Can You Help Me? Thomas D. Bird, 2019 **Can You Help Me?:** Living in the Turbulent World of Huntington Disease shares the surprising, insightful, challenging, and even encouraging stories of patients and their families who live with Huntington Disease. Having seen patients for more than 40 years, Dr Thomas Bird, a pioneer neurogeneticist, adds a human touch to this genetic brain disease that devastates persons during mid-life when they can least afford it. With a brief history of Huntington Disease and the occasional scientific detail, the true heart of the book is the human experience of the disorder:

- ❶ The man who cannot stay out of prison because he is addicted to being a burglar.
- ❷ Another man shoots and kills his roommate while watching television and cannot explain why he did it.
- ❸ The woman with Huntington Disease copes with her depression by using Texas line dancing.
- ❹ A twelve year old girl with juvenile Huntington Disease who

can barely walk and talk, but her classmates rally around with touching and heartfelt support. ☹ And the 72 year old man with late onset Huntington Disease and severe depression is made worse by ECT, but improved (for a while) with Transcranial Magnetic Stimulation. These are just some of the compelling stories of people of all ages and in all walks of life who feel trapped by a progressive degenerative brain disease from which there is no escape.

The Summer I Died Ryan Thomas, 2017-09-22 The cult thriller novel is back in this all new edition which features the original text as it was meant to be published! Dubbed one of The Most Intense Horror Novels ever written by many horror review sites, *The Summer I Died* is the first book in the Roger Huntington saga and soon to be a major motion picture. When Roger Huntington comes home from college for the summer and is met by his best friend, Tooth, he knows they're going to have a good time. A summer full of beer, comic books, movies, laughs, and maybe even girls. The sun is high and the sky is clear as Roger and Tooth set out to shoot beer cans at Bobcat Mountain. Just two friends catching up on lost time, two friends thinking about their futures . . . two friends suddenly thrust into the middle of a nightmare. Forced to fight for their lives against a sadistic killer with an arsenal of razor sharp blades and a hungry dog by his side. If they are to survive, they must decide: are heroes born, or are they made? Or is something more powerful happening to them? And more importantly, how do you survive when all roads lead to death? A tense, bloody ride! - Brian Keene, author of *The Rising* If you want to freak yourself out on your next camping trip, you can't really do any better than *The Summer I Died*. - BloodyDisgusting.com
