**Women, Gender and Conditional Cash Transfers** Teresa Sacchet, Silvana Mariano, Cássia Maria Carloto, 2020-09-02 Conditional Cash Transfer Programs have been widely used throughout less developed countries to fight poverty and foster socioeconomic development. In *Women, Gender and Conditional Cash Transfers*, a multidisciplinary group of feminist scholars use survey data analysis, in-depth interviews, and ethnographic and archival research to explore the extent to which Bolsa Família in Brazil contributes to women's autonomy and improves gender relations. Comprised of nine chapters, written by authors from different regions of Brazil, this book captures perspectives from across Brazil to explain these regional social inequalities and provide historical, and up-to-date, insights of this program from a feminist perspective. The authors are able to move beyond conventional feminist knowledge on CCTs, women and gender relations, through considering questions of gender raised in the specialized literature related to Bolsa Família, and by addressing concerns of intersectional categories such as race, ethnicity, age and geographic location. *Women, Gender and Conditional Cash Transfers* will be of great interest not only to scholars of Latin American politics, but also to students of development policy, public policy and gender.

*Descolonização e Despatriarcalização à Plurinacionalidade e ao Bem-Viver na Bolívia* Mariana Rocha Malheiros, 2023-02-14 A partir da promulgação da Constituição de 2009, que estabelecia o Estado Plurinacional e o Vivir Bien, a Bolívia ampliou um processo de acesso dos povos indígenas aos espaços de poder, bem como efetivou direitos sociais que promoveram a dignidade e qualidade de vida à sua população, em um processo de câmbio visto como um caminho para a descolonização do Estado. Por outro lado, as mulheres, especialmente as indígenas que participaram desse processo, reivindicavam suas pautas, tendo como marco a despatriarcalização do Estado e da sociedade. Nesse sentido, *Mujeres Creando* e o Feminismo Comunitário de Abya Yala foram vozes ativas nessas construções, organizando-se dentro da práxis dos movimentos de mulheres bolivianos. Partindo dessas perspectivas, questiona-se: o Estado Plurinacional voltado à construção do Vivir Bien dialogou com os movimentos de mulheres, escutando e efetivando suas reivindicações para promoção de uma Bolívia que objetivava a descolonização e despatriarcalização de suas estruturas? Assim, o principal objetivo deste trabalho é analisar a recepção do Estado Boliviano às lutas e reivindicações trazidas pelas mulheres à Plurinacionalidade e ao Vivir Bien, estabelecendo as relações organizadas por esses movimentos de mulheres para descolonização e despatriarcalização da Bolívia, na construção de uma política feminista contra-hegemônica.

**Violência psicológica contra a mulher** Ana Luisa Schmidt Ramos, 2022-01-01 Em 2 anos e 5 meses como juíza no Juizado da Violência Doméstica e Familiar contra a Mulher, a autora do livro não viu ajuizada nenhuma ação relacionada à lesão corporal como dano psíquico. A partir deste feito surgiu uma grande angústia: como não havia ações judiciais versando sobre a violência psicológica, se tantas mulheres noticiavam a ocorrência do crime? Este foi o ponto de partida para Ana Luisa Schmidt Ramos iniciar a escrita da obra. Ao unir seu conhecimento na magistratura com o conhecimento do Direito e da sua recém iniciada graduação em psicologia escreveu a primeira edição do livro em 2017. *Violência psicológica contra a mulher: dano emocional e aspectos criminais* chega a sua 3ª edição, totalmente revisada e atualizada conforme a lei n. 14.188/21 que inseriu, no artigo 147-B do Código Penal, o crime de violência psicológica contra a mulher. Apesar de um bem-intencionado objetivo de salvaguardar a saúde mental da mulher, o dispositivo acabou por dificultar, ainda mais, a proteção a esse bem jurídico. No decorrer da obra é apontado que o novo tipo penal não é aplicável, seja porque remete ao artigo 129, já existente em nosso Código Penal desde 1940, seja porque na aplicação subsidiária padece de inconstitucionalidade.

*Sexo, gênero e sexualidades* Elsa Dorlin, 2021-07-26 Neste breve ensaio, a filósofa francesa e militante Elsa Dorlin investiga o histórico de três conceitos fundamentais para as teorias feministas: sexo, gênero e sexualidade. O sexo biológico determinaria a sexualidade? O gênero é uma divisão biológica ou uma construção social? Como se articulam a identidade sexual, o papel sexual e os atributos sexuais? Como é feita a atribuição de sexo para bebês intersexo? Com base em perguntas como estas, o livro sintetiza o pensamento feminista dos últimos quarenta anos. Trata-se de um questionamento que analisa os pontos de vistas das múltiplas tradições disciplinares que atuam na definição do sexo (medicina, sociologia, direito etc.), demonstrando seus efeitos no campo político. Ao trazer à tona as crises e tensões ligadas aos papéis de sexo, à organização familiar, às tarefas domésticas e ao corpo, *Sexo, gênero e sexualidades* recupera as resistências soterradas, as lutas e os saberes das mulheres.

**Discriminação racial nas relações de trabalho** Rúbia Zanotelli de Alvarenga, 2023-01-23 A obra *Discriminação racial nas relações de trabalho*, organizada por Rúbia Zanotelli de Alvarenga, se coloca, no contexto em que se insere, como uma obra necessária para se pensar a discriminação e o racismo étnico-racial, no campo das relações de trabalho. Constituída por 21 capítulos, a obra apresenta, a partir de uma ótica jurídica, uma abordagem multidisciplinar acerca da discriminação e do racismo étnico-racial, compreendido como fenômeno integrante da formação da sociedade brasileira e cujos desdobramentos ainda são percebidos nos mais diversos e distintos campos, incluindo-se, aqui, por óbvio, as relações de trabalho. Nesse jaez, a temática estabelecida pelo livro encontra maior relevo ao se pensar, sobretudo, no contexto nacional e global, o movimento em torno do combate às práticas de violência institucional, necropolítica, necropoder e marginalização enquanto projeto de grupos hegemônicos face a grupos tradicionalmente vulnerabilizados. A obra se apresenta densa e se localiza harmoniosa com o contexto contemporâneo, convergindo múltiplos olhares e percepções crítico-científicas acerca das questões étnico-raciais no âmbito do Direito. Trata-se de uma contribuição importante para se pensar a temática dos direitos da população negra e os obstáculos para sua efetivação, com enfoque especial para o âmbito laboral. Lasers in Dentistry Patricia M. Freitas, Alyne Simões, 2015-04-27 Lasers have become an increasingly useful tool in conventional dental practice. Their precision and less invasive quality make them an attractive technology in esthetic and pediatric dentistry, oral medicine, and a range of other dental procedures. *Lasers in Dentistry: Guide for Clinical Practice* is a comprehensive, yet concise and easy-to-use guide to integrating lasers into conventional clinical practice. The book begins by providing the reader a thorough understanding of how lasers work and their varied effects on oral tissues. Subsequent chapters are organized by procedure type, illustrating common clinical techniques with step-by-step illustrations and case examples. In addition, each chapter provides an overview of the latest research for use in clinical practice. **The Complete Book of 1990s Broadway Musicals** Dan Dietz,2016-09-29 In The Complete Book of 1990s Broadway Musicals, Dan Dietz examines in detail every musical that opened on Broadway during the 1990s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues. **O impresso como intervenção social** Ernando Brito Gonçalves Junior,2016-01-01 Na perspectiva de Dario Vellozo, figura notória que atuou intensamente no cenário educacional, na vida literária e na imprensa paranaense, o impresso ganha destaque como um dos principais mecanismos de divulgação e de mudança social. Nessa narrativa das estratégias de intervenção social elaboradas por Vellozo, também a história e a educação entram como discursos legitimadores de ideais e caminhos de transformação. À Imprensa cabe, neste período de elaboração da psiquê nacional, importante desempenho. É ela o veículo de idéias em contacto direto com a massa alfabetizada. A orientação, boa ou má, da escola, complemento do lar, lapida-se e amadurece ao contacto da Imprensa. Divulgando ideais gerais, programa de ação, sugestões úteis, para melhora coletiva, transmite ao povo a mais eficiente base cívica. A Imprensa honesta e sincera é luz na formação nacional; é guia da opinião pública e - se compenetrada de seus fins - é Escola de todos. Dario Vellozo

China Bound Robert Bickers,2020-03-05 From its origins in Liverpool in 1816, one unusual British firm has threaded a way through two centuries that have seen tumultuous events and epochal transformations in technologies and societies. John Swire & Sons, a small trading company that began by importing dyes, cotton and apples from the Americas, now directs a highly diversified group of interests operating across the globe but with a core focus on Asia. From 1866 its fate was intertwined with developments in China, with the story of steam, and later of flight, and with the movements of people and of goods that made the modern world. China Bound charts the story of the firm, its family owners and staff, its operations, its successes and its disasters, as it endured wars, uprisings and revolutions, the rise and fall of empires - China's, Britain's, Japan's - and the twists and turns of the global economy. This is the story of a business that reshaped Hong Kong, developed Cathay Pacific Airways, dominated China's pre-Second World War shipping industry, and helped pioneer containerization. Robert Bickers' remarkable new book is the history of a business, and of its worlds, of modern China, Britain, and of the globalization that entangled them, of compradors, ship-owners, and seamen, sugar travellers, tea-tasters, and stuff merchants, revolutionaries, pirates and Taipans. Essential reading for anyone with an interest in global commerce, China Bound provides an intimate history that helps explain the shape of Asia today.

**A Century of Musicals in Black and White** Bernard L. Peterson Jr.,1993-10-25 This comprehensive reference book provides succinct information on almost thirteen hundred musical stage works written and produced from the 1870s to the 1990s involving contributions by black librettists, lyricists, composers, musicians, producers, or performers or containing thematic materials relevant to the black experience. Organized alphabetically, they include tent and outdoor shows, vaudeville, operas and operettas, comedies, farces, spectacles, revues, cabaret and nightclub shows, children's musicals, skits, one-act musicals, one-person shows, and even a musical without songs. In addition to the hundreds of shows independently created,

produced, and performed by black writers and theatrical artists, it presents hundreds more representing a collaboration of black and white talents. An appendix organizes the shows chronologically and highlights those that were most significant in the history of the black American musical stage. An extensive bibliography and indexes of names, songs, and subjects complete the work.
