India and Central Europe Rajendra K. Jain,2021-09-01 This book explores the transformation of India's relations with Central and Eastern Europe from being a subset of Indo-Soviet relations during the Cold War to the rediscovery and rebuilding of relations with the region almost from scratch in the post-Cold War era. It examines how the combination of Brexit, the rise of China and India's expanding geo-economic interests in Europe has led the Narendra Modi government to contemplate relations with Central Europe through a more strategic lens and treat the region as an autonomous element within India's foreign policy rather than a footnote of its relations with other great powers. Fulfilling a long-felt gap in existing literature, this volume examines India's political, economic, investment, defence and cultural relations with the Visegrad Four (the Czech Republic, Hungary, Poland and Slovakia). It analyzes Indian perceptions of Central Europe and explores prospects of New Delhi's political and economic engagement with the region. The painstakingly compiled appendices on the exchange of bilateral visits and agreements between India and the Visegrad Four would be of immense use as a handy reference to scholars, policy-makers, and other interested persons and institutions.

In this book, Elisabeth Braw offers the first sustained analysis of how new tactics in the gray zone between war and peace dangerously weaken liberal democracies. She discusses the breadth of gray-zone aggression and presents strategies for better defense against it.

**The Tango Singer** Tomás Eloy Martínez,2007 Bruno Cadogan has flown from New York to Buenos Aires in search of the elusive and legendary Julio Martel, a tango singer whose voice has never been recorded and yet, is said to be so beautiful that it is almost supernatural. **Meaningless** Tomás Ruiz-Rivas,2021-08-09 Un fotógrafo madrileño se traslada a la Ciudad México a mediados de los años 90, donde se sumerge en una búsqueda incansable sobre el sentido de la creación artística, el fenómeno urbano de la megalópolis y su propia identidad. Entre escenas retrospectivas de su vida anterior en Madrid, lo seguiremos en la exploración de la gran metrópoli durante una época marcada por el boom del arte mexicano en un mercado internacional en plena expansión, el nacimiento de Internet con la subsiguiente burbuja financiera y la escalada de la droga en la sociedad mexicana. Tomás Ruiz-Rivas es artista, escritor y curador de arte contemporáneo. Desde principios de los 90 ha desarrollado su trabajo en los márgenes del arte, centrado en el desarrollo de estructuras alternativas para la creación. Su obra se enmarca en la llamada crítica institucional, pero abarca desde la producción simbólica a las políticas culturales, de manera que constituye una unidad en la que se cancelan las diferencias entre las categorías establecidas del creador, el curador, el activista, el gestor y el crítico. Esta novela, despiadada en su visión de la sociedad y la cultura actuales, refleja a través de personajes de ficción las experiencias de su autor tanto en la escena alternativa de Madrid a principios los 90, como luego en el arte mexicano de los últimos años del siglo XX. El relato establece además paralelismos inquietantes entre el arte, la especulación financiera y el universo de la cocaína.

**Hotel** Carlos De Tomás,2013 Hotel, el último libro de Carlos de Tomás (El cuaderno veintiuno o Café Bramante), es una obra de difícil clasificación ¿Cuatro relatos? Tal vez se trata de una sola historia, troceada en el espacio y el tiempo. Hotel, puede ser el terreno de juego, o el damero donde se desarrolla un juego maldito, cuyo final es siempre el mismo. Incluso, cuando el final es feliz se trata de una felicidad compleja, dudosa felicidad que nos obliga a reflexionar sobre las cuestiones más profundas de nuestra existencia. El protagonista es Frank, o Ramón, o...Aunque, todos los protagonistas son en realidad Frank en distintos momentos y lugares del Cosmos. Parecen humanos, otras veces aparentan ser de un material cercano al látex o al silicio, nunca lo sabremos con certeza en esa duda tan bien tramada e inquietante con la que Carlos de Tomás nos despacha. El libro, proporciona buenas dosis de entretenimiento y un humor delirante que nos aprisiona a sus páginas, cargadas de símbolos y referencias muy cercanas. ¿La chica? Esa, es la Suzanne de Leonard Cohen, con la que todos queremos sentarnos a contemplar el mar y esperar que nos diga que somos el amor de su vida. Aunque, Frank en algún momento es ese personaje al que se le va la olla y reproduce la sobada frase: hay amores que matan, como ocurre en el relato largo La vida de Frank. Carlos de Tomás, en Hotel, se aleja de la novela negra y nos adentra en un mundo extraño, ciberpunk y paranoico, no obstante muy sugerente donde juega con la moralidad, la amoralidad, la inmoralidad...Eres de moral dudosa, Frank, dice ella apenas sin acritud. ¿A dónde vamos? No te pierdas este libro, nunca habrás leído nada igual. Sugerente e imprescindible. Muy oportuno.

Adults in Higher Education Robin Mark,Mireille Pouget,Edward Thomas,2006 This book is the result of research carried out by the partners in the Adults Learning and Participating in Education (ALPINE) Project, a project that is principally concerned with increasing the amount of adult education provided by European universities. It begins by outlining the current debate about widening participation in institutions of higher education in general and identifying issues within the context of the policy that is being developed for this sector in Europe. It continues with a description of the position in each of the selected countries in Central and Western Europe. Experienced adult education practitioners from twenty European countries have each determined the nature and extent of the current provision of adult higher education in their own country. Two final chapters of analysis and conclusions complete this survey which is the most extensive of its type that has yet been carried out in Europe.
