100 Fun & Easy Learning Games for Kids Amanda Boyarshinov,Kim Vij,2016-05-24 Learn While You Play With These Fun, Creative Activities & Games From two experienced educators and moms, 100 Fun & Easy Learning Games for Kids prepares your children to thrive in school and life the fun way by using guided play at home to teach important learning topics—reading, writing, math, science, art, music and global studies. Turn off the TV and beat boredom blues with these clever activities that are quick and easy to set up with common household materials. The huge variety of activities means you can choose from high-energy group games full of laughter and delight, or quiet activities that kids can complete on their own. All activities highlight the skill they teach, and some are marked with a symbol whether they are good for on-the-go learning or if they incorporate movement for kids to get their wiggles out. In Zip-Line Letters, children learn letter sounds as the letters zoom across the room. In Parachute Subtraction, place foam balls in a parachute, then kids shake the parachute and practice subtraction as they count how many balls fall off. Kids will have so much fun, they won't even realize they're gaining important skills! The activities are easy to adapt for all ages and skill levels. 100 Fun & Easy Learning Games for Kids is the solution for parents—as well as teachers, caregivers or relatives—to help kids realize how fun learning can be and develop what they'll need to do well wherever life takes them.

**101 Drama Games for Children** Paul Rooyackers,1998 Drama games are not staged plays but a dynamic form in which children explore their minds and the world around them. They can use their play-acting in sensory games, pantomimes, story games with puppets, in creating masks and costumes, and much more. Drama games allow children to get more in touch with themselves and what they want to be, and are a delightful way to discover the freedom, creativity, and expression of acting- and living. The SmartFunActivity series encourage imagination, social interaction, and self-expression in children. To make the books easy to use, games are marked according to appropriate age levels, length of play time, and group size, using helpful icons. Most games are non-competitive and none require special skills or training. The series is widely used in homes, schools, daycare centers, clubs, and summer camp.
