Ali the Magnificent Yousuf N. Lalljee - XKP, 2015-11-05 This Book is a Must read to every Muslim and non-Muslim to learn more about a man who not only lived his life to better Islam, but to better humanity also. He was not an Imam just for Shia Muslims, but for all of mankind. He is undoubtedly the best human being to have ever lived after Prophet Muhammad (saw) with such an elevated status that the angels themselves know of his status. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization (www.shia.es) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! In addition, For a complete list of our published books please refer to our website (www.shia.es) or send us an email to info@shia.es

The Story of Prophet Yusuf Abu Al Al-Nadwi, 2019-08-26

This book contains a reliable narrative of the story of Prophet Yusuf (AS), a mighty messenger of Allah who is revered by people of many religions. The story is based on a work entitled Stories of the Prophets by Sh. Abū al-Hasan 'Alī al-Nadwī, a prominent scholar and reformer of the 20th century. It is a great book for both adults and children. What sets this unique edition apart is

that it presents the original Arabic text with diacritical marks along with an original English translation, line by line. This makes the book useful for English readers, Arabic readers, and learners of either language.

Tell Me About The Prophet Yusuf Saniyasnain

Khan,2003-01-01 This book tells the Prophet Yusuf (or Joseph) and his brothers. It starts in Yusuf s early childhood when his family used to live in tents in the desert, then moves on to the time when he was almost grown up and his brothers threw him into a dry well. It describes how this horrific incident comes as a blessing in disguise, for the young Yusuf was taken to Egypt by a caravan and ultimately made a powerful and trusted minister of the Egyptian king. He was also made a prophet by Allah.

SEARCHING FOR SOLACE (Biography of Abdullah Yusuf Ali)

M.A.Sharif,2004

A Biography of Abdullah Yusuf Ali Khursheed Kamal

Aziz,2010 Abdullah Yusuf Ali, 1872-1952, South Asian Islamic scholar.

Healing Politics Abdul El-Sayed,2020-03-31 A memoir about restoring the health of our people, and our democracy, from a physician and “one of the brightest young stars” of the progressive movement (Sen. Bernie Sanders). A child of immigrants, Abdul El-Sayed grew up feeling a responsibility to help others. He threw himself into the study of medicine and excelled—winning a Rhodes Scholarship, earning two advanced degrees, and landing a tenure-track position at Columbia University. At thirty, he became the youngest city health official in America, tasked with rebuilding Detroit’s health department after years of austerity policies. But El-Sayed found himself disillusioned. He could heal the sick—even build healthier, safer communities—but that wouldn’t address the social and economic conditions causing illness in the first place. So he left health for politics, running for Governor of Michigan and earning the support of progressive champions like Congresswoman

Alexandria Ocasio-Cortez and Senator Bernie Sanders. This memoir traces the life of a young idealist, weaving together powerful personal stories and fascinating forays into history and science. Marrying his unique perspective with the science of epidemiology, El-Sayed diagnoses an underlying epidemic afflicting our country, an epidemic of insecurity. And to heal the rifts this epidemic has created, he lays out a new direction for the progressive movement. This is a bold, personal, and compellingly original book from a prominent young leader. "In Healing Politics, Abdul El-Sayed doesn't just diagnose the causes of our broken politics; he gives us a prescription and treatment plan."

Islamic Family Law Raffia Arshad, 2010 A practical manual in how to meet the needs of Muslim clients, the book explains basic concepts of Islamic Family Law and how the English legal system can be used to satisfy the diverse needs of Muslim clients

The Islamic Marriage Contract Asifa Quraishi, Frank E. Vogel, 2022-10-07 It is often said that marriage in Islamic law is a civil contract, not a sacrament. If this is so, this means that the marriage contract is largely governed by the same rules as other contracts, such as sale or hire. But at the same time marriage is a profound concern of the Islamic scriptures of Qur'an and Sunna, and thus at the very core of the law and morality of Islam and of the individual, familial, and social life of Muslims. This volume collects papers from many disciplines examining the Muslim marriage contract. Articles cover doctrines as to marriage contracts (e.g., may a wife stipulate monogamy?); historical instances (e.g., legal advice from thirteenth-century Spain); comparisons with Jewish and canon law; contemporary legal and social practice; and projects of activists for women worldwide. Demonstrating a new and powerful focus for comparative and historical inquiries into Islamic law and social practices, this book marks a fresh point of departure for the study of Muslim women.

Development and Advocacy Deborah Eade, 2002 Most major

development NGOs dedicate significant resources to advocacy. Many also work to inform and shape public opinion, whether through advertising or fundraising, or through education programmes. They argue that fundamental change is not achieved until the policy environment is right, and cannot be sustained without a ground-swell of support for reform. In recent years, however, advocacy work has come under increasing criticism. NGOs are challenged on the grounds of: * legitimacy - whom do they represent, and to whom are they accountable? * effectiveness - what practical impact does high-level advocacy have on the lives of people living in poverty, and who is to judge this? * role - should NGOs try to combine funding and advocacy, or do these demand different kinds of South-North relationship? * strategy - are NGOs too easily seduced by agencies like the World Bank or by the corporate sector? When does constructive engagement with these powerful bodies turn into co-option by them? As international grassroots advocacy is becoming more vocal, thanks to new communication technologies, what is the appropriate role for Northern NGOs?

Family Law in Islam Maaïke Voorhoeve, 2016-03-18 In both the West and throughout the Muslim world, Islamic family law is a highly and hotly debated topic. In the Muslim World, the discussions at the heart of these debates are often primarily concerned with the extent to which classical Islamic family law should be implemented in the national legal system, and the impact this has on society. *Family Law in Islam* highlights these discussions by looking at public debates and legal practice. Using a range of contemporary examples, from polygamy to informal marriage (zawaj 'urfi), and from divorce with mutual agreement (khul') to judicial divorce (tatliq), this wide-ranging and penetrating volume explores the impact of Islamic law on individuals, families and society alike from Morocco to Egypt and from Syria to Iran. It thus contains material of vital importance for researchers of Islamic Law, Politics and Society in the Middle

East and North Africa.
