Sonny Darren Hunter, Sonny Averona Jr, 2020-01-31 This is the riveting story of legendary South Philly crooner and nightclub owner Sonny Averona. His life was one of ambition, gambling, and rise to near the top of the entertainment world. Mr. Averona started out rebuilding transmissions and then went on to open an automobile junkyard business. The place became a hub for those guys and as one-by-one, they fell, Sonny managed to dodge the Mob hits and live on - even with the cops and Feds hot on his trail. Sonny launched a singing career that began at Palumbo's iconic South Philly restaurant and before long he was performing in the casinos of Atlantic City and Las Vegas. Sonny's pals included Frank Sinatra, Tom Jones, and Joe Frazier. Sonny was on the verge of international stardom when he was featured on the front cover of the entertainment section of the New York Times. His wife Roseann liked to say that Sonny was one in a billion. This is his incredible story as told by his son Sonny Averona Jr and Million Day Forecast author Darren Hunter.

(2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Sonny Liston Was a Friend of Mine Thom Jones, 2009-11-29 The author's world encompasses dilapidated fight arenas, state mental hospitals & chaotic emergency rooms. The inhabitants are his brilliantly etched characters, who battle desperately against fate in a game of life they cannot win but dare not lose. As we approach the end of the century & the millennium, no one writes better or more vividly than Jones does about the personal, private apocalypses we all face in our darkest moments. In one story, a Vietnam vet, a Recon Marine, swims alone across the English Channel, the Straits of Gibraltar, & the Bosphorus to maintain the edge that kept him alive in wartime - & that is all he now has left. In another, a brilliant doctor verges on a breakdown. In the title story, a young amateur fighter stoically endures repetitive beatings because he knows the world of boxing shields & protects him from the even crueler world outside of the ring. A number of these stories have appeared in different forms in the New Yorker, Playboy, & Esquire.

The Murder of Sonny Liston Shaun Assael, 2016-10-18 The basis for SHOWTIME Sports

Documentary Pariah: The Lives and Deaths of Sonny Liston A daring investigation into the mysterious death of Heavyweight Champion Sonny Liston, set against the dawn of the 1970s, when the mob was fighting to keep control of the Las Vegas Strip, Richard Nixon was launching America's first war on heroin, and boxing was in its glory days. On January 5, 1971, Sonny Liston was found dead in his home—of an apparent heroin overdose. But no one close to Liston believed that his death was accidental. Digging deep into a life that Liston tried hard to hide, investigative journalist Shaun Assael treats the boxer's death as a cold case. The result is a page-turning whodunit that evokes a glorious and grimy era of Las Vegas. Elvis Presley was playing two shows a night at the International. Howard Hughes was running his empire from the penthouse suite of the Desert Inn. And middle America was flocking to the Strip, transforming it from an exclusive playground for the mob to a mecca for corporate dollars. But the city was also rotting from within. Heroin was pouring over the border from Mexico, and the segregated Westside was on the cusp of a race war. The cops, brutally violent, were barely holding it together. Driving through town with the top of his pink Cadillac down, Sonny Liston was the one celebrity who was unafraid to bridge the two sides of Las Vegas. Cashing in on his fading notoriety in the casinos, he was dealing drugs, working for a crime syndicate, and trying to break into Hollywood—all with a boxer's faith that he could duck any threat, slip any punch. Heroin addiction was the only knockout blow he didn't see coming. The Murder of Sonny Liston takes a fresh look at the legendary boxer, the town he called home, and one of America's most enduring mysteries.

The Devil and Sonny Liston Nick Tosches,2000 The anti-Ali, Sonny Liston represents everything that is compelling and terrifying about boxing. An overwhelmingly powerful fighter, Liston rose from a desperately poor childhood to street criminal to world heavyweight champion. He then became the pawn of a series of criminal organizations and was shadowed throughout his life by government investigations, arrests, and the rumor of corruption. The Devil and Sonny Liston is not just the biography of a boxer; it is one of the greatest organized-crime stories ever told and confirms Tosches place as one of the most powerful and original writers of our time. Tosches acclaimed biography of Dean Martin, *Dino*, sold more than 110,000 copies From the rappers Wu-Tang Clan to writer Thom

Jones, people are fascinated by Sonny Liston and by boxing in general. King of the World by David Remnick sold more than 100,000 copies. Tom Cruises Cruise/Wagner Productions is at work on a movie based on this book. A collection of Tosches best writing, The Nick Tosches Reader, is due out in 2000. Tosches is a contributing editor of Vanity Fair.

Sonny Danny Falcone,2013-02-28 What happens when you mix a beautiful socialite and a mafia solidier? Sonny is an insider's view of a mobster's world torn by different loyalties, competing priorities and above all, the need to stay alive. It's a fast-paced tale of romance, passion, violence, revenge and betrayal where paradoxically the Mafia underworld and the world of high society mix perfectly. With its roots in the New York Mafia, the story unfolds against the counterpoint of high society and wealth. The two worlds collide and lives change, some for better, some for worse. All scores are settled and the stage is set for the next battle as the book concludes with a happy ending, for most Sonny is the debut novel in a continuing series where Santino Caperelli (Sonny Cap) has one foot in the upper echelons of organized crime and the other foot out the door, running the streets and answering to no one. Sonny is capable, charming, and ruthless when he has to be. The story begins with a chance encounter in Central Park between Sonny and a little girl. Her socialite mother and psychopathic stockbroker boyfriend weave an unexpected and dangerous relationship into Sonny's life. A mob war, a high energy trial and the score of a lifetime pull him from the grim reaper's grasp and catapult him to the top of the world, Sonny's World Sonny is one of a series of four.

Sonny Girard's Mob Reader Sonny Girard,2013-01 Sonny Girard's Mob Reader is the ultimate organized crime primer from someone who's actually spent his entire life as an insider and writes without confessions. Unlike mob turncoats (i.e.: rats) he writes authentically without self-serving, gratuitous excuses. His old friends, whoever's left, are still his best friends. Mob Reader contains his original articles, short snapshots of mostly unknown characters, reviews of his favorite mob books, letters from visitors to www.SonnysMobCafe.com, and sample pages of his previously published novels. Alternative Measures Sonny Girard,2013-05 What happens when organized crime has been wiped out in a city like Philadelphia? Does that mean crime is done, or is the crime left in the wake of the mob's demise too chaotic for the city to handle? In *Alternative Measure*, when the Mayor, who is running for Governor, is unable to deal with the random violence that grips his city, he comes up with alternative measures, to have imprisoned mobsters released to recapture their neighborhood so he can concentrate his police force in others.
