Keith R. A. DeCandido

Xander's Panda Party Linda Sue Park, 2013 Xander's plan to host a panda party falls through, since he is the only panda at the zoo, but when he extends the invitation to all the bears, complications ensue. Includes an author's note about the international effort to save pandas from extinction. 40,000 first printing.

Xander Julia Mills, 2024-04-08 Can a blind Dragon see without eyes? Can the Basilisk heal with a touch? Lost. Alone. Without his Clan for over a century. He searches for the one person who can make him whole. Headstrong. Independent. Trying to put her Family back together before it's too late. She didn't know what she was looking for until she found him. The enemy is near. The clock is ticking. The Fate of the Paranormal World is in their hands. Move over, Fate. Take a holiday, Death. The bad guys better beware. This Dragon has found his Mate, and there will be Hell to pay.

Xander's Powerful Growing Pains Gerry Dignan, 2011-09-15 He pulled the door open. He was staring at a pair of feet floating about a metre off the ground. He looked up at his father's face, which was near the roof, smiling at him in a very gentle way. Son, I think we need to have a talk.' With those words, Xander's world was turned upside down. Should he stay at school and try for the football team, cope with bullies and stick with his friends or go to 'The Institute'? An ultra-secretive, government centre made decades ago to create super-soldiers, but now a school of sorts, for children like himself. And who

are the 'Others'? Who are the rebels from the 'Institute' who are supposedly out there, somewhere in society, watching and planning? As Xander tries to adapt to his new abilities, and failing miserably, he begins to see 'Others' at every turn, suspecting everyone. Do they exist at all, or are they closer than he thinks?

Matched Ally Condie, 2011-09-20 Cassia has always trusted the Society to make the right choices for her: what to read, what to watch, what to believe. So when Xander's face appears on-screen at her Matching ceremony, Cassia knows with complete certainty that he is her ideal mate . . . until she sees Ky Markham's face flash for an instant before the screen fades to black. The Society tells her it's a glitch, a rare malfunction, and that she should focus on the happy life she's destined to lead with Xander. But Cassia can't stop thinking about Ky, and as they slowly fall in love, Cassia begins to doubt the Society's infallibility and is faced with an impossible choice: between Xander and Ky, between the only life she's known and a path that no one else has dared to follow. Look for **CROSSED**, the sequel to **MATCHED**, in Fall 2011! Watch a Video

The Xander Years Keith R. A. DeCandido, 1999 Chronicles Alexander's tumultuous love life as he dates a variety of girls with disastrous and supernatural consequences.

Zo Xander Miller, 2020-08-11 A New York Times Book Review Editors' Choice A breathtaking love story—a saga of passion, tenacity, and hope in the face of

disaster We first meet Zwazo Delalun, or Zo, during his childhood, in the 1990s, in a fishing village on the western tip of Haiti. An orphan, he travels the island in his youth, finding work wherever he can. One morning, while hauling cement in the broiling sun, he meets Anaya, a nursing student who is sipping cherry juice under a tree. Their attraction is instantaneous, fierce; what grows between them feels like the destiny-changing love Zo has yearned for. But Anaya's father, protective and ambitious on behalf of his only daughter, cannot accept that a poor, uneducated man such as Zo is good enough for her, and he sends Anaya away to Port-au-Prince. Then something even more shattering happens: a massive earthquake churns the ground beneath the capital city, forever altering the course of life for those who survive. At once suspenseful, heartrending, and gorgeously lyrical, Zo is an unforgettable journey of heroism, grief, redemption, and persistence against all odds.

Xander's Chance (#1, Damian Eternal) Lizzy Ford, 2013-03-20 As the single-most powerful vampire on the planet, Xander is the ultimate bored predator with too much time on his hands. He manipulates the minds of immortals for fun and bullies around the Gods, while guarding the secret source of his power, a crystal that can wipe out the planet. But beneath the surface, he's a shrewd creature who learned the brutal lesson of why there must be a balance between good and evil. An unwilling protector of the playthings known as humans, he knows when and where to use his power – and never to let anyone

close enough to betray him. It's easy to do, since he has the power to read the minds of everyone around him. Except for one: Jessi, an innocent looking woman with an unusual talent who shows up unexpectedly in his life. Her sudden appearance is too convenient to be coincidence or chance. Xander determines quickly that she was sent by someone, but he can't read her mind to discover why. Jessi's secret – and Xander's – have the power to forever change the human world. Intrigued by a new sort of challenge, Xander won't know how much danger he's in, until he's placed his fate in the hands of a woman whose betrayal will cost either his heart or his life.

Xander's Story Xander Michel Pearce,2014-11-12

Xander Kat Mizera,2020-05-12 I'll protect her. No matter the cost. I'm a Royal Protector. An official bodyguard to the royal family of Limaj. I work with the best of the best and I'm at the top of my field, but I may not survive my next assignment. She's a princess in every sense of the word. She's also fiery, stubborn and absolutely hates my guts. Fine, it's easier this way. Until it isn't. Because there's a thin line between love and hate... and we can't help but blur it. Now everything is complicated, including the return of an old enemy. I'm willing to burn down the whole country to eliminate the danger and save the princess. My princess. The question is, can I do it in time?

Xander Molly Black, I didn't know who this Xander guy was, but he definitely wasn't a superintendent. He also definitely wasn't anyone that I

should be getting involved in. After all, what did I need him for? My life was perfect, just me and my daughter. Somehow, though, Xander seemed to be fitting into our lives in a way that I could never have expected. But I have to look out for my daughter, first and foremost. And the last thing I need is to be involved with a member of a motorcycle club. How do I convince my heart to be rid of him, though?

Xander Dana Archer, After you find and lose your destined mate a few times, even an immortal alpha shifter has to consider he might be missing...something? Or maybe someone? Xander, alpha of the Royal Winchester pack, has chased his fated mate through the centuries. And screwed things up with her each time their paths have crossed. The moment Gwen looks at him, Xander realizes he's been given another shot. Nothing will stop him from claiming his chosen female in this lifetime. First, he'll rescue her from his enemies, who've turned her into prey. Then he'll win her love and make her his eternal wife. Simple. Or maybe not. His best friend, Vlad, claims Gwen belongs to him too. Of course, Vlad said the same thing every time Xander met—then lost—his promised mate. This time around, Xander refuses to lose Gwen. If that means thinking outside of the box, so be it. Nobody is going to take Gwen from them. Ever. ★★★★★ Xander is the closed-door version (also known as a safe-for-work, clean, or kisses only romance) of Last Chance by Nancy Corrigan.

Xander's Claim Stella Williams, 2021-02-11 After escaping the clutches of

the evil Vampiress Maura, three friends struggle with the past in finding a new way of life and love... Xander's nightmare past has left him with some serious control issues. Without the burning hatred that kept him going when he was under Maura's thumb, he has lost his lust for life. Jaded and closed off to the world around him, Xander is entirely unprepared for the arrival of Cat. One catastrophe changed Cat's life forever. Cat thought her best friend was crazy for wanting to be a vampire but loved her enough to go along with it anyway. When a sick twist of fate lands her in her friend's place, Cat's strong personality and intolerance for mysterious, arrogant, know-all types like Xander are the only things she has left to call her own. When the past comes back to haunt them, will it destroy them, or will they find the strength to claim what is in their hearts?

Xander's Chance (#1, Damian Eternal) Lizzy Ford, 2013-03-24 A continuation of the War of Gods saga ...As the single-most powerful vampire on the planet, Xander is the ultimate bored predator with too much time on his hands. He manipulates the minds of immortals for fun and bullies around the Gods, while guarding the secret source of his power, a crystal that can wipe out the planet. But beneath the surface, he's a shrewd creature who learned the brutal lesson of why there must be a balance between good and evil. An unwilling protector of the playthings known as humans, he knows when and where to use his power - and never to let anyone close enough to betray him. It's easy to do, since he has the power to read the minds of everyone around

him.Except for one: Jessi, an innocent looking woman with an unusual talent who shows up unexpectedly in his life. Her sudden appearance is too convenient to be coincidence or chance. Xander determines quickly that she was sent by someone, but he can't read her mind to discover why. Jessi's secret - and Xander's - have the power to forever change the human world. Intrigued by a new sort of challenge, Xander won't know how much danger he's in, until he's placed his fate in the hands of a woman whose betrayal will cost either his heart or his life.

xXx: Return of Xander Cage - The Official Movie Novelization Tim Waggoner,2017-01-24 THE OFFICIAL NOVELIZATION TO THE UPCOMING MOVIE XXX: RETURN OF XANDER CAGE XANDER CAGE IS BACK After coming out of self-imposed exile, extreme athlete turned government operative Xander Cage must race against time to recover a sinister weapon known as Pandora's Box, a device that controls every military satellite in the world. Recruiting a new group of thrill-seeking cohorts, Xander finds himself entangled in a deadly conspiracy that points to collusion at the highest levels of government.

Xander Vivienne Savage,2018-08-30 In a future where anything alien is mistrusted, Doctor Xander Vargas hides his true nature. Reassignment to a new ship is the second chance he needs, and spoiling it isn't an option. Until he meets his one temptation, a woman his alien genes would kill for. Sergeant Thandie Kruger finds herself under the care of the navy's sexiest cybernetic surgeon. She should resist him, but she's fascinated, and his mysterious eyes

hold a dozen secrets. Although they're divided by rank and united by undeniable attraction, there are bigger problems in the galaxy. Cyborgs like Thandie are vanishing from colonies at an alarming rate. And anyone could be next.

Momotaro: Xander and the Dream Thief Margaret Dilloway, 2017-04-18 Xander Miyamoto should be feeling great. It's the beginning of summer vacation, his mother has returned from a long absence, and he has learned that he is a warrior with special powers. Xander never would have guessed that the old Japanese folktale about Momotaro, the hero who sprang from a peach pit, was real, much less part of his own heritage. But instead of reveling in his recent victory against the oni, monsters bent on creating chaos, Xander is feeling resentful. What took his mother so long to come back? Why does his father insist on ruining the summer with study and training? And why is Xander plagued by nightmares every night? Maybe this whole Momotaro thing is overrated. Xander's grandmother gives him a special baku charm to use to chase his nightmares away. He just has to be careful not to rely on it too much. If he does, the baku will not only take his dreams, but those of everyone in the house, forever. Without dreams, there is no hope, no motivation, no imagination, no Momotaro. And then it would be far too easy for Ozuno, king of the oni, to wreak havoc. . . . On his second quest, Xander explores new surreal landscapes, encounters more strange and dangerous creatures, and faces even higher stakes as he learns whether or not he has

what it takes to be Momotaro.

Momotaro: Xander and the Lost Island of Monsters Margaret Dilloway, 2016-04-05 Xander Miyamoto would rather do almost anything than listen to his sixth grade teacher, Mr. Stedman, drone on about weather disasters happening around the globe. If Xander could do stuff he's good at instead, like draw comics and create computer programs, and if Lovey would stop harassing him for being half Asian, he might not be counting the minutes until the dismissal bell. When spring break begins at last, Xander plans to spend it playing computer games with his best friend, Peyton. Xander's father briefly distracts him with a comic book about some samurai warrior that pops out of a peach pit. Xander tosses it aside, but Peyton finds it more interesting. Little does either boy know that the comic is a warning. They are about to be thrust into the biggest adventure of their lives—a journey wilder than any Xander has ever imagined, full of weird monsters even worse than Lovey. To win at this deadly serious game they will have to rely on their wits, courage, faith, and especially, each other. Maybe Xander should have listened to Mr Stedman about the weather after all. . . .

THE TAMING OF XANDER STERNE Carole Mortimer, Hibiki Sakuraya, 2018-12-02 When a multimillionaire is injured in a car accident, Sam ends up taking care of him. Xander is an international entrepreneur, one of the Sterne brothers and an infamous playboy with shining blond hair. Sam is a single mother who's survived a tremendous ordeal. She promises herself that she'll never do

something so stupid as falling in love with a multimillionaire playboy. But will Sam be able to keep her cool when faced with his gorgeous body? Her resolve crumbles when his kindness and overwhelming charm shine through...

Crossed Ally Condie, 2013-03-12 The highly anticipated second book in the New York Times bestselling Matched trilogy! Perfect for fans of 1984, Brave New World, Black Mirror, and The Handmaid's Tale. Chasing down an uncertain future, Cassia makes her way to the Outer Provinces in pursuit of Ky--taken by Society to his certain death--only to find that he has escaped into the majestic, but treacherous, canyons. On this wild frontier are glimmers of a different life . . . and the enthralling promise of rebellion. But even as Cassia sacrifices everything to reunite with Ky, ingenious surprises from Xander may change the game. On the edge of Society, nothing is as expected, and crosses and double crosses make Cassia's path more twisted than ever. Look for the epic series finale, REACHED!

Until he heard her voice. Frost is a wildlife biologist and tracker and she has been assigned, despite her adamant protests, to lead mercenaries into the mountains of Snowfall, Colorado for the sole purpose of killing immortal shifters. In order to protect those who have no idea the kind of

Xander understands exactly who Frost is the moment he hears her thoughts. With the help of Kane and Gunnar, they eliminate those in her group as they try to keep her safe. But during the fight, she is hurt and all of his protective instincts flare to life. As Xander learns more about her, he realizes that Frost might be the key to the creation of the immortals, both vampire and shifter.
