*Legend Tripping* Lynne S. McNeill, Elizabeth Tucker, 2018-11-30 Legend Tripping: A Contemporary Legend Casebook explores the practice of legend tripping, wherein individuals or groups travel to a site where a legend is thought to have taken place. Legend tripping is a common informal practice depicted in epics, stories, novels, and film throughout both contemporary and historical vernacular culture. In this collection, contributors show how legend trips can express humanity's interest in the frontier between life and death and the fascination with the possibility of personal contact with the supernatural or spiritual. The volume presents both insightful research and useful pedagogy, making this an invaluable resource in the classroom. Selected major articles on legend tripping, with introductory sections written by the editors, are followed by discussion questions and projects designed to inspire readers to engage critically with legend traditions and customs of legend tripping and to explore possible meanings and symbolics at work. Suggested projects incorporate digital technology as it appears both in legends and in modes of legend tripping. Legend Tripping is appropriate for students, general readers, and folklorists alike. It is the first volume in the International Society for Contemporary Legend Research series, a set of casebooks providing thorough and up-to-date studies that showcase a variety

of scholarly approaches to contemporary legends, along with variants of legend texts, discussion questions, and projects for students. Contributors: S. Elizabeth Bird, Bill Ellis, Carl Lindahl, Patricia M. Meley, Tim Prizer

Boy Culture [2 volumes] Shirley R. Steinberg, Michael Kehler, Lindsay Cornish, 2010-06-17 In this two-volume set, a series of expert contributors look at what it means to be a boy growing up in North America, with entries covering everything from toys and games, friends and family, and psychological and social development. Boy Culture: An Encyclopedia spans the breadth of the country and the full scope of a pivotal growing-up time to show what a boy's life is really like today. With hundreds of entries across two volumes, it offers a series of vivid snapshots of boys of all kinds and ages at home, school, and at play; interacting with family or knocking around with friends, or pursuing interests alone as they begin their journey to adulthood. Boy Culture shows an uncanny understanding of just how exciting, confusing, and difficult the years between childhood and young adulthood can be. The toys, games, clothes, music, sports, and feelings—they are all a part of this remarkable resource. But most important is the book's focus on the things that shape boyhood identities—the rituals of masculinity among friends, the enduring conflict between fitting in and standing out, the effects of pop culture images, and the influence of role models from parents and teachers to athletes and entertainers to fictional characters.

Man Made Meals Steven Raichlen, 2014-05-06 Steven Raichlen really knows the pleasure men get from cooking, the joy they take in having the skills, the need to show off a little bit. His Barbecue! Bible books have over 4.7 million copies in print—and now he leads his readers from the grill into the kitchen. Like a Joy of Cooking for guys, Man Made Meals is everything a man needs to achieve confidence and competence in the kitchen. Man Made Meals is about the tools and techniques (guess what, grillers, you still get to play with knives and fire.) It's about adopting secrets from the pros—how to multitask, prep before you start cooking, clean as you go. It's about

understanding flavor and flavor boosters, like anchovies and miso, and it's about essentials: how to shuck an oyster, truss a chicken, cook a steak to the desired doneness. It's about having a repertoire of great recipes (there are 300 to choose from), breakfast to dessert, to dazzle a date, or be a hero to your family, or simply feed yourself with real pleasure. These are recipes with a decided guy appeal, like Blowtorch Oatmeal, Fire-Eater Chicken Wings, Black Kale Caesar, Down East Lobster Rolls, Skillet Rib Steak, Porchetta, Finger-Burner Lamb Chops, Yardbird's Fried Chicken, Blackened Salmon, Mashed Potatoes Three Ways, and Ice Cream Floats for Grown-Ups.

**Odds** Tambler Wallace, 2022-05-10 A frantic father, a mysterious container, and a serendipitous encounter with an especially talented soldier of fortune come together for an international reckoning. The circle of life becomes a Mobius strip. Odds When a man retires and becomes a multimillionaire, he learns that his money can't buy miracles, but it can buy a measure of revenge. His struggle to understand and overcome a devastating loss culminates in a glimmer of hope for maintaining connections to the dearly departed. As he immerses his mind and his money into a search for the soul and the paths it takes through multiple lifetimes, he sees as he gets closer just how far away the answer is: beyond any mortal's reach. He enlists the help of a warrior with a special power and falls for a deceased DEA agent. In

the desert hills of Mexico, evil and justice meet as past and present lives become intertwined in the search for the immortal soul. Ultimately, through a chance reunion, he learns that success in life and success at living are two very different things, that some broken hearts never heal, and that some hearts never break. What are the odds of discovering a lost progeny reanimated as a not-so-total stranger?

A Taste of Upstate New York Chuck D'imperio, 2015-04-14 Upstate New York is the birthplace of many of America's favorite foods. The chicken wing was born in a bar in Buffalo, the potato chip originated in the kitchen of a glitzy Saratoga Springs hotel, the salt potato got its start along the marshy shores of a Syracuse lake, and Thousand Island dressing was created in a hotel along the St. Lawrence Seaway. In this book, D'Imperio travels across the region to discover the stories and people behind forty iconic foods of Upstate New York. He introduces readers to the black dirt farmers of Orange County who give America its best-tasting onions, to the Catskill's Candy Cane King, and to Charlie the Butcher, purveyor of the best beef on weck in the state. Filled with color photographs, the book includes a map of the various regions

around Upstate New York, allowing readers to create their own cultural and historic food tour.
