Casteists or politicians, bureaucrats or manipulators, none escape the scathing commentary of Parsai. Written almost forty years ago, the 21 stories couldn't be more topical and still inspire a hearty laugh. A not-to-be-missed volume for all who enjoy plurality of language.

Swaraj Ka Shankhaad Siddhartha Shankar Gautam,2022-06-08 A flourishing career, a passionate love affair and a lasting friendship come in the way of an unforgiving disaster. What ensues is a desperate attempt to hold onto the pieces that are falling apart. The pandemic not just ravaged the lives of millions of people but also bolstered the feelings of love, friendship and brotherhood in its wake. When the world was collapsing under COVID-19, a group of youngsters was busy salvaging

humanity. While the Delhiites were adrift on the second wave, the heroic efforts of Rahul, a small-town boy, and Aditi, a gorgeous, affluent and qualified doctor with a benevolent heart, together with the support of the district administration's office proved that not all heroes wear capes. But are these heroes ready to pay the price for providing succour to others? Will they be magnanimous enough to let go of their own dreams, aspirations and even their life as they devote their time and resources to provide relief to strangers? Will their love tide over the unforgiving disaster that has gripped the world?

Harappa 2 Shankar N. Kashyap,2014-09-01 The fall of Shuruppak traces the adventures of our hero, Upaas, as he travels to summer with sage Vasishta and his friend Shushun. Follow the daredevil physician as he fights his way through this epic adventure, while seeking answers to his own questions about life. As the group of travellers move from one peril to another, we recognise our own hidden desires in their search for truth and immortality.

Satyajit Ray's Ravi Shankar Satyajit Ray,2014-04-22 The incredible story of a film that was never made In the 1950s, when Satyajit Ray asked Pandit Ravi Shankar to compose the music for the Apu

Trilogy, he conceptualized a film on the legendary sitarist. He also worked out a detailed storyboard for the film. However, for reasons unknown till now, the film was never made and the project was forgotten. Now, for the first time, Ray's storyboard is available. Together with interviews by both Ray and Ravi Shankar on various aspects of their collaboration and a scholarly introduction, this is truly a collector's edition.

The Tiger by the River Ravi Shankar Etteth, 2002 Swati Varma is one of modern Delhi's more blessed inhabitants. Then on brilliant morning when the world seemed cleansed by the coming of the rains, the unthinkable happens: his pregnant wife is killed in a road accident. Devastated, Swati makes a pilgrimage back to the land of his forebears, Panayur, in the state of Kerala, to scatter his beloved's ashes in the sacred waters of the Papanasini river. Returning to this long-forgotten world, he is reunited with a childhood companion who now cares for the crumbling, ghost-filled palace that was his

home. For Panayur - seemingly still free from the religious turmoil that threatens so much of the country - was once a kingdom, and Swati is the direct descendant of its last king. As two friends talk, share memories and exchange secrets, thousands of miles away, Vel - a cousin Swati never knew he had - sets out on a quest for the truth about his family that will take him from America, to Berlin and, ultimately, to Panayur. And so begins an extraordinary and healing journey. One that will lead both Swati and Vel back through the cruel, vibrant, myth-filled history of the kings of Panayur to the legend that lies at its heart - the legend of the tiger by the river...

Scent of a Story Shankar Ghosh, 2018-07-17 Combining biography and memoir, Shankar Ghosh writes of his father's life as a journalist in his father's own voice. As the longest-serving and the first Indian editor of the second-oldest English newspaper in India, the Pioneer, his father Dr S.N. Ghosh's career matched step with the most profound changes in modern history, including India's coming of age as an independent nation. As a cub reporter for the Pioneer, Dr Ghosh saw the 'whites only' clubs of the British Raj. During the Bengal Famine he was one of the few journalists who wrote about the

disaster, and even helped his wife smuggle grain to Calcutta, then a punishable offence. On the eve of Independence, he wrote the Pioneer's editorial to mark the historic day. In the 1950s he witnessed the beginning of the Ram Janma Bhoomi movement -- after an idol of Ram Lalla appeared surreptitiously in the Babri Masjid. He also chronicled the India--China war and the politicking in an incipient Uttar Pradesh, and had experienced first-hand the Jim Crow years in the US when he travelled in the country. As a journalist Dr Ghosh's personal accounts were many. He loved to tell them and Shankar to listen. Shankar's prose condenses, as a perfumer bottles a fragrance, his father's remembrances, his father's life in romance of a newspaper, and the spirit of an early Lucknow, all for us to get a whiff of those times. As memoirs go, Scent of a Story is a charmer of a book.
