*How to Make YouTube Videos on Your Phone* Stanley P Cathcart, 2020-01-06 You can be wealthy with what you already have. A friend of mine will always say if you know how to use what you have, more will be added to it. If you know how to use the smartphone you already have in your hands, you will never lack money again. You only need to start shooting one valuable video in a day with your phone, and you will become rich in a short while. The device in your hand now is so powerful, yet many of us keep looking for something else we can use to shoot film. In this book, I have taken the time to show you step-by-step how you can use your phone to shoot professional video with very high-quality audio. Applying what you will learn in this book will make your video stand out, and people will not be able to differentiate your video from the ones done with highly-priced cameras. So, have you been planning to have a YouTube channel, and you think you don't have the device that could help you start? This book has come your way to show you that you already have all it takes to start a YouTube channel in your hands; you only need to start today. You can order a copy for yourself now by clicking the buy now button.

A Limited Edition of One Steven Wilson, 2023-04-06 The more I thought about it, the more I realised my career has been unusual. How did I manage to do everything wrong but still end up on the front cover of magazines, headlining world tours and achieving Top 5 albums? How did I attract such obsessive and fanatical fans, many of whom take everything I do or say very personally, which is simultaneously flattering but can also be tremendously frustrating? Even this I somehow cultivated without somehow meaning to. My accidental career. *Limited Edition of One* is unlike any other music book you will ever have read. Part the long-awaited memoir of Steven Wilson: whose celebrated band Porcupine Tree began as teenage fiction before unintentionally evolving into a reality that encompassed Grammy-nominated records and sold-out shows around the world, before he set out for an even more successful solo career. Part the story of a twenty-first century artist who achieved chart-topping mainstream success without ever becoming part of the mainstream. From Abba to Stockhausen, via a collection of conversations and thought pieces on the art of listening, the rules of collaboration, lists of lists, personal stories, professional adventurism (including food, film, TV, modern art), old school rock stardom, how to negotiate an obsessive fanbase and survive on social media, and dream-fever storytelling.

*Steranko Nick Fury Agent of S.H.I.E.L.D. Artisan Edition* Jim Steranko, 2021-09-28 Previously presented in the much-acclaimed Artist's Edition format, and winner of an Eisner Award, now you can appreciate this historic run of comics in the new Artisan Edition format. In the mid-1960s, Jim Steranko burst into the Marvel Age of comics in a BIG way, and the innovative, cinematic techniques he introduced in his brief tenure at The House of Ideas stand to this day as a high-water mark in the history of graphic storytelling. More than any other series, Steranko is most associated with Nick Fury: Agent of S.H.I.E.L.D. This Artisan Edition collects the first 12 stories of Steranko's run, from *Strange Tales* #151-162, as well as his covers from these issues. Additionally, there will be a select number of extras presented. And, as usual, nearly all the pages have been scanned from the original art, from Steranko's private archives. Story and art by Jim Steranko with additional script by Stan Lee and Roy Thomas. Additional Layouts by Jack Kirby. AN ARTISAN EDITION PRESENTS COMPLETE STORIES WITH EACH

PAGE SCANNED FROM THE ACTUAL ORIGINAL ART. While appearing to be in black and white, each page was scanned in color to mimic as closely as possible the experience of viewing the actual original art--for instance, corrections, blue pencils, paste-overs, all the little nuances that make original art unique. Each page is printed the same size as drawn, and the paper selected is as close as possible to the original art board.

*The Wedding* Dorothy West, 2009-12-30 In her final novel, "a beautiful and devastating examination of family, society and race" (The New York Times), Dorothy West offers an intimate glimpse into the Oval, a proud, insular community made up of the best and brightest of the East Coast's Black bourgeoisie on Martha's Vineyard in the 1950s. Within this inner circle of blue-vein society, we witness the prominent Coles family gather for the wedding of the loveliest daughter, Shelby, who could have chosen from a whole area of eligible men of the right colors and the right professions. Instead, she has fallen in love with and is about to be married to Meade Wyler, a white jazz musician from New York. A shock wave breaks over the Oval as its longtime members grapple with the changing face of its community. With elegant, luminous prose, Dorothy West crowns her literary career by illustrating one family's struggle to break the shackles of race and class.
