Harry sets out to find the apparent serial killer, but his investigation turns up evidence pointing to the one suspect he cannot possibly believe guilty: his half-brother, Thomas. White Knight Meghan March,2019-10-01 New York Times bestselling author Meghan March continues the story of untold truths and one man's redemption in the *Dirty Mafia Duet*. I never expected to be anyone's white knight. That's not a role I've ever played. But when the Casso crime family shifts into uncharted territory, they're looking for a new hero, and they're looking for me—Cannon Freeman, the black sheep. But my time in disgrace is at an end. It's my turn to rise up and save the people who matter most to me. Even if my family has never given a damn about me, I will not let them fall. More than anything, I will not let her fall. *White Knight* is the second book in the *Dirty Mafia Duet* and should be read after *Black Sheep*.

The Last White Knight Tami Hoag,2011-10-05 With her frayed jeans and cascade of tousled dark hair, Lynn Shaw looks more like one of the teenage residents of Horizon House than their counselor. So it's no wonder State Senator Erik Gunther mistakes her for one. Not that he exactly fits the description of a politician, with his movie-star looks and athletic build. Even Lynn, cynical, stubborn, and decidedly not looking for a relationship, can't ignore her body's response to the man. Allegedly, he's come to defend Lynn from angry locals who don't want her home for delinquent girls in their neighborhood. But as far as Lynn is concerned, he's looking for a photo op, a chance to play the hero—the last thing either she or her troubled girls need. What they need is understanding. Lynn knows teenage rebellion all too well. And she knows firsthand its heartbreaking price. She won't touch the good senator with a ten-foot pole only to watch him disappear once he gets what he wants. Unfortunately, Erik refuses to go away. The moment Erik looks into her emerald eyes, his interest in work falls into serious competition with his interest in Lynn Shaw. Her rejection of his assistance only intrigues him further. He is determined to know her—and to help her. If that means practically moving into Horizon House, so be it. But as the two engage in a battle of hearts, it becomes clear that Lynn is waging a private war of her own, against demons of the past—and against her overwhelming desire for the one man who may be worth fighting for.
