Breathing T.O. Smith, 2023-12-15 That night, he lost everything. And now, she wants to show him how to breathe again. There's not much I won't do for this club. They gave me a purpose. Joey, the prez, stopped me from destroying my life. Everything was pieced back together. I had my family again. My parents even let me know my little sister and form a bond with her. But then, that phone call changed everything. Now, I'm suffocating. I can't breathe under the mountain of everything I lost. I can't stand to be in this town anymore. So, when Joey accepts my request to go nomad, I snatch it with both hands and ride away as far and as fast as I can. Five years later, I'm back. It's time for me to stop running. It's time to come home. But I sure as hell was not expecting her when I walked through those doors. She's fire and ice, an entire contradiction I don't know what to do with, and she doesn't know when to just quit. Yet when I'm around her, my lungs fill with air again. I can breathe past all the smoke. I can taste something other than soot. I'll do anything to keep that fresh air. I'll do anything to keep her. Her husband will try to stop me, and when he does, he better hope he's got some kind of deity on his side. Because for her... I'll rip him to shreds.

The Oxford Dictionary of Family Names in Britain and Ireland Patrick Hanks,Richard Coates,Peter McClure,2016-11-17 Containing entries for more

than 45,000 English, Scottish, Welsh, Irish, Cornish, and immigrant surnames, The Oxford Dictionary of Family Names in Britain and Ireland is the ultimate reference work on family names of the UK. The Dictionary includes every surname that currently has more than 100 bearers. Each entry contains lists of variant spellings of the name, an explanation of its origins (including the etymology), lists of early bearers showing evidence for formation and continuity from the date of formation down to the 19th century, geographical distribution, and, where relevant, genealogical and bibliographical notes, making this a fully comprehensive work on family names. This authoritative guide also includes an introductory essay explaining the historical background, formation, and typology of surnames and a guide to surnames research and family history research. Additional material also includes a list of published and unpublished lists of surnames from the Middle Ages to the present day.
