Branchwater Steven Maus, 2007-08 In the kingdom of Branchwater, the humans have peacefully lived alongside their guardians, the mantliks, for the last seven hundred years. But that changes one morning when they wake up to find a foreign army encamped outside the castle town. What follows is a gripping story of several young friends-human and mantlik-and how they come together to survive. Facing an onslaught like no one imagined, the two races must stand side-by-side on the walls of Branchwater, bracing themselves for the future. As the siege commences with lifted shields and drawn bows, the children hide deep inside the castle. It is the young Desirae who wanders through the inner halls and down into the basement. What she stumbles on below the castle could mean either salvation for Branchwater or its destructive end.

The Gossamer Imperative Steve Moody,2018-09 Please check out eBook at AuthorHouse for \$4.99. The World Can Never Be the Same Again A facility has recently been built in Kyrgyzstan using the vast resources of Potamus, and with the compliance of the regional authorities. This outwardly un-noteworthy development has been designed as a breeding ground and training centre for a cadre of terrorists who will be untraceable and unstoppable. As clarity grows, and as the pieces of the diabolical jigsaw fall into place, Launig and his fellows are ultimately left with no choice. Even though the odds against them are suicidal, GOSSAMER must act. Shedding their erstwhile reactive approach in favour of a more proactive modus operandi, they must now take the fight to the very people who are actively hunting them down. Despite the frightening odds that Potamus-this secret and long-established international syndicate of unrivaled wealth, power, influence, and evil-hold against them, can GOSSAMER once again prevail? The conclusion will surprise and shock as the truth becomes known and the power of good is once again pitted against the quintessential forces of evil.

Close Encounters of the Third Kind Ray Morton,2007 (Applause Books). Morton has written the definitive book on this innovative movie by Steven Spielberg...Meticulous research of this caliber is not found in other books on Close Encounters . Fans will find Morton's take informative and fascinating. Library Journal . Steven Spielberg's 1977 masterpiece used all of the power and magic of cinema to tell a story of man's first meeting with extraterrestrial beings. Renouncing the fear and

pessimism of the day, writer/director Spielberg boldly envisioned this as a peaceful, spiritual event full of hope and possibility. This awe-inspiring message made a powerful impact on audiences desperate for something to believe in. The film was a massive box-office hit and revolutionized the movie industry; along with Star Wars , it helped to create the modern blockbuster and ushered in a new era of hi-tech effects. Based on in-depth research and the recollections of many of the film's principal creators, Close Encounters is the first book to chronicle the making of this classic film from its inception through its tumultuous production to its many releases in special editions. The book features new interviews with star Teri Garr, producer Michael Phillips, photographic effects supervisor Douglas Trumbull, production designer Joe Alves, and several cinematographers, screenwriters, and special-effects legends. John Hill, Jerry Belson, Hal Barwood, and Matthew Robbins; and special effects legends Richard Yuricich, Robert Swarthe, Dennis Muren, Scott Squires, Greg Jein, and Rocco Gioffre.

**Eaten Alive at a Chainsaw Massacre** John Kenneth Muir, 2015-07-11 The sound of chainsaws revving on haunted Halloween trails has evoked untold screams since Tobe Hooper's 1974 *The Texas Chainsaw Massacre* hit the cinemas. Since that first take-no-prisoners horror movie, Hooper's reputation as a master of horror has been secured by his adaptations of Stephen King (*Salem's Lot*, 1978, and *The Mangler*, 1995), his blockbuster breakthrough *Poltergeist* (1982) and a variety of cult hits, from the underrated *Lifeforce* (1985) to the remake of *Invaders from Mars* (1986). This reference work is divided into five parts. Part I provides a history and overview of Tobe Hooper's career. Part II offers entries (with synopses, complete credits, critical reception and commentaries) on every feature film by year of release. Part III provides chronological information on Hooper's television movies and miniseries. Part IV offers entries on his episodes from horror television series. Part V is a critical essay and conclusion which places Hooper in horror film history and compares his work to all-time greats such as Romero, Craven and Carpenter.
