Tuck & Roll Shay Michaelson,2023-09-11 A night out on the town with his brothers was just what he needed. Constantly dodging his ex's calls and text messages was wearing on Tuck. He didn't care what she had to say. He'd ended things with her and nothing she said would change his mind. As his eyes scan the dance floor, they land on a beautiful strawberry blonde woman in a hot little black dress and heels. The way she dances and moves to the music is inspiring. She spins around and he's completely caught off guard to discover that it's Kylie, his friend the computer whiz. Where had she been hiding this version of herself? In his drunken state all he can think is that he has to have her. What's a girl supposed to do when the man she's been half in love with since the very first kiss he gave her at fourteen says he has to have you? You go with him obviously. The night was everything Kylie could have ever hoped for—hot, steamy, earth moving—until he calls her another woman's name and passes out. Devastated, she tries to leave but realizes she has no car. She's all set to call for a cab, but one of his club brothers stumbles across her and offers to give her a ride home. Several weeks go by with no word from Tuck. Then the club president calls and offers her a job, but she's worried about seeing Tuck again. Not only does she see him at the Sons of Redemption clubhouse, she sees him with another woman. Before she can seal the deal on her new job and get out of there, she runs into Tuck and by the time she's done talking to him, she realizes he has no memory of their night together. Unbelievable.

Trick or Treat Shay Michaelson,2022-03-22 Trick may have met his match. The woman in his bed was sexy as hell and up for anything. Two things he found hard to resist. If he hadn't been burned so badly by his ex-wife, he might consider seeing where this fiery attraction between them might lead. Thinking to take advantage of what Lindsey is offering one more time before he tells her goodbye, he's stunned to find her gone from his bed the next morning. He's disappointed but tells himself it's for the best. Spending too much time with a woman like Lindsey might have him doing something stupid, like maybe rethinking his bachelor status. With his plate already filled with trying to figure out his ex's next move, his club being in the process of taking on a support club and having to constantly make sure his kids were safe and well taken care of, he resolves to forget the woman who intrigues the hell out of him. Showing up for his son's parent/teacher conference, he couldn't have been more surprised if he'd been struck by lightning. The woman he couldn't stop thinking about also happened to be his son's teacher. What were the odds? As an elementary school teacher, Lindsey isn't sure there is room in her life for a rough around the edges man like Trick. Sure, they had a physical chemistry that was off the charts, but could it, in all honesty, ever work between them? Not that it was an option. It was all just fantasy and wishful thinking on her part, and it wasn't like she ever planned on seeing the man again. She'd had one glorious night in his bed, and it had been enough to tell her she was playing with fire and if she wasn't careful, she could get burned. Shocked to her core, she almost had a heart attack when he walked into her classroom. Of all the ways she had imagined a chance encounter, never had she thought it would be as a father to one of her students. Holy cow! He was a dad! A hot, sexy, biker dad. Who would have thought? Seeing him again, she is quickly reminded of why she had been so drawn to him in the first place. From his tall frame to his coffee brown eyes to his too long blond hair and his sexy, confident swagger, the man was every woman's deepest darkest fantasy. She is also reminded of something someone once told her about being careful what she wished for because it might just come true. Rats. Maybe she should have taken the advice more seriously.

Jacked & Jaded Shay Michaelson,2023-11-24 Jackson met Calliope when she moved into the house across the street from his parents. He'd thought she was the prettiest thing he'd ever seen, until he found out she was sixteen years old—cue the sound of screeching tires. He immediately put her in the friends only column and that's where he continued to keep her for four more years. One night she catches him home alone. He'd been drinking or he'd never had let things go as far as they did. In a weak moment, he takes her to bed, only to wake up the next morning telling her it never should have happened and it was a mistake, despite the fact she was now twenty years old. Immediately, he sees he's broken her heart, but he couldn't help it. There was eight years between them and he just couldn't get over that fact. Thanks to his unkind words and actions, Calliope gives up and moves to Boulder. At first, he thought it was for the best. It would be good for her to date guys closer to her own age. Then he gets a phone call saying she's been in an accident and is in the hospital. He rushes to her side and quickly sees how his hang-ups have affected her. Realizing he could have lost her forever, and that his entire way of keeping her at a distance was completely jacked and jaded, he decides he doesn't want to live his life without her any longer. He's going to claim her as his, even if he has to fight Calliope herself. He only hopes that the one thing he's been keeping from her doesn't push her away forever.

Race or Ruin Shay Michaelson,2022-12-13 As the president of the Sons of Redemption MC, Race barely has any time to himself. Between juggling all things SORMC related, spending what time he can with his children and constantly keeping an eye out for threats, his personal life has become repetitive and dull. When a friend of the wife of one of his club brothers moves in next door to him, Race is instantly intrigued. He finds himself watching her from his window like a teenage boy, hoping to get any glimpse of her he can get. His children tease him relentlessly and if his brothers at the club ever found out, they'd give him ten kinds of hell. He tries to keep his distance, but for one reason or another, he finds himself in her company more than he intends. He's forced to continually remind himself that there's no place for her in his life. She's too soft and sweet. She isn't old lady material. Or so he thought. Bellamy feels like a complete idiot. Why is she so hung up on the Sons of Redemption MC president? Of all the men in the world, why him? The man is impossible and she swears his only interest in her is to drive her nuts. As her landlord, he takes forever to fix things at her house. He's constantly surrounded by skanky women, one of which shows up on her doorstep, and the worst offense of all was when he stole her refrigerator and her Rocky Road ice cream. Seriously? Who does that? Who steals a woman's ice cream? While Bellamy is trying to figure out if she should pack up and move to another house, one far away from her sexy and infuriating neighbor, things at the club are heating up. Will Race's club life spill over into Bellamy's? Will he be able to protect her from past enemies? Most importantly, will he be able to convince her he has had a change of heart and wants her in his life, now and always?

Irrevocable Shay Savage,2015-05-25 Have you ever made a mistake? A big one? I'm back in Chicago and back in business with my boss, Rinaldo Moretti. So much for my run at a normal life. There are some new faces in the organization, and someone's been cooking the books. Personally? I think they're after more than a just little cash. If I have any hopes of flushing out the traitor, I'm going to need to find a good hooker to help me sleep at night. As the bodies pile up, I find solace in Alina. There's something about her, something different. She understands me without asking a lot of questions. It's as if she's known me for years, yet we've only just met. If I weren't so distracted by business, I'd try to figure out her story. She's the only one keeping me grounded as my world spins out of control. I'm going to lose the one man who has ever meant anything to me - the only man to ever call me son. I want to deny his request, but there is no avoiding what awaits me. I never wanted any of this, but I'm out of options, and time is running out. Some choices have unforeseen consequences, and some choices are simply irrevocable.

Deklan Shay Savage,2017-06-07 My father owes a debt. I am his currency. I'm supposed to marry the recently crowned mafia king of the Foley family as repayment for my father's transgressions. I don't understand why the Foleys would want me, but I've grown up in a crime family, and I know the ugly consequences of not doing what you're told. But as the wedding date approaches, the deal changes, and I'm about to be wed to a man I know nothing about. In fact, I don't even know his last name. Instead of becoming a mafia princess, I'm marrying the henchman. Deklan. After one look at him, I'm not sure I'll survive the wedding night.

The Rise to Fame Shay Stone,2018-05-20 Colin Riley's past wasn't a pretty one. He'd worked hard to bury his demons. So when he crossed paths with Alexandra Vaughn, the daughter of the man who almost destroyed his life, he should have run. But he didn't. Instead, like an idiot, he fell in love. Alex was smart, talented, beautiful, and one of the most infuriating women Colin had ever met. From the second he laid eyes on her, he knew he'd do anything to make her his. Why else would he let her trick him into starring in some play? It was just supposed to be a way to get close to her. How could he have known saying yes to the role would change their lives forever? But that's what happens when Richard Steed - the most sought-after agent in Hollywood swoops in promising to make all their dreams come true. It doesn't take long before the slick agent's true intentions become known turning him into their worst nightmare. Unlinked The Reclaiming Shay Smith,2023-07-28 Libby Thompson faced two months of rigorous therapy after emerging from her coma. She wanted to start over with Richard, but not before getting some answers from the scientist who had put her in a coma, Dr. Fischer. Without responding to her questions, Dr. Fischer does warn her that the Obstinates will stop at nothing to find her. When Libby and Richard visit her uncle, the Obstinates attack, and Libby witnesses Richard killing all three intruders. The assault on the Obstinates' headquarters planned by Mr. Muller and Libby's friends goes off without a hitch until Richard is stabbed, and Libby runs after him when both of them are captured. Richard is then forced to watch as they subject Libby to horrible experiments and torment. The group of friends and Libby's uncle manage to get Richard out of the facility, but they are unable to find and rescue Libby, so they have to abandon her to save Richard. Libby is saved by a nurse named Marley and a security guard named Luke, but she has difficulty recovering when she is taken home. She no longer recognized herself because the organization's experiments had changed her perspective on life. Libby, Richard, and their group of friends, with Marley's help, recruit the police chief and another gang to mount another attack on the Obstinates. With the help of one of his closest friends, Gabriel, Richard begins to lose control and give in to the darkness within, going on a hidden killing spree, killing anyone he can find who is part of the Obstinates, interrogating, torturing, and killing them. Libby is kidnapped on the day of the attack and used in sick experiments, tortured physically, and humiliated. The Obstinates' cruel acts include sending explicit images of Libby's agony to Richard. After weeks of holding and torturing Libby, Richard gets some answers from Dr. Fischer and discovers that they have Libby in an underground bunker. In the hopes that he can rescue her and, more crucially, be there for her and give her hope for their planned rescue, they agree to let Dr. Fischer take Richard in as a captive. The most important thing is to delay handing Libby over to Jack, who intends to horribly mistreat and destroy her until she is hopeless and broken. They manage to rescue Libby just in time, but it's unclear how much of an emotional and psychological toll the ordeal took on her. With Richard's undying love and support, Libby is able to slowly heal and eventually reclaim her body and life from the men who abused her.
