Hap Collins and Leonard Pine are best friends, yet they couldn't be more different. Hap is an east Texas white-boy with a weakness for Texas women. Leonard is a gay, black Vietnam vet. Together, they steer up more commotion than a fire storm. But that's just the way they like it. So when an ex-flame of Hap's returns promising a huge score. How to Date Men When You Hate Men Blythe Roberson, 2019-01-08 From New Yorker and Onion writer and comedian Blythe Roberson, *How to Date Men When You Hate Men* is a comedy philosophy book aimed at interrogating what it means to date men within the trappings of modern society. Blythe Roberson's sharp observational humor is met by her open-hearted willingness to revel in the ugliest warts and shimmering highs of choosing to live our lives amongst other humans. She collects her crushes like ill cared-for pets, skewers her own suspect decisions, and assures readers that any date you can mess up, she can top tenfold. And really, was that date even a date in the first place? With sections like Real Interviews With Men About Whether Or Not It Was A Date; Good Flirts That Work; Bad Flirts That Do Not Work; and Definitive Proof That Tom Hanks Is The Villain Of You've Got Mail, *How to Date Men When You Hate Men* is a one stop shop for dating advice when you love men but don't like them. With biting wit, Roberson explores the dynamics of heterosexual dating in the age of #MeToo – The New York Times

Hidden Nature Alys Fowler, 2017-04-06 'An emotional and compelling memoir, that left me inspired, both by her bravery in transforming her life, and by the unexpected beauty she finds along the way' Countryfile Magazine 'Fowler beautifully exposes her emotional fragility while also celebrating the unloved nature of buddleia, herons and even the water rats who take refuge among the locks.' i paper 'Fowler captures the beauty of the canal's dishevelled, neglected condition...' Times Literary Supplement 'Thoughtful and heartbreakingly honest ...Beautiful' Press Association 'An astounding memoir' Gay Star News 'Hidden Nature is one of the most thrilling things I've

read in a long time' Waterways World 'She writes wonderfully about the species that have carved out a place for themselves amid the discarded shopping trolleys, condom packets and industrial waste' Guardian 'This candid book is as much about mapping the heart as it is about mapping the paths of waterways. Lovely.' Simple Things 'A beautiful memoir' Good Housekeeping 'Gentle, brave and acutely observant' Woman's Weekly Leaving her garden to the mercy of the slugs, the Guardian's award-winning writer Alys Fowler set out in an inflatable kayak to explore Birmingham's canal network, full of little-used waterways where huge pike skulk and kingfishers dart. Her book is about noticing the wild everywhere and what it means to see beauty where you least expect it. What happens when someone who has learned to observe her external world in such detail decides to examine her internal world with the same care? Beautifully written, honest and very moving, Hidden Nature is also the story of Alys Fowler's emotional journey and her coming out as a gay woman: above all, this book is about losing and finding, exploring familiar places and discovering unknown horizons.

Una temporada salvaje Joe R. Lansdale, 2018-04-11 «Violencia, aventuras, amistad, humor oscurísimo. Una combinación que funciona y que tiene a la novela negra como centro». Natalia Marcos, El País Hap Collins es un tipo blanco, mujeriego y exconvicto por negarse a combatir en Vietnam. Leonard Pine es veterano de esa misma guerra, negro y gay. Hap y Leonard son los mejores amigos del mundo en el Texas de los años ochenta. Y también los más desastrosos. Trabajan mucho, ganan muy poco y practican artes marciales en su tiempo libre. Pero de pronto Trudy y su melena rubia regresan a la vida de Hap. Se avecinan problemas, piensa Leonard. Y tiene razón, esa mujer siempre lo complicaba todo. Pero ahora tiene una propuesta: un montón de dinero fácil

enterrado cerca del río Sabine. Hay que reconocer que las cosas se ponen interesantes... Una temporada salvaje, la novela con la que Hap y Leonard irrumpieron en la escena del thriller, es violencia, acción y humor ácido, es camaradería, desmadre y villanos sanguinarios, es un cóctel explosivo de noir sureño y del pulp más gamberro. Caos total al estilo texano.

Day of Atonement Faye Kellerman,2009-03-17 Peter Decker of the L.A.P.D. never dreamed he'd be spending his honeymoon with his new wife, Rina Lazarus, in an Orthodox Jewish enclave in Brooklyn, New York -- or that a terrible event would end it so abruptly. But a boy has vanished from the midst of this close-knit religious community, a troubled youth fleeing the tight bonds and strictures he felt were strangling him. The runaway, Noam, is not traveling alone. A killer has taken him under his wing to introduce Noam to a savage world of blood and terror. Let's Talk About Love Claire Kann,2018-01-23 Striking a perfect balance between heartfelt emotions and spot-on humor, this debut features a pop-culture enthusiast protagonist with an unforgettable voice sure to resonate

with readers. Alice had her whole summer planned. Nonstop all-you-can-eat buffets while marathoning her favorite TV shows (best friends totally included) with the smallest dash of adulting—working at the library to pay her share of the rent. The only thing missing from her perfect plan? Her girlfriend (who ended things when Alice confessed she's asexual). Alice is done with dating—no thank you, do not pass go, stick a fork in her, done. But then Alice meets Takumi and she can't stop thinking about him or the rom com-grade romance feels she did not ask for (uncertainty, butterflies, and swoons, oh my!). When her blissful summer takes an unexpected turn and Takumi becomes her knight with a shiny library-employee badge (close enough), Alice has to decide if she's willing to risk their friendship for a love that might not be reciprocated—or understood. Claire Kann's debut novel *Let's Talk About Love*, chosen by readers like you for Macmillan's young adult imprint Swoon Reads, gracefully explores the struggle with emerging adulthood and the complicated line between friendship and what it might mean to be something more. Praise for *Let's Talk About Love* from the Swoon Reads community: "A sweet and beautiful journey about self-discovery and identity!" —Macy Filia, reader on SwoonReads.com "There aren't many novels that have asexual characters and it's something people need more of." —Alice, reader on SwoonReads.com "I want this on my shelf where I can admire it every day." —Kiara, reader on SwoonReads.com

Towards a Sociology of Selfies Maria-Carolina Cambre, Christine Lavrence, 2023-02-17 This book examines selfies as a relational and processual networked social practice, performed between people within digital contexts and that involve online/offline intersections and tensions. It offers an analysis of selfies through a rich and interdisciplinary framework, that explores the ritualized and affective engagements selfies provoke from others. Given that selfies by definition are shared and posted through networked platforms, they complicate notions of traditional photographic self-portraiture. As such, this book explores how selfies invoke broader, stratified patterns of looking that are occluded in discourses of empowerment and visibility, as well as the subjectivities these networked practices work to produce. Drawing on extensive qualitative research conducted over a period of three years, this book questions not only what selfies are but what they do, the worlds they create, the imaginaries that organize them, and the flows of desire, affect and normativity that underpin them, questions that can only be addressed through research that closely attends to the experience of selfie-takers. It will be of interest to those working in the fields of Sociology, Cultural studies, Communications, Visual Studies, Social Media

studies, Feminist research and Affect Theory.
