The Invisible Power of Mathematics Giovanni Samaey,Joos P. L. Vandewalle,2023-03-15 How does homebanking work? How are board games developed? How reliable can wind energy get? How do we discover forged paintings? Do smart girls stay single? How dangerous can a bioterrorist get? In all these questions (and many others), mathematics plays a crucial role in the search for an answer. This book tells the story behind twenty of these questions. This is explicitly not a mathematics book, but a book about the crucial role that mathematics plays in devising the creative solutions the world needs. The questions are divided into three categories: home, garden and kitchen mathematics; mathematics for the workplace; and mathematics for tomorrow's society. The themes illustrate not only the incredibly broad applicability of mathematics in the world around us, but also the great diversity of useful mathematical techniques.

The Little Book of Laughter Dave Keeling,2012-11-29 There are physical, social and mental benefits that humour can bring to the learning environment - benefits such as creating openness, bravery, teamwork, imagination and creativity and, most of all, improving relationships between students and teachers. This book includes a brief history of laughter, gives you the rules of Funny and explains why having a laugh should be in your job description. Included are exercises to encourage laughter and techniques that will create an environment that is linked to encouraging and improving learning as well as a whole load of comical comments, quotes and, of course, gags.

Media & Entertainment Law Ursula Smartt,2022-11-29 Now in its fifth edition, this textbook combines comprehensive coverage with rigorous analysis of a key area of the law. The author illuminates how the courts strive to strike a balance between the freedoms and responsibilities of the press on the one hand and an individual's right to privacy on the other. Maintaining its coverage of the law across the UK (including Scotland and Northern Ireland) and the EU, the new edition has been brought up to date with expert insights into significant developments and judgments, including: the impact of changes in intellectual property law, data protection, GDPR and copyright law post Brexit - including the cases of Schrems II and Ed Sheeran; analysis of new case law and developments in privacy and freedom of the media - including Duchess of Sussex (Meghan Markle) v The Mail on Sunday and ZXC v Bloomberg; the introduction of new Scottish defamation laws and the importance of defamatory meaning; the response to disinformation, fake news and social media - including tweeting jurors and contempt. With a variety of pedagogical features to encourage critical thinking, this unique textbook is essential reading for media and entertainment law courses at undergraduate and postgraduate levels and an insightful resource for students and reflective practitioners of journalism, public relations and media studies.

Scoring With Sir Judy Jarvie,2016-05-10 A teacher with secrets meets her strict Sir match. Izzy earns hot bedroom lessons but scoring as Sir's mistress brings red cards and penalties. Teacher and football fan turned secret erotica author Izzy Tennant needs full-on steam scenes and real-life experience for her debut novel. Ex-premier league footballer now PE head Will Darby has the moves but his sports pedigree causes friction. Their sass threatens a lust volcano or an ugly fistfight. The sensual tension builds to an inferno when they re-enact erotica scenes at his player mansion. Scoring items on her X-rated kink list provides Izzy with bestseller spice. But how will her Penalty Master take the revelation that he's just research? And how will Izzy handle the news that Will's keeping secrets of his own? Falling for her sex mentor and craving his extreme play wasn't part of the bonk-buster plan. Nor was reliving past hurts in action replay. Scoring with Sir is a contemporary romantic erotic comedy with a Glee setting, a Dom/sub secret, a football crazy heroine and an A-list football star hero. Banter and bedroom action guaranteed and fantasies scored in memorable style.

Reality T.V. Shannon Kelly,2013-03-01 According to a CNN 2013 article on reality TV and youth, behavior portrayed on some reality TV programs is inspiring real-life bullying amongst teens. Research by psychologists at Brigham Young University concluded that aggression in the brain is activated and motivated when youth watch reality TV. This engaging edition looks at the incredibly popular, ever evolving, and divisive form of entertainment that is reality TV. The book looks at what is defined as reality television and provides a brief history of the genre. It discusses why the format appeals to television producers and how it has been received by audiences. Criticisms of the genre are discussed and arguments that point to redeeming qualities of the shows are also examined. The volume includes discussion questions for each chapter and sources for further research on the topic.
