Madera Valley 1870-1970 Darlene Ellison Chandler, 2014-02-21 Madera Valley 1870 to 1970 Irrigation Water to Drinking Water This is the story of the Madera Valley in Reeves County from 1870 to 1970. It traces the history of the valley from the Indians, Mexican, and settlers who came into the valley. The valley had plenty of water for irrigation, but drinkable water was not obtained for the whole valley until 1970. The book is unique in that the history from 1906 to 1915 comes from a letter written from E. D. Balcom to the author. Some of the history of the schools, churches, and individuals who lived during these first one hundred years are described briefly.

Speechless Michael Knowles, 2021-06-22 "Every single American needs to read Michael Knowles's *Speechless*. I don't mean 'read it eventually.' I mean: stop what you're doing and pick up this book." —CANDACE OWENS The most important book on free speech in decades—read it!" —SENATOR TED CRUZ A New Strategy: We Win, They Lose The Culture War is over, and the culture lost. The Left's assault on liberty, virtue, decency, the Republic of the Founders, and Western civilization has succeeded. You can no longer keep your social media account—or your job—and acknowledge truths such as: Washington, Jefferson, and Columbus were great men. Schools and libraries should not coach children in sexual deviance. Men don't have uterus. How did we get to this point? Michael Knowles of The Daily Wire exposes and diagnosis the losing strategy we have fallen for and shows how we can change course—and start winning. In the groundbreaking *Speechless: Controlling Words, Controlling Minds* Knowles reveals: How the "free speech absolutists" gave away the store The First Amendment does not require a value-neutral public square How the Communists figured out that their revolution could never succeed as long as the common man was attached to his own culture Where political correctness came from How, comply or resist, political correctness is a win-win game for the bad guys Why taking our stand on "freedom of speech" helps put atheism, decadence, and nonsense on the same plane with faith, virtue, and reality The real question: Will we shut down drag queen story hour, or cancel Abraham Lincoln? For 170 years the First Amendment was compatible with prayer in public school How the atheists got the Warren Court to rule their way To this day, there's a First Amendment exception for obscenity. What exactly is the argument that perverts' teaching toddlers to twerk is not obscene? Read *Speechless: Controlling Words, Controlling Minds* if you want to learn how to take the fight to the enemy.

Pathfinders for Christianity in Northern Nigeria (1862-1940) Emmanuel A. S. Egbunu,2022-01-14 The rivers Niger and Benue come together at the heart of Nigeria on a map. Besides being a confluence of two great rivers, it also became the location of landmarks in Nigeria's history, notably the amalgamation of the northern and southern protectorates. As it was also a confluence of various cultural clusters, the Niger-Benue confluence communities went through three phases of Western encounters: commercial, missionary, and colonial. These have combined to shape the sociopolitical profile of northern Nigeria in various ways. In particular, it is the cradle of Christianity in northern Nigeria. Yet social historians have often assessed all three foreign influences indiscriminately and overlooked the unique and fundamental impact of the missionary encounter in providing the treasured values that midwifed social stability in such a pluralistic and sometimes volatile environment. This study undertakes a separation of the strands and sheds light on the laudable initiatives and legacies of the missionaries to ensure more clear-minded interpretations.
