Box 21 Anders Roslund,Borge Hellstrom,2009-10-13 The International Thriller that Stockholm City hailed as the Best Crime Novel of the Year has finally crossed the Atlantic! Three years ago, Lydia and Alena were two hopeful girls from Lithuania. Now they are sex slaves, lured to Sweden with the promise of better jobs and then trapped in a Stockholm brothel, forced to repay their debt. Suddenly they are given an unexpected chance at freedom, and with it the opportunity to take revenge on their enslavers and reclaim the lives and dignity they once had. What will happen now that the tables are turned and the victims fight back? In this masterful thriller, the celebrated team of Anders Roslund and Börge Hellström delve into the seedy underbelly of Stockholm. There we meet Lydia and Alena as they embark on a desperate plan to expose their captor and demand justice; police officers Sundkvist and Grens, on the trail of both Lydia's enslavers and Jochum Lang, a notorious mob enforcer; and Hilding Oldéus, a junkie on what might be his last—and most destructive—bender. At the Söder Hospital, their destinies begin to converge in unexpected and explosive ways. Box 21 is a Scandinavian thriller of the highest order: a mindblowing psychological drama written with powerful intensity. When it was published in Sweden, Solo called it

suspenseful, gripping, and intelligently written . . . Almost impossible to put down, while SVT exclaimed: Forget crime literature; this is, simply put, great literature!

LABOUR CAMP JASENOVAC Igor Vuki ,2019-10-15 The Ustasha camp in Jasenovac is a sensitive historical theme, which still provokes strong political conflicts more than 70 years after the closure of the camp. During the time of the second Yugoslavia, the camp was made into a myth and one of the main levers for disciplining the society of the time. The Communist Party imposed the number of 700,000 victims and an exaggerated view of the alleged crimes and methods of killing inmates. The aim was to present itself as sole guarantor of security, because in the case of its reigning-in, the fratricidal war would happen again, with Jasenovac as its main symbol. Before 1990, an attempt to point out the absurdity of the 700,000 alleged victims of Jasenovac entailed going to prison or compulsory psychiatric treatment. The documents referenced in this book indicate the need to continue with research of the Jasenovac camp and that in a democratic atmosphere, as far as possible, its realistic historical picture may be reached.
