

SteelBits

Metallurgical Society of AIME.

Leather Saddles Frank Temple,2013-06-01 Western fiction is the classic American genre. It is folklore. Looking for years at the great film products of Hollywood with respectful envy and fond admiration, I am aware that I will never be involved in making a movie. Liking literature, I decided to write this south Texas western to make up for this. Being a great fan of westerns, I wanted to create one of my own. This is a romance of a cowboy with a rancher's daughter. There are also small cow town people, Indians, a mysterious gang of bad men with a secret hideout, an illustrious Spanish padre, a stately elder Indian war chief, and many other colorful characters. The lore of the old west in is presented to add flavor to the scenery, speech, customs, time and place. The reader's entertainment was the goal of all of this.

Information Circular ,1950

Methods and Costs of Rock Drilling at the Silver Summit Mine, Hecla Mining Co., Shoshone County, Idaho D'Arcy Banister,H. R. Wellman,1963 Drilling practices at the Silver Summit mine in Shoshone County, Idaho, and the steps taken to increase drilling efficiency are described for the 1952 to 1958 operating period. Mining and development methods are outlined, and drilling equipment and practice are discussed. Cost and performance data include drilling time, bit duty, steel failure, drill repair, and compressed-air consumption. Steps taken to increase drilling efficiency and decrease costs are described, including modifications of bit design, new procedures for drill-rod fabrication and new processes for completing certain drill-machine repairs
