Write Your EBook Or Other Short Book - Fast! Judy Cullins,2005-06 BUSINESS OWNERS AND EXPERTS: Do you have unique, in-demand information and expertise? If so, brand your business with a focused, compelling, and well organized book. Quickly write and publish a top seller that will drive qualified buyers to your business in droves! Too busy to write your own book? Use Judy's chapter blueprint to manage a ghostwriter for blockbuster results. FIRST TIME AUTHORS: Want to manifest your book dream, help others, and make a great living? If so, bypass amateur mistakes. Write and self-publish your saleable book right the first time out. You'll save thousands of time and money mistakes chasing traditional ways that don't support the unknown author. This is not a book on how to write. It is a book on how to get it written.-Dan Poynter, *The Self-Publishing Manual* Save yourself from headaches, disappointments, and money down the drain. Judy puts you on the fastest track to publishing success.-Marcia Reynolds, M.A., M.Ed., *How to Outsmart Your Brain* If you've ever thought of writing a book or even written one but want to improve the process, get this book.-Mary Westheimer, CEO, BookZone.com Worth its pages in gold - Very highly recommended.-Cindy Penn, Senior Amazon top 50 reviewer ABOUT THE AUTHOR: Judy Cullins is an author's advocate with over 20 years of bookcoaching experience. That is why her clients enjoy substantial savings while quickly producing successful books. In additon to her many books she supports author success with free ezines, telelcasses, small group and one-on-one phone coaching via www.bookcoaching.com. Reunion Planner Phyllis A. Hackleman,2009-06 If there is a reunion in your future, whether as the organizer or a helping hand, Reunion Planner is one book you won't want to be without. Reunion Planner leaves nothing to chance. The contents include sections on the following: choosing the proper kind of reunion, recruiting volunteers, selecting the time and place, creating the program, guest speakers, budgeting, notifying the participants and promoting the event, planning meals and decorations, accommodations and transportation, souvenirs and fund raisers, photographers and videographers, building a genealogy, and finishing touches from road signs to thank-you notes and more.

Essential Jazz Lines: In the Style of Clifford Brown - Guitar Edt. COREY CHRISTIANSEN,2011-12-05 Clifford Brown was one of the most influential jazz trumpeters and was a true master of jazz. His fantastic tone, time, feel and command of the jazz language have been inspiring jazz musicians on all instruments for decades. This book breaks down many of the one and two-bar phrases played by Clifford and helps students apply them to their own playing. Lines played over minor, dominant, andmajor chords as well as short, long and minor ii-V material can be mastered

by practicing with the accompanying play-along audio. Chapters on Guide Tones, Bebop Scales, Targeting, and Playing the Upper-Structure will help students analyze and memorize the lines presented in the book. There is also a chapter with further insight in Clifford's style which discusses his phrasing as well as other musical devices he used to get his sound. A must have for aspiring students wanting the master the jazz language. Includes access to online audio

Sports Cardiology Casebook Antonio Pelliccia, 2009-07-21 Comparatively little is known about the risk of sudden death associated with exercise in young competitive athletes, and whether the benefits of sports activity outweigh the hazards of exercise-related fatal events is a clinical dilemma. This is only a small part of the story, however, as there are considerable effects of exercise whether it be at a competitive level or on a 'leisure' level on patients of all ages. This in itself is of massive importance to the cardiac patient population as exercise is a key component of effective recovery and recommended as central in the prevention of much cardiac disease.

Focus On Wood Joints ,2004

Environmental Justice and Sustainability in the Former Soviet Union Julian Agyeman, Yelena Ogneva-Himmelberger, 2009 An examination of the awareness of environmental and social justice issues in the former Soviet republics--from the Western-style democracies of the Baltic region to the totalitarian regimes of Central Asia--and the resulting activism in those states. The legacy of environmental catastrophe in the states of the former Soviet Union includes desertification, pollution, and the toxic aftermath of industrial accidents, the most notorious of which was the Chernobyl disaster of 1986. This book examines the development of environmental activism in Russia and the former Soviet republics in response to these problems and its effect on policy and planning. It also shows that because of increasing economic, ethnic, and social inequality in the former Soviet states, debates over environmental justice are beginning to come to the fore. The book explores the varying environmental, social, political, and economic circumstances of these countries--which range from the Western-style democracies of the Baltic states to the totalitarian regimes of Central Asia--and how they affect the ecological, environmental, and public health. Among the topics covered are environmentalism in Russia (including the progressive nature of its laws on environmental protection, which are undermined by overburdened and underpaid law enforcement); the effect of oil wealth on Azerbaijan and Kazakhstan; the role of nationalism in Latvian environmentalism; the struggle of Russia's indigenous peoples for environmental justice; public participation in Estonia's environmental movement; and lack of access to natural capital in Tajikistan. *Environmental Justice and Sustainability in the Former Soviet Union* makes clear that although fragile transition economies, varying degrees of democratization, and a focus on national security can stymie progress toward just sustainability, the diverse states of the former Soviet Union are making some progress toward green and environmental justice issues separately.

Extreme Skydiving Rob Waring, 2010 Most people enjoy the sport of sky diving because they get to fall at

extremely high speeds, but some people want to go even faster. One man is even experimenting with various methods of increasing his speed. What is he doing to go faster? Is it working?
