Sex Assassin Almondo Scott, 2020-12-15 Sharday is a born hustler that loves sex just as much as she loves money. She never thought the day would come where she would have to choose between the two. She has been told several times that her sex is great and very addictive, but she didn't believe it from none of the men that told her. She just thought they was telling her that just to keep fucking her. However, this one time she actually believed it, because she had a crazy sexual lineup that consisted of four different men, all with different souls. One of them had her heart fully, one of them talked more shit than his sex could backup, another one that was just as much of a sexual beast as she was, and she loved that shit. And the last one, his sex was fire but the way he treated her put him above everyone else. The competition was becoming really interesting and she was loving it. You see, Sharday is a level ahead of a nympho. So she can handle a lot of man meat by one man at a time. Basically saying this to say that she has yet to meet a man that has made her tap out. She is a very sexually determined woman with one goal...to make a man give her that nut one way or another. Once she realized what she was capable of sexually, she gave herself a bedroom alias...the Sex Assassin.

Meanwhile, Back at the Sex Farm... Bill Starr, 2010-02-01 Hurrah! At Last a Book About a Nymphomaniac! I should have been a whore instead of a poet, voluptuous Ruth remarks to her world-wise bedmate, Bill, who approves. Better be a whore than a poet. You meet a better class of people. And so back to the Sex Farm. The happy couple leaves the city for a well-earned vacation,

intending to cure her nymphomania and his satyriasis... with the same medicine. Although this takes place long before the sexual revolution came upon us, the goings-on at the Sex Farm are so outrageous that they will leave you goggle-eyed, faint, watery-mouthed and twitching.

Sex As a Weapon 2 McGill Caroline, 2010-05-01

Submissive: Tales of Sex, Love, and BDSM Audra Morgan, 2014-01-16 A collection of 4 books by Audra Morgan in one amazing anthology! The Submissive Diaries: Kit's Awakening The Submissive Diaries Two: Sam's Assignments Extreme Submission: Stories of Sex on the Edge Couple Seeks Single Male The Submissive Diaries: Kit's Awakening Kit and James had a wonderful relationship; they shared a home together, had great fun, and loved each other deeply. But one day, Kit realized James wanted more. Could Kit, the biggest control freak around, find a way to embrace submission, to allow the man she loved and trusted to dominate her in ways she couldn't even yet comprehend? Or would this revelation tear them apart? Audra Morgan draws on her own real life experiences as a submissive to explore Kit's mental and physical awakening as she comes to discover her submissive side, and to deal with the implications of that discovery. It's a subject most people don't have firsthand knowledge of, and it's an eye-opening journey as the reader follows Kit on her path from a traditional relationship to a Dominant/submissive dynamic. The Submissive Diaries Two: Sam's Assignments Sam is a submissive, but she's a smartass with a mind of her own. Her Dominant decides to entertain her with some diversions while he's away on business, and Sam is delighted. But will these assignments prove to be more than she bargained for? Extreme Submission: Stories of Sex on the Edge Stories of domination, submission, sex, and edge play. A darker shade of grey for those who prefer something with a bit more bite. In Kidnapped, a quiet day of shopping takes a very unexpected turn. In Marked, Jessica and her Master take part in a memorable and surprising anniversary celebration. In The Gift, Phillip learns the art of true submission. Couple Seeks Single Male Sometimes, all you need is a few good men. These stories focus on the search

for those men, and the fun that three happy couples have once they find them. In *The First Time*, a young couple finally indulges their fantasy of having a threesome. In *The Woman at the Bar*, an older woman has a very public encounter with a much younger man. In *The Party*, a couple celebrates in style, and with several guests to liven up the festivities.

Male Sex Work Todd G. Morrison, Bruce W. Whitehead, 2007 The male sex industry receives far less attention from social scientists than its female counterpart. *Male Sex Work: A Business Doing Pleasure* fills this gap in the literature, providing a multifaceted and nonjudgmental examination of the entire male sex industry.

The Sex Diary of Gerard Sorme Colin Wilson, 1963

The Unbearables Big Book of Sex Unbearables (Literary group), 2011 Another mammoth compilation from Downtown New York's 'drinking group with a writing problem', the previous perpetrators of *The Worst Book I Ever Read*, *Crimes of the Beats* and *Help Yourself!*, among other innumerable assaults on decency and good taste. Now they finally turn themselves to their most likely subject matter ever (even if it's frequently more a matter of fantasy and theory than of deviant practice)...

Sex and Sadism Johan Wassenaar, 2013-11-02 The Trilogy of Sex & Love begins with *Sex & Sadism* in which highly regarded CEO of Grand Show Architects, Daniel Johnson, who designed the Show Rooms for the first two Cirque du Soleil shows on the Las Vegas strip, is confronted with the need to provide sexual favors to John Meeker, the manager of a major expansion of the Las Vegas Convention and Show Center to secure the contract to design the additions. En route he finds himself in the company of Monica, an exceptionally beautiful young woman dead scared of flying. She is essentially destitute and he takes her to his suite in the Hilton Hotel. Since she had been forced by her ex to prostitute herself, she is willing to play the role of a call girl. She seduces Dan and is so stunned by his sexual prowess that she persuades him to become her master. He anoints her as his Marketing Manager and outfits her with spectacular garments to accentuate her sex appeal and turns her loose on John Meeker in charge of the Convention Center expansion project. She coerces him into paying her a fee equal to ten percent of the total contract value, setting her up as a very high class courtesan. He asks her, for thirty thousand dollars extra, to go sailing with him and his son on Lake Mead for an arousing day of fun. She assuages her master's discomfort by suggesting that he visit Veronica, John's wife, while they are sailing. He does so with exquisite results as she takes to him with a vengeance and experiences exquisite sex most of the day. Shocked by the outcome Monica invites Dan to join her on a helicopter excursion into the Colorado River canyon to float down through the rapids in a white water raft hoping to renew their relationship, instead of which Dan runs into beautiful Donna and Monica becomes entangled with very well endowed lawyer Robert. In order to secure the contract for a new Cirque du Soleil show called Zumanity, which borders on being pornographic, they arrive at a similar arrangement for Monica with Tony Patullio, the CEO of the casino hosting the show. They soon discover that her services include making love to Joe Green, the thinly disguised operator of a bondage torture lab in the basement of the casino. Monica really takes to his extreme love making methods and unbeknownst to Dan uses his lab to persuade Robert to become a more compliant lover for her. They discover Morgan, a fine woman being held in sex bondage. Ironically, she once was a star performer in Cirque du Soleil's sister company, Cavalia, specializing in mounted horse extravaganzas. Dan uses his influence to force Patullio to release her from her bondage commitment and takes her to Montreal to successfully have her reinstated to help solve difficult problems with a more advanced version of Cavalia. In her elation of being liberated she falls deeply in love with Dan. Dan hires Veronica to manage the Las Vegas office

which she does with stunningly good results. With that Dan prepares Donna to move to Columbus to assume the management role at the heart of the company.

Tough Guys Bill Brent, Rob Stephenson, 2002 Tough Guys is a no-nonsense, hands-on collection of stories that probe the depths of edgier sex play between men: leathermen, hustler boys, marines, thugs, martial artists gone haywire, rednecks, fratboys... Here, fearless fantasies crash into brutal realities with powerful results. From stories like Aaron Travis scorching tale of a fraternity god taking control of a submissive new student, to Jack Fritschers sensual portrait of a good boy turned very bad boy by the misfortunes of war and rotten influences, Tough Guys contains tough stories by classic authors. Tough Guys is also brimming with sexy stuff from newer writers as well. Kurt Hoffman tells an evil fairytale about a prisoner who gets more than he bargained for from his Warden and the Devil himself, Thom Nickles takes a twisted look at what happens when bored rich boys find wayward street boys at the mall, and Ian-Andrew McKenzie shows a little humor in telling how a little jealousy does wonders for keeping your redneck boyfriend hot and spicy. There are few new hard-edged gay erotica titles in print, and this book fills that niche.

Sex, Lies, and Chrome Donn Falcone, 2011-09-08 When a man in a sexless marriage also has to deal with his wife's growing mental instability, he decides a short separation is in order. Climbing aboard his motorcycle, he heads off for a break from the pain and frustration. The adventure also reveals he's not the only sexually frustrated person out there. He also gets a little more than he bargained for in the form of someone trying to kill

him. Chase Matthews has it all... almost. A successful business that runs itself, a nice home, a few toys and a couple close friends. What's missing is the passion with his wife, Charity. The lack of passion also means a lack of sex, but he's dealing with that. At least, right up to the point where everything seems to be crumbling around him as Charity begins to exhibit behaviors related to mental instability. When her actions turn violent, Chase decides to give their marriage a break before something even more devastating happens. Chase leaves with no real destination in mind, but finds himself in towns, and situations, that lead to sexual adventures that keep him re-evaluating the sexless marriage he had endured for so long. The pleasures are soon tempered by a cat-and-mouse game with an unknown assailant, someone who seems dead-set on killing him. But why? Donn Falcone's **SEX, LIES, & CHROME** takes the reader on an explicit, sexually-charged adventure where pleasures are challenged by a fight for survival.
