Neighbours Anton Chekhov,2021-11-17 'Neighbours' is a short drama by Chekhov about Zina, a young woman who leaves her home for a married man. This scandalous behaviour plagues the mind of Zina's brother, Pyotr, who believes that she has been abducted and deceived but is too fearful to help her. As Zina's family is ashamed of her behaviour, Pyotr sets out to bring her home before news of her affair is widely known. Pyotr confronts his sister and her lover but to achieve his goal he must overcome his cowardice. A story that explores the eternal clash between conservative and liberal values, 'Neighbours' is a social critique that contrasts Zina's freedom and joy with the timid Pyotr's fear of breaking social conventions. 'Neighbours' portrays Chekhov's lyrical prose at its finest and features some of his most memorable characters. This dramatic and poignant short should be read by fans of Raymond Carver and John Cheever. A prolific writer of seven plays, a novel and hundreds of short stories, Anton Chekhov (1860-1904) is considered one of the best practitioners of the short story genre in literature. True to life and painfully morbid with his miserable and realistic depictions of Russian everyday life, Chekhov's characters drift between humour, melancholy, artistic ambition, and death. Some of his best-known works include the plays 'Uncle Vanya', 'The Seagull', and 'The Cherry Orchard', where Chekhov dramatizes and portrays social and existential problems. His short stories unearth the mysterious beneath the ordinary situations, the failure and horror present in everyday life.

I Will Judge You by Your Bookshelf Grant Snider,2020-04-14 A look at the culture and fanaticism of book lovers, from the beloved New York Times illustrator and creator of Incidental Comics. It's no secret, but we are judged by our bookshelves. We learn to read at an early age, and as we grow older we shed our beloved books for new ones. But some of us surround ourselves with books. We collect them, decorate with them, are inspired by them, and treat our books as sacred objects. In this lighthearted collection of one- and two-page comics, writer-artist Grant Snider explores bookishness in all its forms, and the love of writing and reading, building on the beloved literary comics featured on his website, Incidental Comics. *I Will Judge You by Your Bookshelf* is the perfect gift for bookworms of all ages. "This playful, self-aware collection of strips and gags on the joys and frustrations of reading and writing is equal parts lighthearted and sincere . . . The panels range from gently clever to surprisingly profound to laugh-out-loud." –Publishers Weekly "A prescient book for these times." –Newsarama
