International Brands and Their Companies Susan L. Stetler,Allison K. McNeill,1992-08 This is a guide to product trade names, brands, and products names, with addresses of their manufacturers and distributors.

Telecommunications Law and Regulation in Nigeria Uchenna Jerome Orji,2018-12-19 The Nigerian telecommunications industry has continued to grow in a phenomenal manner following market liberalization reforms that commenced in the 1990s. As of 2017, the telecommunications industry was one of the fastest-growing economic sectors in Nigeria and the fourth largest contributor to the country’s Gross Domestic Product. The telecommunications industry, however, remains a highly technical and naturally dynamic industry that has not been a usual area for legal research in developing countries such as Nigeria. This book bridges that gap in knowledge by providing an analysis of the legal and policy instruments that regulate the industry. It comprises eleven chapters that discuss the historical evolution of telecommunications and its regulation; the development of the Nigerian telecommunications industry from 1886 to 2017; the legal basis for the regulation of the industry; the licensing and duties of service providers; the regulation of network infrastructure; the protection of consumers; the regulation of competition, interconnection, universal access, and environmental protection; and the resolution of industry disputes. This book will be useful to policy makers, legislators, regulators, lawyers, law students, investors, operators, and consumers, as well as any person interested in the Nigerian telecommunications industry.

Federal Register ,1985-07

The Corporate Directory of US Public Companies 1995 Elizabeth Walsh,2016-06-11 This valuable and accessible work provides comprehensive information on America's top public companies, listing over 10,000 publicly traded companies from the New York, NASDAQ and OTC exchanges. All companies have assets of more than $5 million and are filed with the SEC. Each entry describes business activity, 5 year sales, income, earnings per share, assets and liabilities. Senior employees, major shareholders and directors are also named. The seven indices give an unrivalled access to the information.

Cruising World ,1977-01

Strange Sounds Mark Brend,2005 What do David Bowie, The Beatles, the Rolling Stones, Radiohead, The Troggs, The Human League, The Osmonds and The Beach Boys have in common? They've all used unusual musical instruments on big hit records. Strange Sounds tells the stories behind these recordings and many more. It includes some of the biggest names in pop music from the 1950s to the present, explaining and illustrating what instruments were used - their history, how they were played, how the artists came to choose them - and in the process uncovering a parallel history of pop music, one where guitars and drums make way for claviolines, ocarinas and stylophones. The accompanying CD includes demonstration recordings of many of the instruments documented, as well as incidental music composed by the author, recorded using a unique line-up of the instruments featured in the book.

Jane's Space Directory David Baker,2004-06-21 Profiling hundreds of space programmes and their different technologies, Jane's Space Directory enables you to identify thousands of different commercial and defence applications. Key objectives, developments and technical specifications of available vehicles and systems are reviewed, including the new generation of launch vehicles. Structured around the categorisation of functions and presented for quick comparison and evaluation, each entry comes with accompanying illustrations. Supplier and manufacturer listings help support your market research and procurement requirements. Key content includes: Government and non-government space programmes; Global space industry directory; Civilian operations; Orbital and suborbital launch vehicles; Propulsion; Commercial and military satellites; Planetary and space science; Human space flight; Launch listings; Contractors. For a complete listing of aerospace organisations and personnel around the globe see Jane's International ABC Aerospace Directory.
