I Shall Always Love You Shilpa Jain, 2018-05-15 Shiv Sanyal is a celebrated artist. When he meets an enigmatic woman, he creates a sculpture of her, his masterpiece. He is shocked when he is publicly humiliated for copying a Khajuraho figurine that looks just like this mysterious woman. He decides to visit Khajuraho to unveil the truth. Stumbling upon revelations and facts long hidden, he discovers his connection to the glorious past of Khajuraho. Unexpected events in Khajuraho and Mumbai force him and his friends to go on a quest to find a hidden treasure with clues in a missing Khajuraho sculpture. They travel across India and visit various ancient temples to find clues leading to the treasure. What is this treasure? Who is compelling them to seek it? Who is Shiv's friend and who is his enemy? How has the universe woven the lives of his friends into his life? *I Shall Always Love You* is a thrilling tale of love that never dies, treasures that lay buried, and truths that go deeper than the seas.

Two Mirrors at the Ashram Shiv Kumar Kumar, 2006 In a secluded ashram in Mullagarhi, arrives Rajesh Sahni - novelist, habitual drinker, womanizer and atheist - in search of characters for his next book. Incapable of believing in the promise of salvation, and contemptuous of godmen, whom he often portrays as rogues and villains in his stories, Rajesh treats his experience in the ashram with scepticism. He flouts all the rules, celebrating temptation and indulging in every worldly desire that he is expected to forsake. Till an unexpected confession by the Swami changes his perceptions. Rajesh becomes the Swami's most trusted disciple, his fellow-traveller on the road to self-discovery. Moving from the isolation of Mullagarhi to the exhilaration of London, Chicago and then Norman, he sheds his scepticism and opens himself to new experiences, meeting a myriad of people, each of whom helps him understand yet another aspect of his

personality. The end of Rajesh's journey, however, is merely the beginning of his quest for inner peace and tranquillity. Two Mirrors at the Ashram explores the nature of desire, violence and faith in a world where human relationships are slowly but surely disintegrating.

Operation India One Shiv Kumar (Crime thriller and historical fiction writer), 2015 Dedicated police officer, ACP Gautam Dhaliwal, takes it upon himself to root out the MAF, a major Naxal organisation based in the remote village of Bhagatpur, Bihar, as part of the Central Government-backed, Operation India One. However, as his investigations progress, he unmasks the official façade of the model of development that he had set out to defend. He is shocked to learn about the ugly nexus of unscrupulous politicians, bureaucrats and businessmen feeding off the oppression of the underprivileged. Torn between his commitment to the Indian State and the sympathy he begins to feel for the distressed people of Bhagatpur, an agonised ACP Dhaliwal is forced to rethink his earlier views on the meaning of an individual's responsibility towards fellow countrymen.

Shiva's Trident R. Rudrappan, 2017-02-21 Mani, a small time house broker in South India, finds out rather painfully he has stepped into a zone exclusively ruled by a local gang-lord, a ruthless individual with good political backing. Beaten and broken, Mani soon becomes one among a battalion of stooges, touts and pimps the gang-lord has inducted into his growing fold. The threat to his little family is the driving force to perform. Fearing for their safety, his wife eventually leaves him, taking with her their daughter. After witnessing a bloody heist that leaves a little girl with near fatal wounds, he sets into motion a slow process of transformation, of rediscovering his lost self and choosing willingly to become, if not the hand, then a weapon of God. To become the Shiva's trident.

Mithilanchal Shiv Jha,2022-09-23 Everyone knows there is something in the air that is impacting every aspect of life in Mithilanchal. One is tempted to call it the cultural renaissance of Mithilanchal. Mithila is a geographical and cultural region located in the Indian subcontinent. It comprises certain parts of Bihar of India and adjoining districts of the eastern Terai of Nepal. We knew how and why Mithila region has always been a source of pride for all Biharis living in the state or outside, but what is new is, be it Mithila painting or preserving heritage such as aripan (a variation of Rangoli) and murals, or making books available to all and sundry, or helping and encouraging the have-nots through myriad awards and recognition instituted recently, the people of Mithilanchal, whether in Bihar or outside, are doing everything to give back to the society.

The Messenger Shiv Malik,2019-08-26 Every reporter knows the first rule of journalism: never betray your source. But what if your source turns out to be unworthy of your silence? What if it's your source who betrays you? The Messenger tells the story of an

unlikely friendship between two men looking to change the world: a repentant jihadist and an idealistic journalist. This troubling real-life thriller takes us from their first meeting in a spartan flat in the rough suburbs of Manchester, to a bombing in Pakistan, a dramatic arrest and Malik's reporting career on the brink of ruin. Ten years later, Malik returns to this extraordinary tale. He asks where we can place our trust -- in reams of evidence, in a government we believe is on our side, in a terrorist who swears he's changed, in a friend who has no one else to turn to. Malik explores the uncomfortable questions about why he, as well as the wider media and the nation, surrendered to fear so easily. And he reveals how the age of terror laid the groundwork for an era of fake news and demagogues. This is investigative journalism and storytelling of the highest order.

Shadow of Man Shiv Vatsya,2020-05-17 In the beginning, we walked along unfamiliar trails in dark, colliding with whatever came in our way scarring us, and the rays of wisdom emanating from the scars shone upon us forging the shadows. This is the story of Shadow of Man, not of any one man, but an aggregate of all men; each one having come from somewhere, passing along one's own twisted trails all converging onto one point. This is the story of an Aggregate Man together with its Aggregate Shadow; living together, tracking the trail of life together, learning to live together.

Disguised Sins Shiv Gangwani,2020-08-19 This book will encourage you to make a reality check of your decisions and choices in life. Many of us try to mud our mistakes to fulfill our desires. We are sometimes urged to make decisions without

considering the consequences. The writer tries to identify some of the sins prevailing in society by picking up relevant storylines. Through sarcastic and metaphoric views, a light has been reflected on the evil acts of mankind. Every sub-story has a message for the society and a request to opt mindfulness by giving up hypocrisy.
