

Spy Viking Stopper

Anthony Read, David Fisher

Viking Spy Kris Tualla, 2019-02-07 Widower Holten Hansen was too young to fight in the first World War, but by the time the United States gets pulled into World War Two he's 38, and too old to enlist until the American Army created the independent 99th Battalion in 1942. Intended to liberate Norway from Hitler's tyrannical occupation, age wasn't a concern as long as the volunteer was fit. And fluent in Norwegian. Holt dusts off his Norsk and inquires about the opportunity. Hiding a devastating injury, he enlists that same day. He soon heads off to winter training at Camp Hale in the Colorado Rockies, leaving behind a bravely stoic Raleigh Burns, his first chance at love since his wife was killed. The high altitude regimen at Hale is brutal and Holt struggles daily to hide his infirmity, and pushes himself without mercy in spite of his pain. When the chance to join the Office of Security Services is presented, Holt applies to become an OSS spy and improve his odds for actually deploying into Norway.

Viking Revolt Gavin Chappell, 2019-12-21 A historical spy thriller set against the savage backdrop of Viking Age Scandinavia. Nine years after King Harald Finehair's decisive victory over viking rebels, a king's man has been murdered in Rogaland. Gest, an agent of the king's spies known as the Gestasveit, is despatched to identify the killers and bring them to justice. But in his attempts to solve the mystery, he uncovers evidence of a far more serious crime: a plot against the king himself. Racing against time, Gest must struggle to uncover the truth in a murky Viking Age world of spies and traitors. And he soon learns that the kingdom itself is at stake...

The Burned Spy K.A. Krantz, 2018-01-30 Gods. Always ready to screw you. When Bix the Gatekeeper is summoned from exile a hundred and seventy years early by the goddess of the Norse Under World, the former Dark Ops agent knows there's a catch. On the surface, the terms of the

deal are simple. Someone attacked the pantheon's ambassador to the Mid Worlds and left the ambassador in a coma. In exchange for early parole, Bix must identify the perpetrator and drag their soul to Hel. It'd be a sweet contract, if not for the details. The ambassador is Bix's ex-girlfriend, the lead suspect is the key witness from Bix's trial, and the organization leading the official investigation is the same intelligence guild that disavowed Bix when a covert op went pear-shaped. Undeterred, Bix returns to her old stomping grounds where clues in the smoldering woods of Centralia, Pennsylvania, lead to the waterfront of Washington, DC, and Worlds beyond. Once valued for her skills creating passageways as small as a capillary or as large as a continent, Bix's success now depends on the relationships she was forced to abandon. As she squares off against friends who betrayed her and enemies keen to destroy her, Bix follows a trail of secrets, torture, and treason that leads to the very superpowers who banished her. With her freedom on the line and revenge within reach, this highly-trained operative will take on Fates, dragons, angels, and gods to get exactly what she wants. Hel hath no fury like a burned spy.

Viking Vengeance Gavin Chappell, 2019-12 A historical spy thriller set against the savage backdrop of Viking Age Norway. Nine years after King Harald Finehair's decisive victory over viking rebels, a king's man has been murdered in Rogaland. Gest, an agent of the king's spies known as the Gestasveit, is despatched to identify the killers and bring them to justice. But in his attempts to solve the mystery, he uncovers evidence of a far more serious crime: a plot against the king himself. Racing against time, Gest must struggle to uncover the truth in a murky Viking Age world of spies and traitors. And he soon learns that the kingdom itself is at stake!

The Viking Spy's Prize Kennedy Thomas, 2023-07-28

Northern Spy Flynn Berry, 2021-06 Tessa is at work one day when the news of another IRA raid

comes on the air. The IRA may have gone underground in 1998, but they never really went away, and lately, bomb threats and security checkpoints have become features of everyday life. As the news reporter requests the public's help in locating those responsible for this latest raid -- a robbery at a gas station -- Tessa's sister, Marian, appears onscreen. She watches in shock as Marian pulls a black ski mask over her face.

A Legacy of Spies John Le Carré, 2017 Peter Guillam, staunch colleague and disciple of George Smiley of the British Secret Service, otherwise known as the Circus, is living out his old age on the family farmstead on the south coast of Brittany when a letter from his old Service summons him to London. The reason? His Cold War past has come back to claim him. Intelligence operations that were once the toast of secret London, and involved such characters as Alec Leamas, Jim Prideaux, George Smiley, and Peter Guillam himself, are to be scrutinized by a generation with no memory of the Cold War and no patience with its justifications. Interweaving past with present so that each may tell its own intense story, John le Carré has spun a single plot as ingenious and thrilling as the two predecessors on which it looks back: *The Spy Who Came in from the Cold* and *Tinker Tailor Soldier Spy*.

The Spy who Jumped Off the Screen Thomas Caplan, 2012 Recruited on a clandestine mission to thwart the transfer of nuclear warheads into rogue hands, covert operative turned A-list movie star Ty Hunter uses all his skills as a spy, soldier and actor to match wits with an enigmatic billionaire, the billionaire's nefarious protégé and an entrancing jewelry designer.

To Catch a Spy Chris Scott, 1978

Viking Vengeance Griff Hosker, 2018-06-15 While Jarl Dragonheart raids the Empire his homeland is attacked. Taking his warriors he embarks on a war of revenge. He takes on the might of

Wessex. When he discovers he has been betrayed he must search out the traitors and spies who hide behind smiling faces.

Colonel Z: the Life and Times of a Master of Spies Anthony Read, David Fisher, 1984

Sensitive New Age Spy Geoffrey McGeachin, 2007 All Alby wants is a decent coffee and a day off. But there's a hijacked tanker with a deadly cargo in Sydney Harbour, and bullets are flying on board a US Navy cruiser. Three sailors are dead and a Seahawk chopper is missing. Who's behind the mayhem? Why is the government intent on shutting down Alby's investigation? What's the connection to the smooth-talking Reverend Friday, spiritual leader to the upwardly mobile? And can Alby trust Lieutenant Kingston, a weapons specialist with the longest legs he's ever seen on a sailor and not a tattoo anywhere on her stunning body? Special agent Alby Murdoch, reluctant hero of the riotous D-E-D Dead!, is right back in the thick of things in another hilarious, page-turning romp. Visit YouTube and watch the trailers Sensitive New Age Spy D-E-D-Dead!

Spying Mark Albertson, 2021-08-13 When two sailors are murdered trying to sell classified materials to the Soviet Union, the Naval Investigative Service determines there might be a massive leak of intelligence from one navy ship. They decide the only way to investigate the possible hemorrhage of information is to place someone into the radio shack of the flagship of the Seventh Fleet Commander, the USS Oklahoma City. Because of his unique training and recent combat experience in Cambodia, the choice is clear for the NIS: Radioman Matthew Bert Bertram. He has the skills both as a radioman and field agent, and The NIS believes he is the only one capable of stopping the spies. In this sequel to the praised Novel Steaming: A Sea Story, author Mark David Albertson enthralls his readers with another page-turning thriller filled with twists, turns, and surprises around every corner. Mark David Albertson takes his readers on yet another thrill-ride

story of spies, treason, murder, and intrigue. Spying: A Sea Story is an adrenaline rush of quirky characters, humor, and edge-of-the-seat thrills, with plot twists nobody expects.

Colonel Z Anthony Read, David Fisher, 1985 Recounts the career of Lieutenant Colonel Sir Claude Marjoribanks Dansey, one of the most important and controversial figures in the world of espionage during the first half of the twentieth century

Vikings of Gloves Robert E. Howard, 2022-11-13 Sailor Steve Costigan is a merchant sailor on the Sea Girl and is also its champion boxer. His only true companion is a bulldog named Mike (after his brother and fellow boxer, Iron Mike Costigan). Costigan, one of Howard's humorous boxing pulp heroes, roamed the Asiatic seas with fists of steel, a will of iron, and a head of wood. A striking contrast between Howard's barbarians and swordsmen, Costigan was a modern-day character, written in a humorous, Texas tall tale style. This edition includes: The 'Sailor Steve Costigan' Stories: The Pit of the Serpent The Bull-Dog Breed Sailor's Grudge Fist and Fang The Iron Man Winner Take All Waterfront Fists Champ of the Forecastle Alleys of Peril The TNT Punch Texas Fists The Sign of the Snake Blow The Chinks Down! Breed of Battle Circus Fists Dark Shanghai Vikings of the Gloves Night of Battle The Slugger's Game General Ironfist Sluggers of the Beach Other Boxing Stories: The Apparition in the Prize Ring Alleys of Darkness Cupid vs. Pollux The Iron Man

The Last Supper Charles McCarry, 2008-01-29 To solve his lover's murder, a spy must investigate his own checkered past in a thriller that spans from Weimar Germany to Cold War Vietnam. CIA Agent Paul Christopher is used to the feeling of dread. So he doesn't think much of Molly Benson's concerns as he leaves her bed in Paris for a quick trip to Vietnam. But minutes after Christopher boards the jet, his lover falls victim to a vehicular homicide. To explain this seemingly senseless murder, *The Last Supper* takes its readers back not only to the earliest days of

Christopher's life, but also to the origins of the CIA in the clandestine operations of the OSS during World War II. Moving seamlessly from tales of refugee smuggling in Nazi Germany, to guerilla warfare in Burma, to the chaotic violence of the Vietnam War, McCarry creates an intimate history of espionage, and the shadow world of deceit and betrayal in which it operates.

Clearer, Closer, Better Emily Balcetis, 2021-02-23 Successful people literally see the world differently. Now an award-winning scientist explains how anyone can leverage this “perception gap” to their advantage. “Get ready for this book to change how you see everything you see.—Adam Grant, New York Times bestselling author of *Originals* and *Give and Take* When it comes to setting and meeting goals, we may see—quite literally—our plans, our progress, and our potential in the wrong ways. We perceive ourselves as being closer to or further from the end than we may actually be depending on our frame of reference. We handicap ourselves by looking too often at the big picture and at other times too long at the fine detail. But as award-winning social psychologist Emily Balcetis explains, there is great power in these misperceptions. We can learn to leverage perceptual illusions if we know when and how to use them to our advantage. Drawing on her own rigorous research and cutting-edge discoveries in vision science, cognitive research, and motivational psychology, Balcetis offers unique accounts of the perceptual habits, routines, and practices that successful people use to set and meet their ambitions. Through case studies of entrepreneurs, athletes, artists, and celebrities—as well as her own colorful experience of trying to set and reach a goal—she brings to life four powerful yet largely untapped visual tactics that can be applied according to the situation. Narrow your focus: Closing the aperture of your attention helps you exercise effectively, save money, and find more time in your day. Widen the bracket: Seeing the forest instead of the trees reduces temptations and helps you recognize when a change of course is

in order. Materialize your plan and your progress: Creating checklists and objective assessments inspires better planning and adjusts your gauge of what's really left to be done. Control your frame of reference: Knowing where to direct attention improves your ability to read others' emotions, negotiate better deals, foster stronger relationships, and overcome a fear of public speaking. A mind-blowing and original tour of perception, Clearer, Closer, Better will help you see the possibilities in what you can't see now. Inspiring, motivating, and always entertaining, it demonstrates that if we take advantage of our visual experiences, they can lead us to live happier, healthier, and more productive lives every day.

Stone Rose Carol Townend, 2013-12-01 THE FIRST BOOK IN A PASSIONATE AND POIGNANT STORY OF A FAMILY FEUD IN TWELFTH CENTURY BRITTANY. WILL LOVE AND INNOCENCE TRIUMPH? The illegitimate daughter of a knight and his concubine, Gwenn Herevi has all the innocence of youth. But she grows up quickly when a festering family feud erupts into violence, pitting her father against her uncle. At stake are the family lands in Brittany. Into this scenario come Captain Alan le Bret and his cousin Ned Fletcher, mercenaries from England in the pay of Gwenn's uncle. One woman, two men - passions run high as their lives become entangled and choices must be made. A richly detailed evocation of living and loving in the twelfth century.

Fall of Giants Ken Follett, 2011-08-30 Ken Follett's magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. A thirteen-year-old Welsh boy enters a man's world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson's White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden

territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, *Fall of Giants* takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . .

Defying Hitler Gordon Thomas, Greg Lewis, 2019 Nazi Germany is remembered as a nation of willing fanatics, but countless Germans actively resisted Hitler. No matter how small the act, the danger was the same: any display of defiance was met with arrest, interrogation, torture, and even death. Thomas and Lewis follow the underground network of Germans who believed standing against the Fuhrer to be more important than their own survival. Their bravery is astonishing, and the authors illuminate their struggles, yielding an accessible narrative history with the pace and excitement of a thriller. -- adapted from jacket.

Discover tales of courage and bravery in is empowering ebook, **Unleash Courage in Spy Viking Stopper** . In a downloadable PDF format (Download in PDF: *), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
