influencers, bloggers, creators, artists, and individuals possessing talent and an entrepreneurial mindset. Founded in 2015, our label aims to introduce talented artists to the market, making their work recognized globally. Our visionary founder, Mr. Kavish Bhardwaj, is also the current Managing Director of a company and envisioned a social network where talented individuals can support each other and obtain amazing opportunities to work. Today, Fame Dila Doon has helped promote many artists and creators, and their success stories are countless. We offer several services like social media management, social media promotion, digital marketing, branding, business growth, and talent showcasing. We function as a network of marketing agencies, media networks, publishing houses, media houses, and studios both nationally and internationally. We have already promoted over 5000+ talented personalities all over the world, and Fame Dila Doon is more than just a name - it's a brand. As proof of our credibility, we are registered on the world's biggest magazine platform, Magzter.

Best Friends Forever Irene S. Levine, 2009-09-01 Men, jobs, children, personal crises, irreconcilable social gaps—these are just a few of the strange and confusing reasons which may cause

a female friendship to end. No matter the cause, the breakup of a female friendship leaves a woman devastated and asking herself difficult questions. Was someone to blame? Is the friendship worth fighting for? How can I prevent this from ever happening again? Even more upsetting is that women suffering from broken friendships often have no one to confide in; while the loss of a romantic partner garners sympathy among peers, discussing the loss of a platonic friend is often impossible without making other friends jealous or uncomfortable. Written by journalist and psychologist Irene Levine, Ph.D., *Best Friends Forever* is an uplifting and heroically honest book for abandoned friends seeking solace. Dr. Levine draws from the personal testimonials of thousands of women to provide anecdotes and groundbreaking solutions to these complicated situations. Offering tools for personal assessment, case stories, and actionable advice for saving, ending, or re-evaluating a relationship, Levine shows that breakups are sometimes inevitable. Although the dissolution of female friendships can be difficult, *Best Friends Forever* teaches women to stop blaming themselves and probing the wounds, and that the sad experience of a broken friendship can make them stronger people, and more able to handle

their relationships with wisdom.
