Golden State Stephanie Kegan,2016-02-16 A haunting and heartstopping novel about a suburban mother of two who is faced with an unthinkable choice: betray her husband and children, the brother who helped raise her, or her country--

Darling Rose Gold Stephanie Wrobel,2020-03-17 A dark, shocking, and unputdownable thriller debut about a mother and daughter—and the lengths to which a daughter will go to find independence. “Nobody wants to hear the truth from a liar.” For the first eighteen years of her life, Rose Gold Watts believed she was seriously ill. She was allergic to everything, used a wheelchair, and practically lived at the hospital. Neighbors did all they could, holding fundraisers and offering shoulders to cry on, but no matter how many doctors, tests, or surgeries, no one could figure out what was wrong with Rose Gold. Turns out her mom, Patty Watts, was just a really good liar. After serving five years in prison, Patty gets out with nowhere to go and begs her daughter to take her in. The entire community is shocked when Rose Gold says yes. Patty insists all she wants is to reconcile their differences. She says she's forgiven Rose Gold for turning her in and testifying against her. But Rose Gold knows her mother. Patty Watts always settles a score. Unfortunately for Patty, Rose Gold is no longer her weak little darling... And she's waited such a long time for her mother to come home.

Clouds Like Horses Stephanie Hart,2009-07 First-time author Stephanie Hart shares an intimate, heartbreaking and often humorous journey of her remarkable life in Clouds Like Horses. The book is a series of dramatic vignettes told in economical yet rich prose with surprises that halt your breath, make you smile, and nod with empathy. The wide range of subjects and settings will appeal to both men and women readers of diverse backgrounds and ages. The author shares her experiences as the only Jewish girl in a Presbyterian boarding school. She introduces us to relatives heroic, talented, bumbling, cruel and simply tragic. Ms. Hart courageously reveals relationships that are a complex mixture of love and loathing, desire and fear. The book concludes with a realistically mixed outlook on life and a cautious optimism based on lessons both spiritual and pragmatic. Clouds Like Horses can be read straight through or as randomly selected stories. The book is beautifully enhanced with original artwork and well-preserved photographs of the author's family.

After a rage-inducing scandal and the realization that her dreamy fiancé is faker than a faux Fendi purse, she moves her psychology practice and 10-year-old daughter, Rachel, to Mayfair Close, an idyllic Westchester, NY, suburb known for its manicured lawns and excellent schools. The transition is initially seamless; several PTA moms befriend Victoria, her already busy practice booms, and Rachel finds a group of friends. But before anyone can say “helicopter mom,” in walks Lee DeVry. Wealthy, glamorous and perfectly toned, the PTA president is everything Victoria is not. Vic tries to fit in with Lee and the other SUV driving, athleisure-wearing mothers. At first, she manages to balance the demands of her practice, single parenthood, and her budding romance with Jim, a handsome school administrator. All seems well until Rachel is suddenly targeted, first by the girls at school, and then by an anonymous cyberbully. As Rachel spirals, becoming isolated, playing hooky, and exhibiting signs of depression and disordered eating, Victoria vows to find out who has been messing with her daughter. Living Fast Stephanie K. Randall,2016-04-05 Some women get consumed with the fast life and never make it out, but Rose Peers is determined not to be one of them. At the age of eighteen, Rose is desperate to get off to a fresh start. After fleeing Virginia due to the embarrassing facts surrounding her high school sweetheart's murder, Rose goes back to her home town, Baltimore. She has a strict plan that she cannot stray from which is to get settled, and get her children back from her mother, Viola Peers. This plan is much too vague for such a complex mission. Rose is in a fast city with no income and a hotel room to call her own, which was part of the reason why her mother wouldn't let her take her children to Baltimore in the first place. Along with having to make a life for her children, Rose is struggling to find herself. Her childhood had been a rough one. An abusive father and teenage pregnancy were only a few of her battle scars. So naturally, Rose yearns to be loved. A failed relationship shortly after arriving in Baltimore leads Rose on a hunt for her new love, fast money. She links up with Rochelle, a veteran exotic dancer who reluctantly introduces her to the dancing industry and the two become close friends. Life has become so fancy and fun for Rose that she loses sight of her original goal: her children. Rose's mother dies suddenly and things take a turn or the worst. Painful memories and deep, dark, family secrets come back to haunt her, causing her life to spiral out of control. She turns to a life of heroin addiction and prostitution, where friendships are tested, lives are lost, and promises are broken. This destructive path continues on for years. Finally, Rose receives help from an unexpected source, and she gains a new outlook on life. She is determined to stay drug free and to know what real love is. She longs to make her mother proud. Most of all Rose yearns to reclaim her place as a mother in her children's lives. As the temptation of a fast city swirl around her, will she be able to stay focused?

Never Come Back Home Stephanie Brier,2023-08-14 Everyone possesses unique talents and strengths waiting to be discovered and nurtured. Whether one has mastered or is still developing their abilities, these skills exist within

each individual. Although the specific area of expertise may be unknown, there is a certainty that it exists, awaiting revelation. You may not know what you're good at, but eventually, you'll find it. Or maybe you won't. I'm good at just two things. Failure and running. As I see it, failure isn't the end, nor the time to give up. Instead, it's the opportunity to begin again; the time to be smarter. Failure, far from defeat, is a catalyst for growth. By eliminating what doesn't work, we inch closer to success. Embrace failure, push further, and discover what truly works. Running. When I say that, I don't mean track or cross country - that means nothing. Running as in running away. Even when you have gone as far as you can, and everything hurts, and you are staring at the spectre of self-doubt, you can find a bit more strength if you look closely enough. It's not what I chose to be good at, but I guess being on the run my whole life was destined to be what I did best. Some days are stars, and some are stones, but in the end, they are all rocks we can build on top of.

Marigold Pim, once the darling of the modeling world, graced the covers of nearly every prestigious fashion magazine on the planet. Her beauty made her the epitome of glamour as a young woman—and also led her straight into the arms of Cobb Hartley, the famous-but-troubled British rockstar. They raised a son together and endured two decades of a complicated marriage, but now they're happily divorced and living their lives on different continents. For twenty years Cobb Hartley was Marigold's lover, her biggest cheerleader, and her best friend, and divorcing him doesn't mean that he's not a part of her life anymore, because there's still real love there—love, and friendship. So when Cobb comes to Marigold in his time of need (once again), she knows what she has to do—even if it means putting herself in second place by taking her ex-husband in for the holiday season. But helping Cobb does come at a cost: Marigold has to share her hard-won peace by letting him stay with her on Shipwreck Key for Christmas and New Year's, and having him there stirs up all kinds of feelings and unresolved emotions. One minute, Marigold and Cobb are laughing and remembering the good times, and the next minute she wants to toss him out on his ear because she can't forget all the ways he let her down. Being divorced can be just as complicated as being married, and Marigold needs to figure out what her relationship with Cobb is going to look like for the rest of their lives--and fast. There are millions of women watching as she tries to find her way through this stage of her life, but can Marigold Pim prove to the world—and to herself—that neither beauty nor love truly have expiration dates?

This relationship was unlike any other because they didn't live happily ever after.
