The cards included represent some of the most creative design available so are a wonderful source of inspiration for all types of projects. All designers and design firms, whether in-house or freelance, create their own greeting cards which serve not only as a greeting card, but as an opportunity to show off their work in a totally unique and uninhibited light. In addition, they are the perfect project because they are small enough so they are not incredibly time consuming nor are they very expensive to produce -- even with unique materials or treatments.
