

Super Lucky Casino

Richard W. Munchkin

Super Casino Pete Earley,2000 Las Vegas was a mob town built on restlessness and hunger, on glitter, greed, and the firm belief that anyone can get lucky once. But in the last decade Las Vegas has had its own change of fortune, transforming itself from a gambler's fun house to one of the country's top family vacation spots. Now Pete Earley--the investigative journalist and award-winning author who stormed Leavenworth in *The Hot House*--takes us inside today's colossal theme casinos, in a fascinating look at the life, death, and fantastic rebirth of the Las Vegas Strip. With 320 days of sunshine, 500 churches, 27 golf courses, and no state income tax, Las Vegas is the ultimate boomtown. And at the heart of the boom are the new entertainment superstores known as super casinos. How do they run? Who are the business titans responsible for these extravagant showplaces? And why was the gaudy Vegas of the Rat Pack era remade in the first place? Pete Earley traces this evolution by taking a probing look at the checkered history of Las Vegas--when moguls, mobsters, and the world's top entertainers came together to create this ultimate monument to American excess. This fascinating book reveals the real stories of well-known power brokers like Steve Wynn, Vegas legends like Howard Hughes and Bugsy Siegel, and the gripping rise and fall and rise again of the entrepreneurs behind one of the largest gaming corporations in the nation, the colossus Circus Circus, to which the author was given unique access. Earley's trademark you-are-there style brings us front and center as whales win and lose hundreds of thousands of dollars in a few seconds. We see grifters try every trick in the book to beat the odds--whileeye-in-the-sky cameras record all the action. We go behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the maids and chefs, security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city. This lively, probing book lays forth the real Las Vegas and shows how and why it has become the biggest draw in the country, offering adult and family entertainment like no other in the world. The result is an intriguing, often troubling look at a uniquely American city founded on greed--and a nation that built its own mad Mecca in the desert. This is the new Las Vegas--no longer the stomping ground of the Rat Pack, but just as fascinating, just as energized, just as cutthroat. What, and who, is behind it all? Earley was offered unique access to one of the largest gaming corporations in the nation (Circus Circus), and through his investigation of other major gambling enterprises, he shows how the Strip of yesterday has transformed itself, with multi-faceted, themed mega-complexes offering adult and family entertainment like no other in the world. Wall Street analysts call Las Vegas the biggest cash cow in America--its 1999 revenues were a staggering \$27.2 billion. *SUPER CASINO* tells how it came to be the biggest draw in the country, while catching the voices of those large and small--bosses, shift managers, dealers, cashiers, showgirls, hookers, cabbies, tourists, and of course, the players--who make it run today. -->

Loser: Thoughts and War Stories from Years of Casino Battles Mr. Lucky,2021-04-14 *Loser: Thoughts and War Stories from Years of Casino Battles* By: Mr. Lucky *Loser: Thoughts and War Stories from Years of Casino Battles* is a fun, enjoyable read about all of the interesting characters and characteristics of casinos and gambling. The book is filled with many different accounts of what makes casinos and everything connected to them so fascinating. With millions of people who frequent casinos and the millions more who wonder what this attraction is all about, there is a very large audience of people who will be nodding along and relating (and hopefully laughing) to the experiences Mr. Lucky has recounted. As maddening as losing can be, you need to just try to enjoy the entertainment value and all of the weirdness that goes along with it.

Gambling Wizards Richard W. Munchkin,2012-03 Get into the minds of the greatest gamblers of all time. Read in-depth interviews with eight masters of the games. Learn how they think, how they play, and what made them successful. The interview subjects include: Billy Walters (sports betting), Chip Reese (poker), Doyle Brunson (poker), Mike Svobodny (backgammon), Stan Tomchin (backgammon and sports betting), Cathy Hulbert (blackjack and poker), Alan Woods (blackjack and horse racing), and Tommy Hyland (blackjack).

Mr. Lucky James Swain,2007-08-28 Tony Valentine made his living and his name as a cop in Atlantic City—and is now known worldwide for his ability to spot the kinds of scams, grifts, and rip-offs that cost casinos billions every year. A man with a biting wit who drives a ’92 Honda, Tony is low-profile, old-school, and has seen it all—until he meets the luckiest man on earth. Ricky Smith was once a small-town loser. Then he went to Las Vegas, jumped out the window of a burning hotel, lived to tell the tale, and tore up the Strip on an incredible winning streak. Ricky didn’t just win at one slot machine or table game. He won at blackjack, roulette, and craps, and then beat the pants off the world’s greatest poker player. Tony knows that goofy, loudmouthed Ricky Smith—or anyone else, for that matter—couldn’t possibly be that fortunate. But when “Mr. Lucky” returns home to the little town of Slippery Rock, North Carolina, he keeps on winning everything from a horse race to a \$50,000 lottery. Hired by a desperate casino, Tony starts to pry into Ricky’s past, his friends, and the strange little town that is benefiting from Ricky’s fame and fortune. Unfortunately for Tony, his cover is blown when he is forced to reveal a trick he has up his own sleeve: a pocket Glock he can shoot with laser-like precision. Suddenly, two men are dead, the cops are on Tony’s tail, and the investigation explodes in violence—putting the lives of Tony’s son and his young family in danger. For years, Tony’s son Gerry has dueled with his own criminal impulses. Now, the Ricky Smith case has lured Gerry through the gates of temptation and into a murderous confrontation with the Dixie Mafia. With Tony stuck on the slippery slope of Slippery Rock and Gerry fighting for his life, the Valentines are finding out just how bad good luck can get. Against a neon-tinted backdrop of adrenaline rushes, hard crashes, big money, and high-wire tension, the inimitable James Swain has set his best Tony Valentine novel yet: a funny, furious ride with an astounding array of crooks, marks, and one killer scam.

Jackpot Nation Richard Hoffer,2007-03-13 Part history, part travelogue, part investigative reporting, *Jackpot Nation* is an unflinching look at how gambling has become one of America's most popular--and problematic--pastimes.

The Labor of Luck Jeff Sallaz,2009-10-02 A rich and compelling comparative study of a rapidly growing and little-studied global industry. Sallaz offers an extremely clever and provocative account that is sure to stimulate a lot of debate among scholars.—Ruth Milkman, University of California, Los Angeles and author of *L.A. Story: Immigrant Workers and the Future of the U.S. Labor Movement* A tremendous tour de force. It is astonishing in its scope,

ranging effortlessly from the minutiae of shop floor life to the heights of comparative national political and economic history, from breezily personal (and often amusing) to a brilliant reconstruction of social theory.—Steven Henry Lopez, Ohio State University and author of *Reorganizing the Rust Belt: An Inside Study of the American Labor Movement*

Lucky Stiff Deborah Coonts,2011-02-15 Lucky O'Toole--Head of Customer Relations at The Babylon, premier mega-resort on the Vegas Strip--thinks it's just another night in Las Vegas. A tractor-trailer has spilled its load of a million honeybees, blocking not only the Strip but the entrance to her hotel... the District Attorney for Clark County—apparently the odd man out of a threesome on the twelfth floor—is hiding in the buff in one of the hotel's laundry rooms... and Numbers Neidermeyer--one of Vegas' less-than-savory oddsmakers--is arguing with Las Vegas' ace private investigator, the Beautiful Jeremy Whitlock. The next day, Lucky discovers Ms. Neidermeyer was tossed into the shark tank at the Mandalay Bay Resort as a snack for the Tiger Shark. When the police show up at the Babylon with a hastily prepared search warrant, applied for by the District Attorney himself, and Jeremy lands in the hot seat, Lucky realizes her previous night was far from routine. Amid the chaos of fight weekend, the hiring of an eccentric new French chef, and her madam mother's intentions to auction off a young woman's virginity, Lucky is drawn into a deadly game where no one is what they seem, a game that will end only when she discovers who made fish-food out of Numbers Neidermeyer. Lucky O'Toole and Fabulous Las Vegas—life doesn't get any better.

Feeling Lucky Paul Franke,2023 Monte Carlo and Las Vegas have become synonymous with casino gambling. Both destinations featured it as part of a broad variety of leisure and consumption opportunities that normalized games of chance and created emotional atmospheres that supported the hedonistic aspects of gambling. Urban spaces and architecture were carefully designed to enable a rapid growth of the casino industry and produce experiences on previous unimaginable scale. Feeling Lucky, is a making of story, about cities which acquired a strange and captivating allure of mystery around them. It is more than a mere descriptive account, however. Combining urban history, the history of consumption, and sociological approaches it presents a compelling comparative history of Monte Carlo and the Las Vegas Strip between the 1860s and 1970s. Paul Franke takes the reader on a journey from arriving at the cities, through the carefully planned urban environments and into the famous casinos. The analysis follows the paths contemporary gamblers would have taken, right to the gambling tables and to the shifting gambling practices across a century. Franke shows that casino entrepreneurs succeeded in producing and selling gambling experiences by controlling spaces, adapt leisure practices and appeal to specific markets. Gamblers on the other hand regarded Monte Carlo and Las Vegas as places to engage in games of chance that would allow them to preserve their political, cultural, and moral identities. Paul Franke is an Assistant Professor at the Philipps University Marburg and Associated Researcher at Centre Marc Bloch, Germany. He specializes in the cultural history of markets and economies, urban history, and the history of gambling.

American Casino Guide Steve Bourie,2004-11 Published annually since 1992, the 2005 edition of this bestselling guide continues to gain fame as the best available source for information on U.S. casinos. The new 2005 edition lists more than 650 casinos in 35 states and comes complete with maps of all states showing where the casinos are located, plus detailed maps of Las Vegas, Atlantic City, Reno and the Mississippi gambling resort towns of Biloxi and Tunica.

The Sassy Investor Michelle Hung,2019-01-30 A beginner's guide to step-by-step investing for all the sassy females who've ever wanted to take control of their finances! From penny-pinchers to free-(spirited!) spenders, this fun and engaging activity workbook allows women from all educational backgrounds to learn more about money and how to build a secure financial future. Too often, women rely on others to manage their finances. Whether it is their spouse or financial advisors, many find themselves in a complacent spot with their money. Worse, when money is sitting on the sidelines not earning anything, women are short-changing themselves on the potential to earn thousands over a lifetime. From education to execution, this colourful activity workbook takes women of all ages and life stages through the necessary steps to financial literacy and independence. It is meant to put the power back in the hands of all hardworking women, inspiring all to take a more active role in managing and saving their money. Gain confidence through education. Investing does not have to be intimidating.

Gambling For Dummies Richard D. Harroch,Lou Krieger,Arthur Reber,2001-12-15 Gambling has been around since the dawn of civilization, and its evidence can be found in practically all societies throughout history. Today, millions of people around the world enjoy gambling—and so can you! You can sit down in a casino and play blackjack or just walk to the corner store and buy a lottery ticket. If you love winning and you're feeling lucky, this is your chance to become a real “player.” Whether you're new to the world of gambling or want to improve your already formidable skills, Gambling for Dummies can show you how to make the right bets in any almost any situation. It doesn't matter if you like to play in casinos or prefer to play the horses, this book has everything you need to beat the odds. Gambling for Dummies covers virtually every aspect of this vast and wondrous enterprise. It explains the basic rules of many of the popular casino games, offers a sound strategic approach to gambling in general, and provides an overview of the odds you need to know to make informed decisions about the kinds of wagers to make. From playing poker, the lottery, and casino games such as blackjack and craps to horse racing and Internet gambling, this essential reference is your key to lady luck. You'll also discover how to: Play poker, roulette, baccarat, keno, and other casino games Bet on football, basketball, and baseball Developing winning strategies Earn “comps” at casinos Minimize losses and maximize winnings Stretch your bankroll Deal with the way state and federal governments view the tax status of gamblers and gambling winnings Gamble on the Internet Filled with gambling secrets and informative tips, this handy guide will help you play your way to the top.

Indian Gaming ,2008-07

American Casino Guide Steve Bourie,2005-11 Listing more than 700 casinos in 36 states, this bestselling guide is jam-packed with detailed information and includes 150 coupons providing more than \$1,000 in savings. Consumable.

Blood Casino Nina Walker,2021-01-28 Keep your cards close and your enemies closer. A decade ago vampires seized control of the bars, casinos, and the dark underbelly of society. Now they deal in addiction and bargain with blood. Since humans over twenty-five can't fight back against their compulsion, my mother is vulnerable. She's the only family I have left. To save her, I'm forced to make a deal with the devil—one who lives above a casino, wears a crown, and wants to drink my blood. Andrianos Teresi may be dangerous and alluring but I've got a stake hidden up my sleeve. I'll go all in and play his game, waiting for the perfect moment to strike. What I don't expect? The heart that needs guarding is my own. For teens and adults who love gritty urban fantasy and slow-burn paranormal romance, USA Today Bestselling author Nina Walker delivers the first installment of the completed Vampires & Vices series. Sink your teeth into your newest addiction today.

The Old Farmer's Almanac 2020, Trade Edition Old Farmer's Almanac,2019-09-03 It's another new year celebrating everything under the Sun, including the Moon, with The Old Farmer's Almanac, America's oldest continuously published periodical! Always timely, topical, and distinctively useful, with a pleasant degree of humor, the Almanac has been beloved for centuries by people from all walks of life. As the nation's iconic calendar, the 2020 edition will forecast cultural, culinary, and other life-changing trends; preview notable astronomical events; provide time- and money-saving tips for gardeners of all varieties; set the hook for best fishing days; forecast traditionally 80 percent-accurate weather; and cover a range of related topics, including anniversaries, folklore, husbandry, home remedies, recipes, amusement, contests, and more--too much more to mention--all in the inimitable way it has done since 1792.

The High Price of Materialism Tim Kasser,2003-08-29 A study of how materialism and consumerism undermine our quality of life. In The High Price of Materialism, Tim Kasser offers a scientific explanation of how our contemporary culture of consumerism and materialism affects our everyday happiness and psychological health. Other writers have shown that once we have sufficient food, shelter, and clothing, further material gains do little to improve our well-being. Kasser goes beyond these findings to investigate how people's materialistic desires relate to their well-being. He shows that people whose values center on the accumulation of wealth or material possessions face a greater risk of unhappiness, including anxiety, depression, low self-esteem, and problems with intimacy—regardless of age, income, or culture. Drawing on a decade's worth of empirical data, Kasser examines what happens when we organize our lives around materialistic pursuits. He looks at the effects on our internal experience and interpersonal relationships, as well as on our communities and the world at large. He shows that materialistic values actually undermine our well-being, as they perpetuate feelings of insecurity, weaken the ties that bind us, and make us feel less free. Kasser not only defines the problem but proposes ways we can change ourselves, our families, and society to become less materialistic.

Thank you for reading **Super Lucky Casino**. Maybe you have knowledge that, people have search numerous times for their favorite books like this Super Lucky Casino, but end up in harmful downloads.
