**Winchester, Connecticut: A History from Founding to Flood** Virginia Shultz-Charette,2021 Winchester and Winsted once blossomed with commerce. From cheeses that were sold to the most exclusive restaurants in major cities to tourism that proclaimed the lake's the thing, the towns thrived. The production of clocks, clothing, knives and gold- and silver-plated coffin trimmings helped establish the region's prominence. Famous names like Rockwell, Beardsley, Boyd, Gilbert and Strong highlight the town's history, not only due to their business acumen but also because of their philanthropy. Colonel Samuel B. Horne, who earned the Medal of Honor in the Civil War, along with noteworthy journalists and artists all made their home here. And then, in 1955, disaster struck. Join local historian and author Virginia Shultz-Charette as she recounts the town's development and how the great flood changed everything.

**Fight Back and Win** Gloria Allred,Deborah Caulfield Rybak,2009-10-13 Voted by her peers as one of the best lawyers in America, and described by Time magazine as one of the nation's most effective advocates of family rights and feminist causes, Allred has devoted her career to fighting for civil rights and has won hundreds of millions of dollars for victims of abuse. She has taken on countless institutions to promote equality,

including the Boy Scouts, the Friars Club, and the United States Senate. And as the attorney for numerous high-profile clients—including Nicole Brown Simpson's family, actress Hunter Tylo, and Amber Frey, Scott Peterson's girlfriend—Allred has helped victims assert and protect their rights. Throughout her memoir, Allred offers colorful—sometimes shocking—examples of self-empowerment from her personal and professional life. Presenting nearly fifty of her most memorable cases, Allred takes us deep inside the justice system to show how it's possible to win even in the face of staggering odds. Her inspiring true stories serve to remind us that winning justice depends on the righteousness of the cause and an individual's willingness to stand up, speak out, and fight back. *Fight Back and Win* is a powerful testament to Gloria Allred's trailblazing career and the battles she has fought alongside countless brave individuals to win justice for us all.

*Winsted and Winchester* Virginia Shultz-Charette,Verna Gilson,2012 Winchester, a remote hilltop region of dense forests, rocky ledges, and fast-moving streams, was a wilderness when first organized in 1771. Cattle enjoyed the region's abundant grasses, and as a result, a large dairy industry emerged, evident from the tons of cheese shipped to distant markets by the 1850s. Winsted, a borough in the valley below Winchester, was incorporated in 1858 and developed into an industrial giant by the 1870s. Its strategic location on coursing streams and two extensive railroad lines enabled Winsted to manufacture and export a wide variety of goods, ranging from caskets to clocks and silk threads to wool socks. Breathtaking vistas beckoned tourists

to Highland Lake, the area's recreational attraction, where they swam, sailed, and enjoyed Electric Park, referred to as Little Coney Island. Through vintage images captured by professional photographers, Winsted and Winchester portrays the growth and transition of these communities from 1870 to 1920-- a time that was quickly lost to modernity.

**Another Day's Begun** Howard Sherman, 2021-01-14 A work of startling originality when it debuted in 1938, Thornton Wilder's *Our Town* evolved to be seen by some as a vintage slice of early 20th Century Americana, rather than being fully appreciated for its complex and eternal themes and its deceptively simple form. This unique and timely book shines a light on the play's continued impact in the 21st century and makes a case for the healing powers of Wilder's text to a world confronting multiple crises. Through extensive interviews with more than 100 artists about their own experience of the play and its impact on them professionally and personally - and including background on the play's early years and its pervasiveness in American culture - *Another Day's Begun* shows why this particular work remains so important, essential, and beloved. Every production of *Our Town* has a story to tell beyond Wilder's own. One year after the tragedy of 9/11, Paul Newman, in his final stage appearance, played the Stage Manager in *Our Town* on Broadway. Director David Cromer's 2008 Chicago interpretation would play in five more cities, ultimately becoming New York's longest-running *Our Town* ever. In 2013, incarcerated men at Sing Sing Correctional Facility brought Grover's Corners inside a maximum security prison. After the 2017 arena bombing in Manchester UK, the Royal Exchange Theatre chose *Our Town* as its offering to the stricken community. 80 years after it was written, more than 110 years after its actions take place, *Our Town* continues to assert itself as an essential play about how we must embrace and appreciate the value of life itself. *Another Day's Begun* explains how this American classic has the power to inspire, heal and

endure in the modern day, onstage and beyond.

Simultaneously, the rapidly expanding uses of drones as advanced sensor platforms raise new legislative, ethical and transparency issues. Responsible Drone Journalism investigates the opportunities and dilemmas of using drones for journalistic purposes in a global perspective. Drawing on a framework of responsible research and innovation (RRI), the

book explores responsible drone journalism from multiple perspectives, including new cultures of learning, flying in lower airspace, drone education and concerns about autonomous agents and big data surveillance.
