The Evolution and Social Impact of Video Game Economics Casey B. Hart, 2017-07-13

Today, consumers of video games spend over \$22.4 billion each year; using more complex and multi-layered strategies, game developers attempt to extend the profitability of their products from a simple one-time sale, to continuous engagement with the consumer. *The Evolution and Social Impact of Video Game Economics* examines paradigmatic changes in the economic structure of the video game industry from a media effects and game design perspective. This book explores how game developers have changed how they engage players in order to facilitate continuous financial transactions. Contributors look from the advent of microtransactions and downloadable content (DLCs) to the impact of planned obsolescence, impulse buying, and emotional control. This collection takes a broad view of the game dynamics and market forces that drive the video game industry, and features international contributors from Asia, Europe, and Australia.

Believe Me, Goldilocks Rocks! Nancy Jean Loewen, 2014-10-01 OF COURSE you think Goldilocks was a brat who broke in and trashed our house. You don't know the other side of the story. Well, let me tell you...

Early Mathematical Explorations Nicola Yelland, Deborah Butler, Carmel Diezmann, 2014-01-20 This book presents teachers with a sound theoretical framework for encouraging children to explore mathematical concepts and become numerate in the 21st century. It shows that mathematical learning can occur in a variety of ways, including when children explore ideas through play, problem solving and problem posing, engage in a rich variety of multimodal learning experiences, pursue self-directed activities and cooperate with others, and make connections between ideas and experiences in their everyday worlds. - Back cover

Goldie and the Three Bears Diane Stanley, 2007-01-09 In this spirited new version of a classic fairy tale, we meet a determined heroine with a mind of her own. Can she help it if everyone she invites over is too bossy or too boring or too snobby or too rough? What Goldie desperately wants is a friend she can love with all her heart. And one day, she finds one who's just right.

Old MacDonald Had A Farm Gris Grimly, 2017-10-10 A wholly original take on this beloved American anthem from renowned watercolor master, Gris Grimly--with a surprise twist ending bound to delight! Celebrated creator Gris Grimly, widely known for his gothic style illustrations, turns over a new creative leaf in his glorious interpretation of this beloved preschool anthem. Inspired by his son's love for Old MacDonald and his own family's farming history, and with stunning, sweeping watercolor illustrations, and a surprise twist ending that kids will relish, Gris brings this beloved song to glorious new life. Young children will love reading and singing along as they join our nimble footed Farmer on his morning jaunt across the farmyard and he greets each of his farm animals and beckons them to join his parade. Little ones will delight when the parade culminates in an unexpected twist ending as Farmer opens the big red barn doors...and GASP...there's a BEAR hidden inside! With a moving artists' note from Gris explaining the history of this song, and his personal connection to it, this delightful retelling has all the makings of a classic.

I'll Build You a Bookcase Jean Ciborowski Fahey, 2022 Illustrations and rhyming text portray a loved one who promises to build a home library to hold treasures that grow and change along with their special child--

Start-up Nation Dan Senor, Saul Singer, 2011-09-07 What the world can learn from Israel's meteoric economic success. Start-Up Nation addresses the trillion dollar question: How is it that Israel -- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war

since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the Israel effect, there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some impressive, surprising clues.

This gentle fun-filled adventure will encourage little ones to take new steps of their own.

Jack and the Beanstalk ,2020-05-12 Bedtime Classics: charmingly illustrated board book editions of perennial favorites, simplified for the youngest readers! Bedtime Classics introduce classic works of fiction to little literary scholars through character-driven narratives and colorful illustrations. Designed to be the perfect one-minute bedtime story (or five minutes--if you're begged to read it over and over), parents can feel good about exposing their children to some of the most iconic pieces of literature while building their child's bookshelf with these trendy editions! When

Jack is sent to market to sell his family's cow, he makes a trade for some magical beans, much to his mother's chagrin. To Jack's surprise, the beans grow into a giant beanstalk. Jack climbs all the way up and encounters a frightening giant. But when the giant is fast asleep, Jack climbs up and steals his treasures.

A Hat for Mr Mountain Soojin Kwak, 2020-01-23 A sweet and funny picture book about kindness, creativity and how to make a hat for a mountain. Nara loves to make hats of all shapes and sizes for the animals who visit her workshop in the forest. Then one day she receives a letter from Mr Mountain: he wants a hat, too. Nara is up for the challenge, and knits him an enormous woolly hat . . . which is perfect until it shrinks in the rain. The leaf hat is eaten, the stick hat burns to the ground. What other material can she try? The exploration of different materials and their properties makes **A Hat for Mr Mountain** the perfect picture book for primary STEM lessons. This warm and humorous story about never giving up, and the importance of working together to help a friend is illustrated in quirky and exquisite detail. Look out for the mice making a smoothie! A masterful debut from the winner of second prize in the Macmillan Prize for Illustration 2018.
