Republican Rescue Chris Christie,2021-11-16 Enough with the infighting, the truth-denying, the wild conspiracy claims, the looking backward, and the refusal to focus on the dangerous Biden agenda. Here's Chris Christie's urgent guide for recapturing Republican glory and winning elections again, told with all the New Jersey frankness and news-breaking insights that have made the two-term governor and presidential candidate an indispensable voice and instant New York Times bestselling author. As governor of New Jersey and a key Trump insider and longtime friend, Chris Christie has always been known for speaking his mind. Now that the depressing 2020 election is finally behind us, he shares his bold insights on how a battered Republican Party can soar into the future and start winning big elections again. The wrong answers are everywhere. Dangerous conspiracy theorists. A tired establishment. Truth deniers and political cowards. In *Republican Rescue*, Christie reveals exactly how absurd grievances and self-inflicted wounds sabotaged Donald Trump's many successes and allowed Democrats to capture the White House, the House, and Senate in two years—a first for the GOP since the days of Herbert Hoover. In his frank and compelling voice, Christie dissects the last year of the Trump

administration—which provoked nothing but conspiracy theories and infighting—and he lays out an honest and hopeful vision, explaining how Republicans can capture the future and save America from today’s damaging Democratic excesses. The core Republican values of Abraham Lincoln, Teddy Roosevelt, and Ronald Reagan are as relevant now as they’ve ever been, Christie writes. Opportunity for all. A strong national defense. Leaders we can all be proud of. Americans in charge of their own lives. A federal government that answers to the people—not the other way around. But these Republican ideals need to be reinvigorated with fresh clarity and open arms. Christie watched in horror as some in his beloved party embraced paranoia and explained away violence. Determined to restore the party’s integrity and success, he shows how to build a movement voters will flock to again, a Republicanism that’s blunt, smart, conservative, potent, and perfectly suited for the 21st century.

In the no-nonsense, authoritative tradition of the best-selling AP Stylebook, the top editors at the AP have now written the definitive guide to punctuation. From the when and how of the ampersand to the rules for dashes, slashes, and brackets; from the correct moment for the overused exclamation point to the rules of

engagement for the semicolon, The AP Guide to Punctuation is an invaluable and easy-to-use guide to the most important aspect of clear and persuasive writing.

With invaluable additional sections on the unique guidelines for business and sports reporting and on how you can guard against libel and copyright infringement, The AP Stylebook is the one reference that all writers, editors, and students cannot afford to be without.

Divided America The Associated Press, 2016-12-02 Is America still great or has the country lost its way? This and many other concerns weighing on the minds of everyday Americans is explored by reporters of The Associated Press in *Divided America: An AP Guide to the Fracturing of a Nation*. The AP reveals the tensions and issues underlying the tumultuous 2016 U.S. election, but it goes beyond the politics of the moment to ask: How will Americans face continued challenges well after a new president has been chosen? *Divided America*, is more than just Democrat vs. Republican or liberal vs. conservative. It's the 1 percent vs. the 99 percent and rural vs. urban. Climate doubters clash with believers. Bathrooms have become battlefields, borders are battle lines. It's sex and race, faith and ethnicity, and a melting pot that's boiling over. The stories examine how Americans define

greatness, why evangelical Christians feel they are under siege in the U.S., where the heated rhetoric over immigration has exposed deep division in a once-quiet corner of the West, as well as the disconnect between improving economic data and the day-to-day struggles of ordinary people. AP also looks at the influence of Hispanic and millennial voters, the role of media in shaping a divisive electorate and many other questions that will continue to impact the country for years to come. These profiles are of people from every corner of the U.S. who are hopeful, angry, passionate, optimistic, fatalistic and, above all, divided. Additionally, the book features more than 75 images taken by AP's award-winning photographers. Proceeds from each purchase of *Divided America* will support the efforts of the National Freedom of Information Coalition and its mission to protect the rights of citizens to open government and ensure accessibility and transparency from public institutions, especially on the state and local level. *Divided America* is a must read for anyone looking to understand the pulse of the nation and the issues Americans face on a daily basis.
