Sushant Singh

**I Know You Now** Sushant Changotra,2021-01-01 Nitin's mother means the world to him and when she breathes her last in his arms, it changes him upside down. A soft and humble guy declares rebellion against his father. On the way to fulfill his father's desire of him becoming an engineer, he takes a bold decision and runs away to a completely new city for pursuing his ambition of becoming a famous singer. Against all the odds, he is not just able to fight the blues, but also forges new bonds of friendship in a completely new place. Once again destiny catches up with his happiness and he finds himself on the crossroad of life. His most loved friends end up in grave trouble and Nitin is confronted with the most difficult choice of his life! Will Nitin be able to survive the outcome of his choice and come out of it as a champion or will he take the plunge towards deluge of depression? Nitin's journey is the one, which almost every individual has to undergo in one form or the other. This story gives the insight into the actual challenges that confront all of us and it also shares the wisdom to understand that most solutions are not just within our reach, but are within ourselves. The process is just about digging deep within.

**The Legend,** Sushant Singh Rajput Willking,2020-07-17 This

book, dedicated to Sushant Singh Rajput, was a thought originally until Willking decided to pen everything down and wanted to tell the world how hollow our lives are without his presence. Willking had always adored Sushant, his talent, and his works. Consequently, he decided to pay tribute to Sushant Singh Rajput by writing a book on his life, celebrating his success as an actor, his inclination towards science and his lust for intelligence. A book appreciating him, his professional life, his efforts, and his work for humanity seemed to be a good choice. This book, chronicling Sushant's brief but eventful life, is the result, through which the author wants people to always remember the departed soul. He wants them to pray for him and for his peace in the afterlife. MAY HIS SOUL REST IN PEACE.

Some Words For Sushant Singh Rajput Pooja Bhagwati Boyat, Promita Das, 2021-12-27 The book Some Words For Sushant Singh Rajput describes the emotions and love for Sushant Singh Rajput. True emotions come from our soul and it is best emotions ever. In this book the writers show their emotions and love about Sushant Singh Rajput through their best write up and poem. This Book full of Emotions about S.S.R.

*Tribute To Sushant:* Amisha Nanda & Anwesha Panda, Tribute

to Sushant- The heart of millions, is an anthology which is completely dedicated to a born legend, Sushant Singh Rajput. He with his talent, humbleness and genuineness stole our hearts and created a connection with us, his virtual audience. The one who always helped the needies, never let down his loved ones in life, never dissapointed his fans. And was always so down to earth. The one who was so good as a person left us too early. Every effort falls less when it comes to Sushant. This is a small way to pay tribute to him. Although he is still alive in our hearts and will always reside there. We, Amisha Nanda & Anwesha Panda, have tried our best to make this book a successful one.

*The Indian Soldier - A Story of Faith* Sushant Saini, 2019-08-28

Arjun is a young boy who dreams of becoming a soldier. But his unexpected selection into IIT throws him in a mix. Soon, his supportive family comes to his rescue and helps him pursue his dream. During his time at the National Defence Academy, he builds life-long friendships with three other trainees. Soon he is given a chance to join the most covert and lethal team in the Indian Army, Team-A. He dedicates his life to the country and carries out life-threatening missions on numerous occasions. But one deadly

terrorist attack forces Arjun to question all that he has learned and loved. Disillusioned by the actions of his fellow countrymen, Arjun decides to leave his homeland. Before he can pack up his bags and say goodbye, an airplane carrying over 200 passengers is hijacked by an unnamed group. And he is the only one who can save them. But can an embittered Arjun bring himself to risk his life, and those of his team, one more time?

**Queens of Crime** Sushant Singh,Kulpreet Yadav,2019

Dysfunctional families, sexual abuse, sheer greed and sometimes just a skewed moral compass. These are some of the triggers that drove the women captured in these pages to become lawbreakers. Queens of Crime demonstrates a haunting criminal power that most people do not associate women with. The acts of depravity described in this book will jolt you to the core, ensuring you have sleepless nights for months. Based on painstaking research, these are raw, violent and seemingly unbelievable but true rendition of India's women criminals.

*Book Under the Tree* Avani Jain,2020-08-05 'Book Under the Tree' is a literary fiction dedicated to the wonderful life of Sushant Singh Rajput. Sushant was an actor, dancer, intellectual, poet, and explorer who had a compendium of beautiful stories, life lessons,

and ideas to pass on. Here is a short description: Laughter echoed while he cried for the first time! In a lowly shed surmounting delight, a star had arrived... Eyes so wide, trying to capture the glimpse of every atom alive, Waiting to jump, ride, run, and dive! Destiny imprinted in the palm of his hands and mind, the storm wore a disguise, In a world so small, dreams that crawl, an eagle had taken flight, a star had arrived... The man who held the sword with walking brains Blow so strong, I bit my chains! Stars aroused, universes crouched, When the world took his name Earth shook, plants crooked, and his smile left an ink drop on the unrelenting stage Read on to get a glimpse of his eyes, Cause a look by him today will smother and set free your entrails.

**India to the Rescue** Sushant Singh (Journalist), Shruthi Rao, 2021 Adapted from Sushant Singh's *Operation Cactus: mission impossible in the Maldives*.

**My Experiments with Silence: The Diary Of-An-Introvert** Samir Soni ,2021-11-26 Most of us are slaves to what has been described as the monkey mind. Driven by the illusion of unrealistic dreams and expectations, and the need for external validation, we are constantly caught in a tug-of-war between our inner life and the external universe. Samir Soni too has spent a lifetime oscillating between these two worlds, agonizing over the golden mean to strive for. He found it by experimenting with silence, turning to his diary as a companion in this journey, and finding the comfort in his inner self that the world outside could never provide. In *My Experiments with Silence*, the actor lays bare selections from his diary to help the reader cope with questions that have agitated the human mind for aeons. Who am I? Why am I the way I am? Can I truly change myself? In the process he underlines that until you discover the 'real' you, you are actually living someone else's life, fulfilling someone else's dreams, which were sold to you by the

society at large. His engagement with the process of self-realization, the pitfalls and agonies that we open ourselves up to, the constant struggle between hope and despair provide a roadmap to everyone who has decided to undertake this arduous journey to one's inner self.

Sushant Singh Rajput Simrat Sachdeva, 2020-08-28 This book is in the memory of Sushant Singh Rajput. Its about his life, his achievements, his beautiful moments & his hardwork. He was a kind of person, who was very dynamic & talented. Sushant was a big superstar. He was very creative and always wanted to do something new, something different. He was that sort of person who use to plan his future. He had a great personality. The day he died, everyone remained shocked, that was the day when India lost a shining & rising star. He is 'A Son of INDIA'. Every Indian - mother, father, brother, sister is proud of him. He inspired every

human. Today, whole world is praying for him and are really proud of him, people are crying and asking for justice. But we know, Sushant is watching his fans and his loved ones from the heaven. REST IN PEACE SSR.

**Nothing Is Everything** Jack Thanki, 2017-10-03 Ramjibhai is a retired army officer who tries to protect not only his family but society as a whole. His wife, Shiva, follows the spiritual and traditional ways of our culture and strongly believes in giving back to the nation. Their daughter, Akshara, is a gorgeous girl though naughty at times. Sushant, seemingly a loser, is actually a smart young man with a handsome face. Vikrant, the right hand of Ramjibhai, has a fascinating personality; he looks simple but is highly intelligent and dangerous to have as an enemy. Together, these stars make a happy family. However, the introduction of one more person who storms in like a hurricane brings chaos into their lives. To know what happens and how it is resolved, go back to the front of the novel. **Nothing is Everything** is an interesting story about a family that contributes greatly to society, their worsening situation, and their fight against it. We may have heard stories of the victory of good over evil but this is actually a victory of good over good.

*A Scientist: Journey of a Village Boy of Bihar, Bharat (India)*

Sushant Singh, From ancient times to the present, India has been the birthplace of numerous remarkable scientists. The role models of average youth have shifted from scientists and ‘Gurus’ to individuals wielding power, fame, and wealth, such as politicians, celebrities, and influential government officials. With changing ‘Yugas,’ corruption has seeped into society, becoming the norm, and even academic institutions and their associated systems have not remained untouched by this persistent ailment. As a result, nurturing the next generation of scientists has been significantly impacted. Within the pages of this book unfolds the journey of a village boy from Bihar, India, who refused to let the flame of a scientist within him be extinguished, despite facing numerous challenges to his survival. Undeterred, he went on to achieve two Ph.D. degrees - one in India and another in the USA - within ten years, all fully funded through scholarships. He waged a relentless battle against the corrupt system and its enablers throughout this period. Balancing a successful career in the industry, he pursued his passion for research in parallel, collaborating with some of the world's foremost scientists. The fruits of his labor are evident in the authorship of over 50 articles, books, and book chapters and the

receipt of several prestigious awards. The underlying message this book conveys is powerful: never surrender unless the challenge strikes at the essence of life and dignity.

*The Fault in Our Stars* John Green, 2012-01-10 The beloved, #1 global bestseller by John Green, author of *The Anthropocene Reviewed* and *Turtles All the Way Down* “John Green is one of the best writers alive.” –E. Lockhart, #1 bestselling author of *We Were Liars* “The greatest romance story of this decade.” –Entertainment Weekly #1 New York Times Bestseller • #1 Wall Street Journal Bestseller • #1 USA Today Bestseller • #1 International Bestseller Despite the tumor-shrinking medical miracle that has bought her a few years, Hazel has never been anything but terminal, her final chapter inscribed upon diagnosis. But when a gorgeous plot twist named Augustus Waters suddenly appears at Cancer Kid Support Group, Hazel’s story is about to be completely rewritten. From John Green, #1 bestselling author of *The Anthropocene Reviewed* and *Turtles All the Way Down*, *The Fault in Our Stars* is insightful, bold, irreverent, and raw. It brilliantly explores the funny, thrilling, and tragic business of being alive and in love.

*Of Two Minds* Atul Arjun Mohite, 2021-06-03 *Of Two Minds* is a story of Sushant and Pooja whose love is stuck against Pooja's

work ethics as she is an intern psychologist to Sushant's doctor. Sushant is surprised to find his classmate Pooja at the clinic when they first meet there.

### **Clean Hydrogen Production Methods Sushant**

Kumar,2014-12-27 This brief covers novel techniques for clean hydrogen production which primarily involve sodium hydroxide as an essential ingredient to the existing major hydrogen production technologies. Interestingly, sodium hydroxide plays different roles and can act as a catalyst, reactant, promoter or even a precursor. The inclusion of sodium hydroxide makes these processes both kinetically and thermodynamically favorable. In addition possibilities to produce cleaner hydrogen, in terms of carbon emissions, are described. Through modifications of steam methane reformation methods and coal-gasification processes, from fossil as well as non-fossil energy sources, the carbon dioxide emissions of these established ways to produce hydrogen can significantly be reduced. This brief is aimed at those who are interested in expanding their knowledge on novel techniques and materials to produce clean hydrogen and capture carbon dioxide at a large-scale. The detailed thermodynamic analysis, experimental findings and critical analysis of such techniques are well discussed in this

brief. Therefore, this book will be of great interest and use to students, engineers and researchers involved in developing the hydrogen economy as well as mitigating carbon dioxide emissions at a large-scale.

*Brokering Peace in Nuclear Environments* Moeed

Yusuf,2018-05-08 One of the gravest issues facing the global community today is the threat of nuclear war. As a growing number of nations gain nuclear capabilities, the odds of nuclear conflict increase. Yet nuclear deterrence strategies remain rooted in Cold War models that do not take into account regional conflict.

*Brokering Peace in Nuclear Environments* offers an innovative theory of brokered bargaining to better understand and solve regional crises. As the world has moved away from the binational relationships that defined Cold War conflict while nuclear weapons have continued to proliferate, new types of nuclear threats have arisen. Moeed Yusuf proposes a unique approach to deterrence that takes these changing factors into account. Drawing on the history of conflict between India and Pakistan, Yusuf describes the potential for third-party intervention to avert nuclear war. This book lays out the ways regional powers behave and maneuver in response to the pressures of strong global powers. Moving beyond

debates surrounding the widely accepted rational deterrence model, Yusuf offers an original perspective rooted in thoughtful analysis of recent regional nuclear conflicts. With depth and insight, *Brokering Peace in Nuclear Environments* urges the international community to rethink its approach to nuclear deterrence.
