Eden Awakening Adrian Kent, 2021-12-15 A fast paced and action packed Science Fiction thriller. A definite page turner in the tradition of Blade Runner, Elysium and Minority Report. Military action with a twist of genetic manipulation and fast paced action. Like Jack Ryan on steroids, with more action and set in the future! GRIPPING FROM START TO FINISH, DIFFICULT TO PUT DOWN! Rye Braden always knew he was different, even faster and stronger than the other special forces soldiers he had worked with over the years. Now that he was working as a private military contractor fighting conflicts across the globe, he was becoming acutely aware that his capabilities may be more than just what he was born with. In 2054, the world had changed. The United Continents now controlled most of the planet and had meant to rid the world of conflict. However, there would always be those that were opposed to change. With Sky Zone One being commissioned high above the Earth, it meant the privileged had an opportunity to leave the Earth's surface and live in luxury. Anger rose quickly, as those not worthy are excluded from any chance of ever being considered to live their lives on the first Sky Zone. No longer would people stand by and bow down to the United Continents. Something spectacular had to occur to effect change. What begins as a simple

question may turn out to be a dangerous road for Rye and his colleagues. The very answers he is searching for may even become his deadliest enemy in a battle to save millions of lives. Can Rye find the truth about himself in time to fully harness the power he may have? THE FIRST BOOK FROM THE 'RYE BRADEN' TRILOGY
