mysterious Luna moth, brave the temptations of a unicorn's garden, and avoid being drawn into the ongoing rivalry between a flock of ravens and a golden eagle living on the stem of giant beanstalk stretching into the sky.
