Llc Membership Certificates Corporate Starter Kit Platinum Black Services Llc,2017-05-17 Starting an LLC (Limited Liability Company)? Started an LLC and need to issue membership certificates that look professional and are easy to use? If yes, then this book is for you! What is an LLC (Limited Liability Company)? An LLC is a hybrid type of legal entity that provides the limited liability features of a corporation and the tax benefits and operational flexibility of a partnership. Owners of an LLC are referred to as members. Depending on the state, the members can consist of a single individual (one owner), two or more individuals, corporations or other LLCs. What is an LLC membership certificate? An LLC membership certificate is a document that certifies ownership and specifies the number of units or percentage owned by a member in an LLC. While LLC membership certificates aren't required by federal or state law, it is still highly recommended for LLCs to use them. Without an LLC membership certificate to show evidence of ownership a member may have no say or control in how an LLC is structured or operates. Generally, LLC membership certificates are issued during the initial meeting of its members. A membership transfer ledger is also used to accurately record membership transactions whether it is an initial issuance of units or percentage of ownership or any subsequent transfers during the LLC's existence. This book contains 20 blank LLC membership certificates (for the use of any LLC organized in the state of Oregon), a membership transfer ledger to record buy-sell transactions of units or percentage of ownership, and bill of sale forms to document the purchase of units or percentage of ownership. The Ex-Wives' Guide to Divorce Holiday Miller,Valerie Shepherd,2016-08-16 Witnessing a woman go through divorce is like watching a tornado tear up a trailer park. Not only is someone losing their home and life as they know it, but for most women, it seems to go down with some extra drama thrown in the mix. This is where the advice of authors, Holiday Miller and Valerie Shepherd, two experts in all things divorce, comes in handy. Their unique friendship began after they had both married and divorced the same man! The Ex Wives’ Guide to Divorce was born from this friendship with the goal to ease women’s fears, save them money, and give them a road map of what lies ahead. It will motivate women to get their head out of the sand and build their future dream sand castle by themselves, sans Prince Charming. Divorce is painful, heartbreaking, and pretty miserable for everyone involved. While men tend to champion the process, most women collapse and become emotionally distracted. Miller and Shepherd’s experience is while the husband is gathering ammunition with his high paid attorney; the wife is frantic and disorganized—most likely spending her energy on the phone with her best friend or sister, instead of preparing herself for the battle ahead. This helpful guide teaches women how to manage the “business of divorce” in a focused, realistic, and organized manner. Miller and Shepherd aren’t lawyers or psychologists, but they’ve experienced the process first hand and offer advice on how to build a support system and come out ahead. This book charges women to “put their big girl panties on” and maintain a tenacious spirit while preparing and organizing for their divorce.

Happier Now Nataly Kogan,2018-05-01 Experience more joy and meaning each day—and have greater resilience when times get tough What if you could be happier, right now, without radically changing your life? As nationally recognized happiness expert Nataly Kogan teaches, happiness is not a nice feeling or a frivolous extra. It's a critical, non-negotiable ingredient for living a fulfilling, meaningful, and healthy life—and it's a skill that we can all learn and improve through practice. In *Happier Now*, Nataly shares an illuminating, inspiring, and science-based guide to help you build your happier skills and live with more joy, starting now. Nataly's own journey from Russian refugee to successful investor, tech executive, and founder and CEO of Happier taught her an important lesson: no matter how much you accomplish, how much you live the right way, or even how much gratitude you practice, life won't always be smooth. We experience genuine and lasting happiness when we stop trying to turn the negative into the positive, Nataly writes, and when we embrace the full range of our human emotions with compassion and strength. Throughout this engaging guide, Nataly describes how she went from being cynical and resistant to the ideas behind self-improvement and spirituality, to studying everything she could on the science of happiness, to completely shifting her mind-set. You'll learn five core practices for building your happier skills—acceptance, gratitude, intentional kindness, knowing your bigger why, and self-care—along with the scientific research that supports each one. Highlights include: Daily Anchors—Cultivate a custom set of simple daily practices, fine-tuned for your emotional health needs • Bring more joy and meaning into your life as it is—without needing to make difficult or time-consuming changes • How happiness leads to many of the things you want in life, rather than results from them • Learn an effective five-minute happier workout for whenever you need a boost • Strengthen your emotional immune system so you can be okay when times are tough—and bounce back to happy sooner • Specific instructions for tools and techniques that work—based on what's actually happening in your brain • Effective exercises, journaling prompts, and key insights for developing each core happier skill As Nataly says: It's time to stop saying 'I'll be happy when . . .' and start saying 'I'm happier now because . . .'
