Gift of Confidence Rohit Narang, 2018-08-25 Everyone, in a family of reputed professionals of the town, has been successful in

cracking the Worlds toughest exam in their first attempt but Pancham is unable to maintain the legacy. Father is furious at Panchams failure. Pancham thinks if he dies, the society won't trouble his family. Before the thought could take the shape of reality, an affectionate mother calms him down and sends him to the Sikh temple, where he meets a weird looking stranger with whom he takes an emotional roller coaster of conversations. Code Ezra Gay Courter, 2000-12 The date: April, 1979. The place: Toulon, France. The assignment: to destroy nuclear reactor parts bound for Iraq. The man in charge: Eli Katzar, master Israeli spy and leader of the Ezra project. His team: three talented agents, all women. The mission succeeds but at a terrible price, and Eli must discover which of the women whom he has nurtured and trusted for more than thirty years betrayed him: Aviva, the Sabra who married the man Eli chose as her co-conspirator; Lily, the Dutch Holocaust Survivor; or Charlotte, the wealthy American spy who has devoted her life to Israel and Eli.

The Midwife Gay Courter, 2003-06-17 Hannah Blau, a young midwife, is driven by a passion to help other women--from Russian noblewomen to prostitutes--bring their babies safely into the world. After surviving pogroms, she emigrates to America where midwives present an economic threat to the emerging specialty of obstetrics, but the greatest challenge Hannah faces is from three men--Stefan Petrograva, the brilliant Russian doctor; Lazar, a firebrand socialist; and Nathaniel Belinsky, a ruthless, virile businessman. Each loves her and tries to make her his own while she struggles to confront a hostile world that tests her vision of personal and professional happiness.

The Wild Truth Carine McCandless, 2014-11-11 A New York Times Bestseller The Wild Truth is an important book on two fronts: It sets the record straight about a story that has touched

thousands of readers, and it opens up a conversation about hideous domestic violence hidden behind a mask of prosperity and propriety. -NPR.org The spellbinding story of Chris McCandless, who gave away his savings, hitchhiked to Alaska, walked into the wilderness alone, and starved to death in 1992, fascinated not just New York Times bestselling author Jon Krakauer, but also the rest of the nation. Krakauer's book, *Into the Wild*, became an international bestseller, translated into thirty-one languages, and Sean Penn's inspirational film by the same name further skyrocketed Chris McCandless to global fame. But the real story of Chris's life and his journey has not yet been told - until now. The missing pieces are finally revealed in *The Wild Truth*, written by Carine McCandless, Chris's beloved and trusted sister. Featured in both the book and film, Carine has wrestled for more than twenty years with the legacy of her brother's journey to self-discovery, and now tells her own story while filling in the blanks of his. Carine was Chris's best friend, the person with whom he had the closest bond, and who witnessed firsthand the dysfunctional and violent family dynamic that made Chris willing to embrace the harsh wilderness of Alaska. Growing up in the same troubled household, Carine speaks candidly about the deeper reality of life in the McCandless family. In the many years since the tragedy of Chris's death, Carine has searched for some kind of redemption. In this touching and deeply personal memoir, she reveals how she has learned that real redemption can only come from speaking the truth.
