It is a the story of India's political struggle to get total freedom from the British Raj. The many sacrifices made by our great young martyrs and political leaders. The Indian Army's contribution and sacrifices during the Second World War and the emergence and death of the Indian National Army under Subhas Chander Bose and it covers the period 1920--1947 upto Independence..

*Diary Poems and Story Teller's Rhymes* Sonjoy Dutta-Roy, 2012-08-03 *Diary Poems and Story Tellers Rhymes* continues two traditions of poetry into contemporary times: (a) the oral tradition where fables, parables, and myths are narrated in rhymed verse, both for instruction and entertainment; (b) the introspective and reflective written tradition where deep personal concerns emerge in heightened rhythm and rhyme, through images, metaphors, and symbols. This book blends these two traditions, maintaining a distinction all the time. Some of the fables are originally created out of contemporary issues. "Poach Tantra" takes up the problem of poaching through an animal fable in the Panchtantra tradition. Others like "The Snake Story," "The Comet Avatar," and the "Katha Serial Saga" (a contemporary retake on the frame story of Kathasaritasagar) are remakes of ancient myths to suit the contemporary times. The *Diary Poems* are actually diary poems preserved through a period of intense personal crisis and transition. Together with the *Story Tellers Rhymes*, they try to juxtapose the complex and intricate relationship between the objective and the subjective worlds in which we simultaneously exist. For example, "Curtain Calls" is a meditation after the death of the poet's parents in quick succession in 2010. "Poach Tantra" that follows is a grandfather's tale to a granddaughter from an earlier date. At the same time,

one sincerely hopes that they are able to continue into these troubled contemporary times, and in an age dominated by prose and reason, the wonder and beauty and possibilities of poetry as narrative and poetry as introspection.

Communities of Women in Assam Nandana Dutta, 2015-12-22

This book uses communities of women as a framework for reading women's experience, rights and aspirations in Assam and Northeast India. It explores the varying roles played by such communities in the formation of society, the emergence of a women's public sphere and the representation of these communities in culture. The essays in the volume study a host of women's communities including the Mahila Samiti, Jain women's organisations, Lekhika Sanstha, lesbian communities, religious gatherings, scientific and environmental groups, women's collaborations through cookbooks, as well as nebulous communities of victims of persecution. They examine how women's communities are both empowering and transformational but may paradoxically also be regressive and static. Lucid, analytical, and rich with case studies, this volume will be useful to scholars and researchers of gender studies, sociology, political science, history and cultural studies, particularly those interested in Northeast India.

**Pure Sequence** Paro Anand, 2011-01-31 Pure Sequence is not a beginning, middle and end kind of novel, but rather a story of women in their twilight years; aglow with their past, learning to cherish their present and not worrying too much about the future. It is about the realities that confront us all, sooner or later. Those who leave their parents to lead their own lives; those whose own children are flying out of the nest; those who are forced into believing that their life is done behind them; to those who admire the strength and fortitude of their grandmothers. Pure Sequence is about the quiet confidence of women growing old gracefully or otherwise, realizing that they are in yet another prime of their lives.

*Quantum Collisions and Confinement of Atomic and Molecular Species, and Photons* P. C. Deshmukh, E. Krishnakumar, Stephan Fritzsche, M. *A Hole In Our Hearts* Vonda Peterson, Kelly Neville, Vonda Peterson has a secret. After becoming pregnant in her teens, Vonda hides her pregnancy from her parents and puts her child up for adoption. For the next forty years, she imagines what his life must be like and how hers would have been with him. Even after marrying and having two more children, she celebrates his birthday every year. She keeps this secret from her children until she can't any longer. But will her family accept her truth? While we learn of Vonda's life through the years, we also see the happy childhood and turbulent adolescence of Kelly with his unknown-to-him adoptive parents in Rhodesia. The story follows his many adventures from being "groomed by a gay man, groomed to hate and to kill by a country, groomed by a cult." Kelly's struggles lead him down numerous unimaginable paths that you can't help but wonder: will he ever find where he truly belongs? Co-authored by mother and son, *Hole in Our Hearts* is a memoir about perseverance, belonging, and speaking truths. Their stories show

how two seemingly separate lives are entwined, connected beyond time and geographical distance, and slowly propelling towards one another until they finally meet.

A Dynamic Modernity Seema Bhaduri,2022-09-22 This book compares selected Indian novels with their Western models, to trace the differences appearing in them to the traditions of thought and understanding that had influenced the respective world-views. Beginning with a survey of the rise of modernity in India, this book presents a comparative review of Western and Indian ontological interpretations of the major themes governing these novels. These novels in Bengali, Hindi and English experiment with the form of the Western psychological novel to portray the individual's private thoughts and experiences realistically. They represent that body of fiction which dwells on the different aspects of the rise of the modernist Indian temperament under British influence. The novels map nearly half a century of the individual's struggle for meaning and freedom in a society trapped between history, tradition and westernization. Using free translations, this book illustrates the novelists' methods of improvisation with Western themes, styles and techniques to portray the Indian understanding of selfhood, art, and reality. The concluding comparative poetics discusses in a comparative perspective, the poetic principles underlying the novelists' assimilation, comparison, and parody of the Western texts. A mutual comparison of the Indian novels illustrates the diversity

that characterizes the cross-cultural experience of Indian modernity. Reviews: *A Dynamic Modernity: Adaptation and Parody in Six Twentieth Century Indian Novels* is a seminal contribution to the study of literary reception and transformation in the field of comparative literary studies in India. It engages with the stream-of-consciousness novels in Western and Indian literatures, and the choice of the genre becomes important as it allows the reader to rethink questions of modernism, the philosophy of the self in the cultures concerned, representation and realism, and differences embedded in concepts of aesthetics in different cultures. - Subha Chakraborty Dasgupta Former Professor of Comparative Literature, Jadavpur University A welcome and useful study, competently handled, offering analysis of some of the most outstanding fiction writers. - G.
