Seven Heroes Road Warrior,2021-08-27 The First Calamity failed to put an end to a decade full of conspiracy and betrayal. Even as the heroes of old return to the front stage as the world's adversary as was foretold, the way forward is fraught with traps and machinations by those who seek to further their own objectives with no regard to the harm they bring upon the innocents. Meanwhile, the world is still afflicted by the ticking time bomb in the form of the Curse of Extinction that can extinguish the light of mankind all on its own, independent from even the mighty Calamities. But this seems to do little to unite the people into working together against the incoming crisis. Still shunned and branded as the Enemy of the World, a lone struggle to gather power and strength continues. A clue the so-called Destroyer had found led him deep into the jungles in the south, into the lands of Panchuria. But waiting for him there were nightmares, created from the hopes of the past.

Seven More Men Eric Metaxas,2020-04-14 In this sequel to the enormously successful *Seven Men*, #1 New York Times bestselling author Eric Metaxas offers more captivating stories of some of the most inspiring men in history. Join Metaxas as he shares about the lives of seven more men who faced insurmountable struggles and challenges with victorious resolve. Heroes and role models have always been essential for inspiring our lives and shaping the world. But in the last few decades, the need for men of valor and integrity is more vital than ever. Metaxas restores a sense of the heroic in the compelling profiles of seven extraordinary men: Martin Luther George Whitefield General William Booth George Washington Carver Sergeant Alvin York Alexander Solzhenitsyn Billy Graham Becoming acquainted with these seven heroes cannot fail to make your life immeasurably richer. Each man demonstrates particular qualities: the courage to surrender themselves to a higher purpose and the willingness to give away something dear to them for the good of others. With vitality and warmth, Metaxas draws electrifying insights for our daily lives from the inexhaustible richness of history. Inevitably inspiring, this anthology reminds us that certain qualities are worthy of emulation--now more than ever. Praise for *Seven More Men*: God often uses nobodies from nowhere with nothing to offer but hearts fully surrendered to him and uses them to change the world. Metaxas once again magically and masterfully illustrates God's guiding hand in the lives of seemingly ordinary men to produce great men who use their gifts and opportunities to bring glory to God and to serve others. This book will deeply inspire you to diligently serve God with all your heart, no matter your life's current circumstances, knowing that he knows the plans he has for you. --Kirk Cameron, actor and producer Great biographers do more than relay the facts of history; they acquaint us with its authors and inspire us to emulate them. In *Seven More Men*, Eric Metaxas uses seven short biographies and five hundred years as thread and canvas to produce a magnificent tapestry to not only inform your mind but inspire your heart. These unvarnished stories of faithful endurance, unwavering hope, and costly love are a must-read for our generation. -- Christopher Yuan, speaker, Bible professor, and coauthor of *Out of a Far Country*
