It assesses the funding mechanisms and robust legal frameworks governing Indonesia's SNGs and tracks a consistent pattern of progress across its provinces towards most of the SDGs. The report shows why Indonesia needs to find ways to accelerate progress in disadvantaged regions such as Papua, ramp up institutional capabilities, and drive partnerships with the private sector to ensure its SNGs reach the SDG targets.

*The Timeless Service of Alpha Kappa Alpha Sorority, Inc.* Upsilon Delta Omega Chapter, 2015-02-17 The essence of this book is to portray a chronological outline of the history of the Upsilon Delta Omega Chapter of Alpha Kappa Alpha Sorority, Inc. The story starts with the interest group that had desires to start an organization in the south Jersey area that would follow the guidelines of Alpha Kappa Alpha

regarding community service. This book will give the reader an overview of the process that it took this particular group of like-minded women to initiate, follow up and execute their plan. Once the chapter became official, the book highlights the various administrations that were elected to guide the members through a series of programs that varied every four years. The programs have been focused on family, education, economic security, social justice and global hunger. The reader will have a better understanding of how the Upsilon Delta Omega Chapter has a mission to have a positive impact on the surrounding communities by offering countless free workshops, hosting picnics and seminars for family shelters and providing scholarships to deserving students that are attending college. **Snapshot** Garry Disher, 2007-07-01 It takes months for Australian social psychologist Janine McQuarrie to succumb to her husband's pressure to attend spouse-swapping parties, but eventually she gives in. Then, driving with her young daughter one day, she gets out of her car to ask directions and is shot and killed. The little girl escapes when the gunman's pistol misfires. Inspector Hal Challis of the Crime Investigation Unit is

assigned the case, but his efforts are thwarted by his boss. The dead woman was Superintendent McQuarrie's daughter-in-law, and he seems to be more interested in protecting his son than in finding his daughter-in-law's murderer. Who might have a motive to kill this attractive young wife and mother? One of her clients? One of the swingers she'd gotten together with at a party? Or, the obvious suspect, her husband?
