You've got rhythm Anna Dembska,2002

King of Rhythm Lisa Freed,2023-01-12 AVERY Picked on all my life for my height, I want nothing more than to blend in and not draw attention to myself. Which is why my job is boring... I mean, steady and fulfilling! And if my main excitement comes from an online bingo game, well, that suits me just fine. I don't mind being the youngest player in the group. It's only after I take a chance on meeting up with another player that my steadfast and bland world takes a turn. He's a man made to stand out and refuses to let me stay in the shadows. Bryce I've never let my shorter stature define me. What you see is what you get and if you can't handle my less than average height, that's on you. After having tasted fame and fortune in my early twenties as part of a popular boy band, I left fame behind to follow my passion. Now in my thirties and working as a middle school band teacher, life has never been sweeter. Professionally, I'm happy. Personally, I'm lonely. Until I happen upon an online game room and feel a real connection with another player. I'm sure we could make beautiful music together, but like a sour note, she's hung up on the wrong things. Will she give us a chance to find our rhythm, or will I be left alone? Kick-off 2023 with a short slice of heaven. Your favorite instalove romance authors have come together to bring you a fun-sized selection of mafia men, billionaires, best friends, enemies, and more. Whether you like your short kings dangerous or sweet, these men will show you that height doesn't have to get in the way of true love.

The Sweetness of Life Kathryn Andrews,2020-07-24 From bestselling author, Kathryn Andrews, comes a new standalone, enemies to lovers contemporary romance, that will leave readers who love food and wine hungry for more. Shelby Leigh I love food. I love everything about it. My dream has always been to land a job with the Food Network channel, and I've spent years as a

food critic, blogger, and chef, tasting my way across the South to develop recipes that are a twist on the classics and uniquely my own. When a once-in-a-lifetime opportunity comes calling, I'm shocked to discover I've been paired with him, the worst blind date ever—bless his heart, and I'm determined not to let anyone get in my way. So, I buckle my designer heels, tighten my apron, and vow to myself there's nothing in his playbook that's going to stop me from tasting success. Zach Wolff I love wine. It is my life. What I hate are critics. I hate everything about their dream-killing souls and elitist attitudes. So, when she shows up in the tasting room of my winery in northern Georgia, the devil in disguise wearing a pair of long legs and beautiful hazel eyes, I know just the plan to make and how to use her to get what I want. What she doesn't know won't hurt her, because in the end, I will win. I always do. Two weeks. His wine. Her recipes. A feature article in a special issue of a world-renowned magazine. Pairing wine with food is one thing, but two hearts is another.

Salome and other Decadent Fantasies Brian Stableford, 2011-11-15 Decadent literature is intrinsically and proudly a literature of moral challenge; it is sceptical, cynical, and satirical. It recognizes that everyday morality does not work either in practical or in psychological terms, and is therefore a sham, but that ideal morality is -- not necessarily unfortunately -- unattainable. This volume collects the best of Brian Stableford's decadent work, including: *Salome*, *O For a Fiery Gloom and Thee*, *The Last Worshipper of Proteus*, *The Evil That Men Do*, *Ebony Eyes*, *The Fisherman's Child*, *The Storyteller's Tale*, *The Unluckiest Thief*, *The Flowers in the Forest*, *The Mandrake Garden*, and *Chanterelle*.

Unrequited Carol Urena, 2021-06-25 As a continuation of *Love You True*; these are an additional 75 short poems without titles. More expressions incurred by the feeling of true love. A feeling that is all inspiring; all-consuming. So much so that one can be overwhelmed by it. By such a strong and pure emotion; an emotion so strong one can even wonder how it is even possible to contain. An emotion that goes beyond the heart. When one experiences true love, one realizes that it also goes beyond the mind, beyond the body, beyond the soul. One can feel it without a single touch. And be entirely content with it. Without having the beloved at one's side. Content even if the love is unrequited. Not being necessary to experience love wholly or entirely. Not necessary to feel the happiness brought on simply by the sensations that true love can give rise to.

The Beat, 2005

The Summer of Bitter and Sweet Jen Ferguson, 2022-05-10 In this complex and emotionally resonant novel about a Métis girl living on the Canadian prairies, debut author Jen Ferguson serves up a powerful story about rage, secrets, and all the spectrums that make up a person—and the sweetness that can still live alongside the bitterest truth. A William C. Morris Award Honor Book and a Stonewall Award Honor Book! Lou has enough confusion in front of her this summer. She'll be working in her family's ice-cream shack with her newly ex-boyfriend—whose kisses never made her feel desire, only discomfort—and her former best friend, King, who is back in their Canadian prairie town after disappearing three years ago without a word. But when she gets a letter from her biological father—a man she hoped would stay behind bars for the rest of his life—Lou immediately knows that she cannot meet him, no matter how much he insists. While King's friendship makes Lou feel safer and warmer than she would have thought possible, when her family's business comes under threat, she soon realizes that she can't ignore her father forever. The Heartdrum imprint centers a wide range of intertribal voices, visions, and stories while welcoming all young readers, with an emphasis on the present and future of Indian Country and on the strength of young Native heroes.
