To Be or Not To Be Ryan North,2016-09-06 From the bestselling author of *Romeo and/or Juliet* and *How to Invent Everything*, the greatest work in English literature, now in the greatest format of English literature: a chooseable-path adventure! When Shakespeare wrote *Hamlet* he gave the world just one possible storyline, drawn from a constellation of billions of alternate narratives. And now you can correct that horrible mistake! Play as Hamlet and avenge your father's death—with ruthless efficiency this time. Play as Ophelia and change the world with your scientific brilliance. Play as Hamlet's father and die on the first page, then investigate your own murder... as a ghost! Featuring over 100 different endings, each illustrated by today's greatest artists, incredible side quests, fun puzzles, and a book-within-a-book instead of a play-within-a-play, *To Be or Not To Be* offers up new surprises and secrets every time you read it. You decide this all sounds extremely excellent, and that you will definitely purchase this book right away. Because as the Bard said: “to be or not to be... that is the adventure.” ...You're almost certain that's how it goes. *To Be or Not To Be* originally launched as a record-breaking Kickstarter project. This new, reader-friendly edition features the same text and illustrations as the original version, redesigned to take up half as many pages and weigh a whole pound less.

Tin Man Sarah Winman,2018-05-15 My favorite book of the year was *Tin Man*. Sparsely written and achingly beautiful...The most powerful take on love, loss and vulnerability I've read in years.—A Cup of Jo From internationally bestselling author Sarah Winman comes an unforgettable and heartbreaking novel celebrating love in all its forms, and the little moments that make up the life of one man. This is almost a love story. But it's not as simple as that. Ellis and Michael are twelve-year-old boys when they first become friends, and for a long time it is just the two of them, cycling the streets of Oxford, teaching themselves how to swim, discovering poetry, and dodging the fists of overbearing fathers. And then one day this closest of friendships grows into something more. But then we fast-forward a decade or so, to find that Ellis is married to Annie, and Michael is nowhere in sight. Which leads to the question: What happened in the years between? With beautiful prose and characters that are so real they jump off the page, *Tin Man* is a love letter to human kindness and friendship, and to loss and living.

You Are The Hero Jonathan Green,2014-09-07 Fighting Fantasy gamebooks have sold over 17 million books worldwide, in over 30 languages. But when Steve Jackson and Ian Livingstone sat down to write *The Warlock of Firetop Mountain* they had no idea this one book would go on to spawn another eighty or more titles, and have an immeasurable impact on a generation of children growing up in the 1980s. Part history, part celebration, *YOU ARE THE HERO* chronicles more than three decades of Fighting Fantasy. Written by Jonathan Green (author of seven Fighting Fantasy titles), this mighty tome will appeal to anyone who ever wiled away a washed-out summer holiday with only two dice, a pencil, and an eraser for company. This is a fixed format PDF eBook, with all of the same stunning, full-colour artwork as the hardback and paperback. Best viewed on a colour screen of 7 upwards, as a daily reader to keep your precious hardback safe. “*YOU ARE THE HERO* is as read-under-the-covers immersive as its subject matter; great characters, amazing stories and a surprise behind every door. 5 stars! -- SCIFI Now “The most comprehensive history of the Fighting Fantasy phenomenon I've ever seen. With its maps, notes, art and photographs it's not just a celebration but a fascinating resource. -- SFX “How many thousands of heroes did these books create? And how many lost their lives with a bad roll of the dice? A publishing phenomenon, without which computer games wouldn't be what they are today. About time these books were celebrated. Now go to page 45 and face your nemesis. -- Charlie Higson

Extra Lives Tom Bissell,2011-06-14 In *Extra Lives*, acclaimed writer and life-long video game enthusiast Tom Bissell takes the reader on an insightful and entertaining tour of the art and meaning of video games. In just a few decades, video games have grown increasingly complex and sophisticated, and the companies that produce them are now among the most profitable in the entertainment industry. Yet few outside this world have thought deeply about how these games work, why they are so appealing, and what they are capable of artistically. Blending memoir, criticism, and first-rate reportage, *Extra Lives* is a milestone work about what might be the dominant popular art form of our time.
