Hell Inc C. M. Stunich, 2012-07-04 It wasn't necessarily that I wasn't a fan of fairies. Really. It wasn't that. It was that I wasn't a fan of being taken hostage by a group of fairies. Ginger's life was already full of clichés sexy demons in business suits, smart mouthed genies, and angry, French kissing yetis to name a few so what was wrong with one more? Why shouldn't she have sold her soul to the Devil for three wishes? Brendan Fraser did it in *Bedazzled*, so it couldn't be all bad, right? Too bad her sexy demon caseworker, Levie, wouldn't put down his romance novels long enough to tell her how to make them. With a slip of the tongue (seriously, all she had to do was say 'I wish?'), Ginger's boring life is now up ... well, you know, a certain creek without a paddle. So whether he likes it not, Levie's going to help Ginger take care of some little problems. Her ex-addict mother is attempting to kidnap her, and on top of it all, Ginger's managed to bestow her 'gift' of supernatural sight on some fellow museum goers. Neither of these would be problems if Hell, Inc.'s genies hadn't mysteriously disappeared. They're the only ones who can undo Ginger's wishes and get her off the hook. If only she could figure out where the hell to find them.

I Love It Here Clint Pulver, 2021-04-13 The greatest part about your role in leadership is that it matters. The hardest part is that it matters every day. For years, Emmy Award winning speaker Clint Pulver has been the Undercover Millennial, gathering the secrets of great management from companies of all sectors and sizes. Now, he is ready to reveal the insights he has from his undercover interviews with more than 10,000 employees across the country, and show you exactly what you can do to generate higher staff engagement and retention--and build true loyalty that lasts. *I Love It Here* is not another leadership book written by a self-proclaimed leadership expert; rather, it's the data-driven product of intensive research with employees who knew exactly when their leaders were getting it right--and getting it wrong. By pulling back the cover on tired, too tried and not true leadership strategies that just aren't cutting it anymore, Clint will open your eyes to the mentorship qualities that are earning genuine employee loyalty in the world of today, along with the behaviors that--whether you know it or not--are triggering a rush for the door. By reading this book, you'll learn what one shocking factor is the number one driver of employee turnover (spoiler: it has everything to do with you!), what you can do to stop the leak, and how you can start building a team that works, right from the moment a prospective employee walks through the door. Using real-world examples from companies he has visited as an undercover retention agent, Clint will reveal in detail the best, most proven methods he has seen for identifying talent, building a sense of ownership, and developing staff in a way that helps them recognize and realize their own individual dreams. Through thoughtful and engaging chapter-by-chapter exercises, he'll guide you through each strategy, moving you seamlessly toward building an authentic culture of valuing and empowering the individual in your own workplace. Soon, you'll be recognizing possibility where others see problems, and capturing the power of small moments to create a meaningful legacy. *I Love It Here* is a vision of leadership that reaches beyond career to become almost like a calling: a day-by-day, moment-to-moment journey toward becoming the best for the world. Let Clint's inspiring personal stories, deep knowledge, and unique challenges help you become that beloved Mentor Manager who is remembered forever, and who knows how to bring out true passion and commitment in the people on your team. This book is your key to the solutions-based principles behind every organization that people never want to leave. Your company can be more than simply a fancy facade. It can be a place that has an authentic core built on valuing the individual--

a place where people don't just survive, but thrive. I Love It Here will show you how.--

Just like that, Joe Alton Miles, better known as Jelly (because his initials are J.A.M. and his best friend's are P.B.), is faced with overcoming not only his terror of being in the spotlight, but also the wrath of smart, popular Victoria, who believes that the prize (like all prizes) is rightfully hers. At first, Jelly only cares about winning the awesome prize (a new tablet), but as Victoria escalates her campaign against him, Jelly begins to realize that it's not only the prize that's at stake, but also his reputation, his self-respect and the friendship he values most. Jelly must dig deep inside himself to find out if he's strong enough to stand up to Victoria and show everyone what he's really capable of. Hilariously funny and

just as poignant, Speechless is about finding out who your friends are, giving back, standing up to bullying and finding your own unique voice.
