Elephant Company Vicki Croke, 2015-04-14 NEW YORK TIMES BESTSELLER • A NEW YORK TIMES NOTABLE BOOK The remarkable story of James Howard “Billy” Williams, whose uncanny rapport with the world’s largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill In 1920, Billy Williams came to colonial Burma as a “forest man” for a British teak company. Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle, he became a gifted “elephant wallah.” In *Elephant Company*, Vicki Constantine Croke chronicles Williams’s growing love for elephants as the animals provide him lessons in courage, trust, and gratitude. *Elephant Company* is also a tale of war and daring. When Japanese forces invaded Burma in 1942, Williams joined the elite British Force 136 and operated behind enemy lines. His war elephants carried supplies, helped build bridges, and transported the sick and elderly over treacherous mountain terrain. As the occupying authorities put a price on his head, Williams and his elephants faced their most perilous test. *Elephant Company*, cornered by the enemy, attempted a desperate escape: a risky trek over the mountainous border to India, with a bedraggled group of refugees in tow. Part biography, part war epic, *Elephant Company* is an inspirational narrative that illuminates a little-known chapter in the annals of wartime heroism. Praise for *Elephant Company* “This book is about far more than just the war, or even elephants. This is the story of friendship, loyalty and breathtaking bravery that transcends species. . . . *Elephant Company* is nothing less than a sweeping tale, masterfully written.”—Sara Gruen, *The New York Times Book Review* “Splendid . . . Blending biography, history, and wildlife biology, [Vicki Constantine] Croke’s story is an often moving account of [Billy] Williams, who earned the sobriquet ‘Elephant Bill,’ and his unusual bond with the largest land mammals on earth.”—*The Boston Globe* “Some of the biggest heroes of World War II were even bigger than you thought. . . . You may never call the lion the king of the jungle again.”—*New York Post* “Vicki Constantine Croke delivers an exciting tale of this elephant whisperer-cum-war hero, while beautifully reminding us of the enduring bonds between animals and humans.”—Mitchell Zuckoff, author of *Lost in Shangri-La* and *Frozen in Time*

Choosing Craft Vicki Halper, Diane Douglas, 2009-05-15 Choosing Craft explores the history and practice of American craft through the words of influential artists whose lives, work, and ideas have shaped the field. Editors Vicki Halper and Diane Douglas construct an anecdotal narrative that examines the post-World War II development of modern craft, which came of age alongside modernist painting and sculpture and was greatly influenced by them as well as by traditional and industrial practices. The anthology is organized according to four activities that ground a professional life in craft--inspiration, training, economics, and philosophy. Halper and Douglas mined a wide variety of sources for their material, including artists' published writings, letters, journal entries, exhibition statements, lecture notes, and oral histories. The detailed record they amassed reveals craft's dynamic relationships with painting, sculpture, design, industry, folk and ethnic traditions, hobby craft, and political and social movements. Collectively, these reflections form a social history of craft. Choosing Craft ultimately offers artists' writings and recollections as vital and vivid data that deserve widespread study as a primary resource for those interested in the American art form.

Summary of Vicki Constantine Croke's Elephant Company Everest

Media,2022-05-26T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 In the jungle-clad hills of Northwest Burma, Billy Williams, delirious with fever, began to regain consciousness. He was riding an elephant through the raging Yu River, and he had never been sicker. He was grateful and believed in Bandoola, his elephant, who could navigate the crossing safely. #2 The order Hmit! was given, and Bandoola sank down, back legs buckling first into the sludge, then the front. Several Burmese men struggled to hoist the unconscious Williams up to the basket atop Bandoola's shoulders. #3 Williams knew the jungle was cruel, and that illness and accident were common among teak men. He and his colleagues tried to tough it out, but many died from simple ailments. #4 The journey took a toll on Williams, and he fell into a coma. When he woke up, he had to decide whether to travel overland through impenetrable virgin forest or by water, shooting down the dangerous rapids. Either way, he needed to reach the more populated banks of the mighty Chindwin River.
