*The Stork Ate My Brother...And Other Totally Believable Stories* J S Mason, 2019-12-02 If you've just fallen into this beguiling treasure, then it's in your best interest to just spank yourself and throw this book back in the vault where you found it. Because once opened, fabulous words that grow into sentences and paragraphs and stories will leave you with a massive rock-solid sense of the surreal. Leave now and we can both forget about this momentary plunge of lusciousness your eyes were about to feast on. Go! Prevail upon the legendary badassery life that is yours elsewhere. You have been thanked for your no-obligation, risk-free read of this secure blurb and I wish you a deliriously happy day to conquer, so again, return this mischievous magical book in the sealed place where it was found. It was magnificent that you even came here, and we had a great time, but I understand that you are magnanimous enough to allow someone else to be shocked as they bumble and mire through this authentic display of odd quirky clever humorous whimsical stream-of-consciousness anthropomorphic story-telling, with its cringe-worthy fright and jubilant cheer. We've both profited from this saucy and tawdry interaction and we would both agree it's best to go our separate ways should you choose not to have a wordplay climax. Please eat some biscuits for me. And then wipe your mouth because you'll probably have some crumbs and I honestly don't want you to embarrass yourself because you're a good person.

**The Boys in the Boat** Daniel James Brown, 2013-06-04 Now a Major Motion Picture Directed by George Clooney The #1 New York Times–bestselling story about the American Olympic rowing triumph in Nazi Germany—from the author of *Facing the Mountain*. For readers of *Unbroken*, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936 Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.

**Cook Like a Local** Chris Shepherd,Kaitlyn Goalen,2019-09-03 The James Beard Award-winning chef of Underbelly Hospitality, a champion of Houston's diverse immigrant cooks—Vietnamese, Korean, Mexican, Indian, and more—shows you how to work with their flavors and cultures with respect and creativity. JAMES BEARD AWARD FINALIST Houston's culinary reputation as a steakhouse town was put to rest by Chris Shepherd, the Robb Report's Best Chef of the Year. A cook with insatiable curiosity, he's trained not just in fine-dining restaurants but in Houston's Korean grocery stores, Vietnamese noodle shops, Indian kitchens, and Chinese mom-and-pops. His food, incorporating elements of all these cuisines, tells the story of the city, and country, in which he lives. An advocate, not an appropriator, he asks his diners to go and visit the restaurants that have inspired him, and in this book he brings us along to meet, learn from, and cook with the people who have taught him. The recipes include signatures from his restaurant—favorites such as braised goat with Korean rice dumplings, or fried vegetables with caramelized fish sauce. The lessons go deeper than recipes: the book is about how to understand the pantries of different cuisines, how to taste and use these flavors in your own cooking. Organized around key ingredients like soy, dry spices, or chiles, the chapters function as master classes in using these seasonings to bring new flavors into your cooking and new life to flavors you already knew. But even beyond flavors and techniques, the book is about a bigger story: how Chris, a son of Oklahoma who looks like a football coach, came to be “adopted” by these immigrant cooks and families, how he learned to connect and share and truly cross cultures with a sense of generosity and respect, and how we can all learn to make not just better cooking, but a better community, one meal at a time.
