

**A Fred Will Reader** Frederic Will,2019-10-18 A Fred Will Reader samples the writings of Frederic Will, compiling excerpts of his poetry, travel work, agricultural sociology, short stories and novels, speculative philosophy, and cultural history. Naming the world, Will says, is at least half of world, the half that gives in to us. The other half, the world that reading invents, is supplied by the reader. By reading each other globally, Will argues that we should learn to share ways of reconstructing the often broken totality of the human condition.

**Screw You Dolores** Sarah-Kate Lynch,2014-04-04 A funny, touching, endearing romp towards happiness by one of New Zealand's best-loved writers. 'In 1997 I wrote my first book about always being on a diet but never being thin. I wanted to call it Screw You Dolores after an anecdote that I felt summed up the attitude I wanted to promote, but my publisher at the time said it was too rude; that little old ladies might be too embarrassed to ask for it or booksellers might want to hide it in brown paper bags. 'In 2013 I wrote my twelfth book and called it Screw You, Dolores. It's about knowing when to do what someone tells you to do, and knowing when to tell them to stick it up their jacksie.' This first book in Sarah-Kate Lynch's Wicked Approach To ... series tackles the subject of happiness, and how and where to find it – especially when you hit that milestone birthday of 50. Just like its author, it's sharp, full of attitude, funny and sassy. Buy it for yourself or for a friend for a good giggle. And buy it because, as she explores how to make herself happy by ignoring the expectations of others, Sarah-Kate Lynch finds great wisdom too.

**THE VAMPIRE AWAKENING** Allan Lavey,Andreas Bathory,2018-04-28 Throughout history, the legend and the mystique of the Vampire endures. Why? This is due in no small part to the power of the archetype in the minds of humankind. It is the spirit that is the Vampire and the emergent force that its presence continues to paint within modern day Vampire culture. The Vampire mirrors the reflections of those qualities that particular people seek to emulate within themselves for what can only be embraced as an innate reason. It's been said by many people that they feel born to it. The Vampire commands its own presence at the core of humankind's nature. In some way, everyone ponders the power that resides in the night side of our being. For those who identify as Vampire, this is the core of what the Vampire is. The night side of a state of essence. The Vampire is rooted in an ascendance to another state of being. An altered state of vibration if you will, an essence that those who call themselves Vampire, seek to rise to. The current state of Vampire Culture has evolved from the roots of its being in the late 1980's and into the 1990's into what it continues to present of itself now. For those who have submersed themselves into the culture, they parlay at the color and the spirit of all that they embrace as being Vampire. Then there are those who understand, intimately, that what this is truly all about to them, is the acceptance of themselves into another state of being entirely. This is when: The Awakening takes place for some. The Vampire Awakening.

**"True Love Never Abdicates"** HibaKhan,2023-12-13 It can be said to a great extent that true love never

abdicates. But, indeed, the path of true love is never uncomplicated. It is full of predicaments. Sometimes we have to pass through the path of flowers and sometimes we have to pass through red burning embers and sometimes full of prickly thorn paths. Some people are blessed to achieve this while some are hapless who are unable to achieve this. Sometimes this love demands patience and sometimes sacrifice but it tests every moment. Sometimes there is a dawn of happiness on this path and sometimes there is darkness full of sorrow on this path. But that all depends on our fidelity, patience, loyalty, behaviour, and destiny. This book is filled with thoughts of many amazing writers based on true love, which vindicates the meaning of true love.
