English, Irish, & Scottish Silver at the Sterling and Francine Clark Art Institute Sterling and Francine Clark Art Institute, Beth Carver Wees, 1997

In this stunning catalog, Wees, curator of decorative arts at the Clark Art Institute, shares her extensive knowledge of silver. Robert Sterling Clark, who established the Art Institute in 1955, preferred Huguenot silver? especially that of Paul de Lamerie? so his collection, which contains typical objects from the early 16th to the mid-20th centuries, is especially rich in 18th-century examples. Wees arranges this collection according to general function (Dining, Lighting, etc.) and prefaces each chapter with exhaustively footnoted essays. She accompanies each item with crisp black-and-white photographs, a wealth of description, and helpful commentary. Analogous to Kathryn Buhler's standard catalog of American silver in Boston's Museum of Fine Arts, this is a wonderful tool for researching makers and hallmarks, comparing stylistic elements, or just marveling at the beauty of an extraordinary collection. While not intended to be a historical compendium, this informative, visual feast belongs in all silver reference collections and will also certainly appeal to individual collectors. 19 colour & 1,222 b/w illustrations
